

City Parks, Recreation Facilities Readied For Extensive Summer Schedule

This is the third and final article in a series on the Klamath Falls Parks and Recreation Department, its summer schedule and facilities. The first in the series dealt with the summer schedule of activities and the second story outlined the offerings at the municipal pool.

Today's story will cover the city parks and facilities. Included will be a discussion on regional parks, playgrounds, landscaped parks, special recreation areas and baseball fields.

There are 15 recreation facilities or parks in Klamath Falls maintained for the public's use by the Parks and Recreation Department. In addition, the city owns three sites which will eventually be developed.

Moore Park, the biggest, covers 435 acres along Lakeshore Drive and is considered a community or regional park. The park contains play apparatus, restrooms, a concession stand, wading pool, horseshoe courts, softball field, sledding area, ice rink, archery range, day camp area, view points, picnic area, boat launch, tennis court, gingerbread house and zoo.

Other attractions at Moore Park are three miles of paved interior

roads, hiking trails, nature area and bird sanctuary.

The department also maintains five neighborhood park playgrounds. Conger Park consists of 10.5 acres located adjacent to Conger School at the corner of Delta and Siskiyou streets.

The park contains baseball and softball fields, a newly constructed restroom-storage building and a large turf play area. Fairview Park, 3.2 acres, is located at the corner of Worden and Addison streets and contains a restroom-storage building, play apparatus, ball field and turf play areas.

Located on U.S. 97 between Manzanita and Painter streets is 9.1 acre Kiwanis Kit Carson Park containing play apparatus, tennis courts, turf play area, and ball fields under construction.

The Kiwanis Park in the Mills Addition comprises 2.5 acres at the corner of Division Street and Reclamation Avenue. Along with

the play apparatus, ball fields, restroom and turf play areas common in most of the parks, this park has a wading pool and hard surfaced basketball court.

The fifth neighborhood park is 4.8-acre Veterans Memorial Park located at the corner of Main and Center streets. It contains a restroom-storage building, outdoor electric kitchen, picnic area, play apparatus, and turf play areas. Five smaller landscaped parks

Fire Missile

VANDENBERG AFB, Calif. (UPI) — The Air Force successfully launched an Atlas E intercontinental ballistic missile Tuesday in an evaluation of the overall weapons system.

The 12-foot missile was raised from its concrete bunker seconds before being fired on a 4,000-mile test flight to a predetermined target area in the Pacific Ocean.
