ROEBUCK AND CO

Greatest Time-Work Saver Since the Grass Catcher...All Rotaries on this Page Are **SELF-CLEANING**

Exclusive extra blade spins around close to housing top... prevents grass from sticking inside. Eliminates the need for cleaning after mowing. Keeps housing space from becoming shallow. Assures better cutting action.

Craftsman 20-in. Rotaries

Better Because:

- "EZ"-Fill'n-Drain oil tube—tip mower to drain
- Easy, no-pull starter with keylock to lock starter
- 9 quick cutting height adjustments $\frac{1}{4}$ to $3\frac{1}{4}$ inches

Powerful 3-HP, 4-cycle engine. Exclusive self-cleaning blade. Solid steel cutting blade is Austempered to make it remarkably nick-resistant for smoother cutting, longer life. Select any one of 9 slots to change cutting heights. Other features are soft-tone muffler, aluminum housing and visual gas gauge.
