The Cameron

TAMCO

Spin-casting
Reel

For rugged durability and trouble-free operation, we don't think this unique Reel can be beaten at any price. You are always casting from a "full" spool. Plastic window in reel housing lets you see how much line is left... important when fish make long runs. Stationary spool absolutely will not twist monofilament line. Instant pushbutton, dependable release and pick-up. \$19.95 postpaid, guaranteed.

Cameron TAMCO Spinning Reel
These reels are built like a camera with self-locking pins and parts. Instead of a wire bail to fool with, the pick-up arm is inside the reel... out of the way. Pick-up of the line on retrieve is positive every time. For more fun fishing, \$22.95 postpaid, guaranteed.
