30th Anniversary

AVIS MCCONNELL

D. O. WILLIAMS

The Pelican Cafe has been a Klamath Falls landmark since 1927 when it was first opened as a permanent part of the newly completed Williams Bldg., and has been operated almost continuously since that time.

In early 1933 Mr. Williams was forced to keep the restaurant open himself and turned the management of the business over to Mrs. Avis McConnell, who shortly leased the cafe. From May, 1935, until her retirement at the end of 1958, Mrs. Lucile Warner had complete charge of food planning and preparation for the Pelican. Mrs. Warner gave to the Pelican her own tried and proven recipes and trained many of the people who are still on the cafe staff.

Through the 30 years of continuous operation under the same management, various changes have taken place. The Candy Jar, open from 1946 to 1953, is now the Wing Bar. In 1962, an addition to the rear of the Williams building added a foyer and rear entrance to the dining room from the 8th and Klamath Park & Shop lot. This also gives an outside entrance to the Pelican Party room and downstairs bar.

Throughout the years, a constant effort has been made to keep the Pelican Cafe abreast of the times, to make the interior interesting, pleasing and inviting for Klamath Basin people and for the many travelers who return year after year. You are cordially invited to visit us anytime and especially during our 30th Anniversary Celebration tomorrow.

Lucile Warner, retired in 1958 after 23 1/2 years with the Pelican.
