

Grand Opening **CARLSON'S**

CARLSON'S FURNITURE was established by E. M. Carlson in 1936 as Carlson Mattress and Upholstery. Over the years this business has been expanded by Mr. Carlson and his sons, Mel and Gene, to the present complete retail furniture store with a display area of approximately 10,000 square feet.

Upholstery and mattress service now is conducted in a new shop on the second floor of the newly completed building addition. The Carlsons

are grateful for your fine patronage the past 27 years and invite you to come in and see the newly enlarged store.

We are celebrating the GRAND OPENING of our enlarged store with tremendous values in fine quality furniture. You will find many new furniture items never before displayed in Klamath Falls. Here are just a few of the outstanding values you will find during this 2 day event.
