Roads, Park Areas Open In Winema

The warm weather has opened up many roads and recreation areas on the Winema National Forest.

"I'm afraid I don't need a free dancing lesson. Could you substitute a free wash-load at the self-service laundry?"

On the Klamath District Ranger Twombly reports that Forest Service roads are in good condition and have been graded. The only questionable roads are at the higher elevations. Fourmile Lake road is open to the lake, as is the Fish Lake road between Lake of the Woods and Fish Lake.

Forest travelers are cautioned that both roads are rough, but passable. The camping area at Fourmile Lake is limited due to fallen trees.

Most trails in the high country are closed by snow and some of the lakes remain frozen over. In the Lake of the Woods area Aspen Point Campground is closed to the public at the present due to construction activity. The boat launching ramp is open. Rainbow Campground is open for public use, and the resort is open. Fishing is improving at the lake, with catches of rainbow and kokanee having been reported.

On the Chiloquin District Ranger Faulkner reports all roads are passable with a few exceptions in the Swan Lake area. Williamson Campground is open to the public and in good condition for camping. Fishing in the Sycan River is slower. Sprague River above Chiloquin is reported as improving and some good catches of rainbow have been reported on the Upper Williamson near Deep Creek.

Most roads are drying out on the Chemult District also and are in the process of being maintained. Among roads still under snow is the upper part of the road to Miller Lake. The trail to Maidu Lake is under snow, but some fishermen hiked to the lake the past weekend and made some catches. Miller lake campground is covered with snow but it is melting rapidly.

Fire danger has continued to increase on the forest with the warm dry weather of the past week, and travelers are urged to use care with fire in all forms.

BASIN BRIEFS

BONANZA

HERMAN AND RAY VOWELL met Leonard Meyers at Malin on Friday to bring a horse from the Rising River Ranch at Fall River Mills for several weeks of training.

MRS. AVA FORMAN and her grandson, Danny Forman, San Diego, are visiting her brother-in-law and sister, Mr. and Mrs. Bill Bechdoldt.

MR. AND MRS. LEO LEIBOW, San Francisco, spent a few days with Mrs. Elsa Rueck and family. The Leibows brought Mrs. Rueck home from Portland where she had surgery.

MRS. C. W. DYE of Plainview, Tex., is spending several weeks in Langell Valley with her sister and brother-in-law, Mr. and Mrs. Santford Jones. She is also visiting her brother, Paul Mauldin, in Klamath Falls.

MRS. LLOYD GIFT spent a few days in Sacramento and attended the wedding of Bonnie Green and Robert Zine on May 25. Bonnie is the granddaughter of Mrs. Cecil Green of Klamath Falls. Mrs. Harry Frazier and Mrs. Lester Leavitt accompanied her and visited relatives there.

MRS. FLORENCE HORN spent several days at Alturas last week.

BONANZA WOMEN'S CLUB will meet at the library June 4 for a regular meeting. Members are urged to attend.

ELDON SETTLE has returned to his base at Treasure Island after visiting his parents, Mr. and Mrs. Myrel Settle.

MR. AND MRS. GUY HITSON spent the weekend at Portland visiting their small daughter, Christie, who is a patient at Shriners Hospital. Mrs. Hitson will stay for a week at the home of her sister, Mrs. Warren Dick.

ROGER REID, Mrs. Mike Dearborn, Mrs. Jesse McFall and Mrs. Howrey Roberts attended a meeting of the local school board at the county library on May 27. Anyone needing absentee ballots may get them at Bonanza High School from Mrs. Louis Randall or Mrs. Bob Horton. The absentee ballots must be at the courthouse by June 5 to be counted. Voting will be at the Bonanza School gymnasium June 10, from 2 to 8 p.m., on consolidation of school districts.

IRA CUNNINGHAM of Tulelake, Mr. and Mrs. Neil Grohs and three children of Rim Rock Ranch, and Lester Leavitt spent Sunday with Ray Vowell, Mr. and Mrs. Herman Vowell and Susan.

MRS. LIZZIE SCHMOR and Mr. and Mrs. Clay Combest of Turner spent a few days with Mrs. Mary Sparks and Lloyd.

BLY

HERBERT HADLEY attended the Fire Behavior School in Portland May 22-25.

MR. AND MRS. BILLY HENDERSON and son, Bobbie, were weekend guests at the home of Mr. and Mrs. Jim Baker. They also visited Mr. and Mrs. Walt Cambron and Mr. and Mrs. Joneschiet.

FRANCIS HAGUE will go to Eugene Friday, May 31, for medical treatment.

MR. AND MRS. HERBERT HADLEY and Mrs. Norman Banister of Paisley recently attended The Dalles Postmaster's Convention. On their return trip, they visited Mrs. Hadley's twin sister and family, the Bud Pollocks, in Redmond.

