Brodie's Grid Career OK'ed

PALEO ALTO, Calif. (UPI) — John Brodie's football career should not be impaired by an arm fracture the San Francisco Forty Niner quarterback received in an automobile accident, according to the attending physician at Palo Alto-Stanford Hospital.

"Recovery should be excellent and he should be as good as new by fall," the surgeon said after treating Brodie for a small crack in the radius bone in Brodie's right—and passing—forearm.

The Forty Niner star apparently fell asleep at the wheel early yesterday. His car crashed into a tree.

Portland Tops Linfield Team

PORTLAND (UPI) — Versatile George Koch scored 14 points in five events to lead unbeaten Portland in a 94-37 dual track meet victory over Linfield Monday.

Koch won the javelin in 201-1/4, tied for first in the broad jump at 21-7/4, finished second in the high jump and grabbed thirds in the discus and shot put.

Helps You Overcome FALSE TEETH Looseness and Worry

No longer be annoyed or feel uneasy because of loose, wobbly false teeth. FALSE TEETH, as improved alkaline (DENT-ROD) powder sprinkled on your plates holds them firmly so they feel more comfortable. Avoid embarrassment caused by loose plates. Get DENT-ROD at any drug counter.
