

BETTY ANN CHAPMAN

Auxiliary Names Girl

MERRILL—The Merrill American Legion Auxiliary has selected Betty Ann Chapman, daughter of Mr. and Mrs. Ithel Chapman, to attend Girls' State in Salem June 10-16.

Betty, 17-year-old Merrill High School junior, is active in the Speech Club and Pep Club. She is most interested in biology and plans a career in that field.

She also serves as vice president of Theta Rho and is marshal of the district convention in Medford. Betty lists her hobbies as bowling, dancing, and piano.

Student Killed

HILLSBORO (UPI) — Dinah Lee, 18, Glendale, died in a hospital Monday from injuries suffered in a two-car accident Sunday.

She was a student at Pacific University. Five other persons injured in the accident were in "fairly good" condition.

Overtaken Fuel Truck Recovered

TUCSON, Ariz. (UPI) — An overturned truck - trailer loaded with potentially poisonous missile fuel was lifted upright Tuesday and delivered to its destination without incident.

Two huge cranes managed the precarious recovery operation early Tuesday. Officials previously had weighed the possibility of pumping the fuel out.

Precautionary measures, which included evacuating residents within a one-mile radius of the overturned truck and closing nearby schools, were called off after the safe removal.

The residents were removed from the area Monday after the truck carrying Titan missile fuel overturned, but were allowed to return home after the tank portion of the vehicle was cradled by three cranes to keep its weight evenly distributed.

Officers said that if the liquid fuel were released in the air it would develop a poisonous gas that would be fatal. The cranes were used to prevent any strain on the tank that could cause a leak.

A disaster team from Davis-Monthan Air Force Base and civil defense units were called to the scene where the tanker flipped on its side, three miles north of the main business district. It contained 18 tons of nitrogen tri-oxide.

The driver of the truck, which fell into a gulch as it was making a turn, apparently was not hurt. He was not identified. The truck was reported en route from Richmond, Calif., to a Tucson Titan missile site.

There are some 360 different lands in the Bermuda group.

Premium Books Being Printed

ALTURAS—A. H. "Happy" Burmeister, manager of the Modoc County Fair, announced this week that the premium books for the fair are now being printed. The fair dates this year are Aug. 23-25, he said.

"If you don't receive a premium book within the next three weeks or if you know you are not already on the mailing list, write to the Modoc County Fairgrounds, Cedarville, and we will mail one out to you."

"It is the exhibitors who make the fair a success for everyone and we welcome one and all. This year's book has more departments than ever for the exhibitor, along with fine premiums and prizes," Burmeister concluded.

Expensive Dinner Awaits Worthy One

WASHINGTON (UPI) — Some "very worthy" Republican under 25 is going to get a \$1,000 dinner for free.

He will be the guest of Tacoma, Wash., attorney at Thursday's dinner in honor of Sen. Barry Goldwater, R-Ariz.

The Senate GOP Campaign Committee received a telegram from Frank C. Neal, 25, which said that nothing "would give me more satisfaction than to accept your invitation to a \$1,000 a plate dinner honoring Barry Goldwater, who is our country's only hope. My check will be in the mail this afternoon."

"Since distance and my 25 years make it impossible for me to attend in person, will you kindly convey my respects to the senator and if you can find a very worthy young Republican under 25 to represent me at the dinner, it will be appreciated."

The fact that Goldwater will be the guest of honor, plus speculation over Gov. Nelson Rockefeller's presidential future in light of his remarriage, has spurred demand for tickets.

Another observer said it would probably be the most significant political dinner since the one in 1952 when President Harry S. Truman announced he would not run for re-election.