MRS. GEORGIA HALL returned from Medford and has moved into her residence here.

MR. AND MRS. CHRIS ASHFORD and children will travel to Panola and Broken Bow, Okla., to visit Ashford's daughter, Mrs. Mickie Nolan, whom he hasn't seen since 1941.

Peace Corps Tests Dated

The summer placement test for Peace Corps volunteers will be held in Room 202 of the post office at 8:30 a.m. on June 8.

Persons interested in applying for the Peace Corps should secure an application form from County Extension Agent Beverly Bower, Room 217 of the post office or inquire at post office window one. Completed applications should accompany the placement test when submitting information to Peace Corps headquarters in Washington, D.C.

Four thousand volunteers are needed for training during this summer - July and August. Volunteers must be American citizens at least 18 years old. Married couples are eligible if both qualify and have no dependents under 18.

The Peace Corps placement test is not competitive. Anyone with the equivalent of a high school education is eligible to take the test. There is no passing score. The test helps the Peace Corps to determine the overseas assignment for which applicants are best qualified.

One Of Top Hereford Herds To Greet Annual Field Day

An opportunity to see one of the top herds of Hereford cattle in America will be given all Oregon 4-H and FFA members on Saturday, June 1. The occasion is the first annual Oregon Junior Hereford Association field day to be held at Lost River Ranch, near Klamath Falls.

A special invitation to attend is extended all Oregon boys and girls under 21 who are interested in Herefords, their parents and leaders, and Hereford breeders, by Ben Smith, owner, and Jim McClelland, manager, of Lost River Ranch.

Starting at 9 a.m. with registration for the judging contest, the program will include a demonstration on "Principles of Judging Herefords," followed by a Hereford judging contest which will include six classes of breeding cattle and steers. Numerous engraved trophies and other appropriate awards will be presented the winners.

All Oregon county agents and vocational agriculture teachers are invited to bring a judging team and as many individual judges as they care to. A delicious hot beef lunch will be served the visitors at noon, courtesy of Lost River Ranch.

The afternoon program will begin with a welcome and information on the ranch and the cattle by the owner, Smith, and manager, McClelland. An interesting program for both juniors and adults has been arranged which includes demonstrations on selecting show prospects, grooming and showing Herefords, and mixing feed for show cattle. Recognized authorities in each of these fields will be on hand to give technical information on the above subjects.

"We are expecting a large crowd, as enthusiasm in the Oregon Junior Hereford Association has been running high since it was organized one year ago at a field day held at the Hudspeth Ranch," according to Bryan Wolfe, Wallowa, president. Membership in the association is open to any Oregon boy or girl under 21 who owns Hereford breeding cattle or steers, either purebred or commercial. A five dollar membership fee is good until age 21.

Officials who have been serving the new junior association in its first year and will be actively helping with the field day program are Bryan Wolfe, Wallowa, president; Gordon Eakin, Condon, first vice president; Mike Wagenblast, The Dalles, second vice president; Margaret Marks, Fossil, secretary; David Pittock, Applegate, treasurer; Dale Miller, Grants Pass, reporter; Steve Wolfe, Wallowa, director; Bill Jordan, Redmond, director; Joe Monahan, Condon, director; and Charlese Gavin, county agent, La Grande, adviser.

Graduation Exercises Scheduled For Paisley, Rural Lake Schools

LAKEVIEW — Graduation exercises for eighth grade students in the rural schools and the Paisley High School in the county are being carried on this week and will close on June 4, according to Mrs. Anne Sprague, County school superintendent.

At Plush one eighth grader, Gordon Grisel, was graduated May 31.

On May 28 a combined commencement program was held at Silver Lake for the seven eighth grades of three schools in the north end of the county, Silver Lake, Fort Rock and Ana River. Finishing at Silver Lake were Mike Steven Corum, Ronald Clarence Markus, John H. Sphar and Joey Adams; at Fort Rock, Ronald Frank Judd and Steven Sam Boatright; Ana River, Douglas Clark.

The largest eighth grade class in the county, outside of Lakeview, held commencement Wednesday night, May 29, at Union District. The eleven students were Theresa Ann Albertson, Robert E. Davis, Pamela Farnam, Sandra Lee Hall, Frank Nelson, Richard O'Connor, Ronald Richard Theal, Gary Short, Chris Ray Thompson, Merrie Jo Wyman and Vergie Vancil.

