

and she can be your! Sporty, modern, like - the sailing yacht she's always wanted to own! This twin-hulled, twin-engine catamaran is strong, stable and safe for youngsters to sail, sturdy enough to support 3,000 pounds - so sturdy that it can become a diving boat, fishing speedboat or even a motorboat.

Imagine the fun you can have this summer with the Sport-Cat! You are at the tiller, the strong red and white nylon sail has caught the full impact of brisk wind, the white hulls skim, or seem to fly, over the water. You're far out ahead of the others in style and performance! Yet the new Sport-Cat is one of the safest boats afloat. Even in rough weather. Strong, expanded polystyrene hulls, molded over reinforced full-length plywood spine, marine paint coating; extruded aluminum mast, crossbars, railings; reinforced marine plywood deck — to provide every safety factor.

You can sail soon, pay later. Try the Sport-Cat for ten days FREE (use coupon below) — then, if you are entirely satisfied, she becomes yours by small monthly payments. You can order now — or request shipments at a later date. The Sport-Cat can be sent anywhere you wish — home or vacation spot. But be sure you get your Sport-Cat NOW AT THIS PRICE (only a limited number are being produced) . . . to enjoy for years and years of sailing fun!
