CURLING MAKES THE DIFFERENCE!

ORDINARY

SUNBEAM

softer...
fresher...
more flavorful

Here's the Tenderly Curled loaf ready for the oven. An extra step in baking gives the familiar fine Sunbeam recipe a final curling flip to squeeze out air pockets.

Ordinary uncured slice at left lets air pass through to speed staling and drying out. The curled slice has finer, smoother texture, with no holes to let air rob flavor.

Tenderly Curled Sunbeam