Baccalaureate services for the nine high school seniors at Paisley are scheduled for Sunday, June 2, with the Rev. Hal Hargreaves of St. Luke's Episcopal Church in Lakeview giving the sermon. Speaker for the commencement on Tuesday evening, June 4, is Robert C. deRosier, associate professor of Allied Arts and Sciences at Oregon Technical Institute, Klamath Falls. The eighth grade program is combined with the high school. The seniors include Richard Bradbury, Carolyn Forga, Terry Ann Foster, Joy Emery, Linda Pennington, Robert Rosebrook, Dell Swearingen, Steve Wirch and Delores Young. Eighth grade diplomas will be given to Ariel Brattain, Rick DeLarm, Cathy Dooley, Joyce Elaine Foster, Jordan Ernest Green, Sherry Ann LaFranchi, Charles Lambert McDaniel, Dee Earl Swearingen, and Mark R. Weaver.

The final eighth grade exercises for the Kelly Creek District will be held this year as the district will combine with Lakeview after this year. The two students in the Tuesday evening, June 4, program are Rocky Nix and David Thompson.

Radar Beams Bounced Off Hot Planet

PASADENA, Calif. (UPI)—Radar signals have been successfully bounced off the planet Mercury — 60.5 million miles from earth.

Scientists at the California Institute of Technology Jet Propulsion Laboratory (JPL) said the signals, traveling at the speed of light, took only 11 minutes to make the roundtrip to the smallest and hottest planet in the solar system.

Robertson Stevens and Walter K. Victor, co-directors of the experiment, said the first contact was made with Mercury May 6 when the planet was approaching its closest proximity to the earth.

The scientists said a preliminary analysis of the signal patterns indicates Mercury has a rougher surface than either Venus or Mars, but appears to have a surface reflectivity that is about the same as the moon.

JPL has successfully made radar contact with two other planets in the past—Venus in 1961 and 1962 and Mars last February.

Roping, Racing Events Added To Queen Trials

LAKEVIEW—Jackpot team roping and girls' barrel racing have been added to the program for the afternoon of Saturday, June 8, at the Lake County Fairgrounds when the 11 girls who are running for the roundup court will be judged for their horsemanship ability. Activities will begin at 1 p.m.

Cook Laird has taken over the job as chairman of the queen selection committee for the chamber of commerce. The Lake County Roping Club will furnish the stock for the events. Bob Alger will be master of ceremonies for the queen selection events and Buck Moser for the arena events. The Roping Club, with Marcus Partin as president, will run the roping and barrel racing, and the Lake County Roundup Association will direct the tryouts of the girls.

Judgment of the girls on personality will be at a dinner later that evening, at which time three girls will be selected by the judges. Brunel Christensen of Likely, Calif., Dave Campbell of Bly, and Bob Hunt of Klamath Falls. The selection of the queen from these three will be made at the dance later in the evening at the exhibit building, on the basis of the girl who garners the most dance tickets.

Ted O'Connor is president of the Roundup Association this year; Ed Garrett, vice president; Pat Cosgrove, treasurer, and Chick Chaloupka, secretary. Directors are Don Hotchkiss, Walt Leehmann Jr., Ernie Messner, Marcus Partin, Louis (Red) Withers, Marvin Butler, Erwin Abramson, Glenn Harvey, Pete Johnson, Bob Howard, Barry Taylor, John Dick, Mearle Leehmann, Ben Vernon, George Carlon, Bill Messner and Lane Thornton.

WE WANT CLOTHES!

OTI Circle "K" Club needs clothes for their Rummage Sale, Saturday, June 1. Anybody wishing to donate, please call TU 2-2431 after 5:30 for pickup.

Tiros Satellite Seen To Photograph All Earth

NEW YORK (UPI) — A Tiros weather satellite capable of photographing the earth's entire surface at least daily will be put into orbit sometime next year, according to plans announced on Wednesday by the National Aeronautics and Space Agency.

The hatbox - shaped satellite would roll on its side in a wheeling polar orbit and photograph 500,000 square miles of earth and cloud cover every 30 seconds with two cameras.

The photographs will be stored on tape for transmission when the satellite passes within range of ground stations.

Six Tiros have been orbited successfully since 1960, and have transmitted more than 230,000 pictures of cloud cover, storms, snow and ice conditions and other meteorological information.

The only "weather eye" still functioning is limited in its picture-taking because it never changes position in space. Therefore, its camera lens is facing away from the earth much of the time.

A Tahitian barbershop provides guitars rather than magazines so customers can play while waiting.

Herald and News

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media.

Don't you read before you buy?

Most people generally do.

Not only do they read; they cut out and show ads to their family and friends; they clip coupons for information and samples.

When people see an advertisement *in print*, they can compare designs . . . features . . . and prices of nationally known products and services. (And people *do* compare before they buy.)

Advertising in print is a handy thing. You can always check back: the message is still there even if your attention is distracted.

When you add it up, print advertising—the kind you read in this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales.
