**15-YEAR
GUARANTEE**

Should the roof leak within the first five (5) years due to defective material or workmanship, Sears will replace it or repair it at Company option without charge to the customer. After a period of five (5) years and within a period of fifteen (15) years from date of application, Sears will replace or repair it at Company option, charging the customer only 1/180th of the then current Sears regular price for each month the original roof has been in service.
