

Yanks Expected To Win More Gold Medals Today

Americans Nearing Medals Record

SAO PAULO, Brazil (UPI)—United States athletes, who are making a shambles of the Pan-American Games with an avalanche of gold medals, get a chance to add to the pile today in track and field, basketball and boxing.

The Yanks picked up 11 gold medals Thursday in sweeping the modern pentathlon. The men's and women's gymnastics and the team title in epee fencing. That boosted their gold medal collection to 87 and with anticipated victories in today's events, the United States should be within striking distance of the record 120 gold medals won at the last Pan-American Games four years ago in Chicago.

There are six track and field finals on today's program, in which the United States is expected to win at least four gold medals. Add to that the boxing finals in each weight division plus title games in both men's and women's basketball—both against Brazil—and it clearly shapes up as a runaway for Yank stars.

Expected Triple Victory
Thus far Americans have won eight of the 11 track and field events—three less than originally anticipated. Today, Yank men stars compete in the high hurdles, broad jump and the hammer throw. Coach Lou Montgomery expects victory in all three events.

Ralph Boston of Laurel, Miss., the 1960 Olympic champ, and Durrell Horn of San Antonio, Tex., carry the U.S. colors in the broad jump. Willie May of Chicago, the silver medalist in the 1960 Olympics, and Blaine Lindgren of Salt Lake City, Utah, compete in the 110 meter high hurdles, and Al Hall of Greenfield, Mass., the defending games champion, and James Pryde of San Gabriel, Calif., are in the hammer throw.

The fourth men's final is the 20,000 meter walk in which Ron Zimm of Orland Park, Ill., and Ron Laird of Chicago are the American entries.

Two Women's Events
The two women's events are the high jump, in which Eleanor Montgomery of Cleveland and Estelle Baskerville of Columbus, Ohio are entered, and the discus, with Cynthia Wyatt, the reigning U.S. indoor champion.
