

FINAL JOURNEY—The body of Pope John XXIII is carried in state through a crowd of thousands in St. Peter's Square, Vatican City. The body was taken in procession

from Vatican Palace to St. Peter's Basilica, where it lay in state for the public to see. —UPI Telephoto

Livestock Show Opens; Concludes Friday Eve

ALTURAS—The 13th annual Junior Livestock Show opened Wednesday afternoon with the 4-H horsemanship and showmanship classes. The show will last through Friday evening, climaxed by the Alturas Rotary Club barbecue and Junior Livestock fat stock sale.

Wednesday evening the senior

Dorris Lions Set Barbecue For June 9

DORRIS—Plans have been completed for the fifth annual barbecue sponsored by the Dorris Lions Club, according to John O. Hines, president. He said 750 pounds of prime beef have been donated by John Barsons of Red Rock.

The barbecue, billed as an "all you can eat" affair, is scheduled June 9 at the Dorris City Park. Beginning at 1 p.m., the cost will be \$1 per person.

A full afternoon of activities has been programmed, including an exhibition square dance by grade school students and a horseshoe pitching contest. Trophies will be awarded to the winners of both events.

At 3 p.m. there will be a baseball game featuring the Butte Valley Babe Ruth team against the Klamath Falls Pacific Supply team. The barbecue will also offer live music and complete park facilities for children.

Last year the affair drew more than 700 people, and Hines said an even larger attendance is expected this year.

Clinic Set At Lakeview

LAKEVIEW—Plans are well under way for the preschool hearing clinic to be held June 11 under the sponsorship of the Lake County Health Department, with the assistance of the Alpha Xi Chapter of Beta Sigma Phi sorority.

The clinic will be held in the J. T. McDonald Kindergarten building between the hours of 9 a.m. and 12 noon. Duane Anderson, hearing supervisor for the Maternal and Child Health Section of the Oregon State Board of Health, will be here with a team of two audiometrists.

Mrs. James E. Sammons is general chairman for the sorority, and Mrs. Don Blood will assist with the clinic. Also assisting will be Mrs. Bud Reynolds, president of Alpha Xi Chapter, and Mrs. Pierce Morin.

Anyone who has children between the ages of 2 and 5 may arrange for a hearing test for them by contacting the local health department at Whitehall 7-2271 for an appointment, according to Mrs. Ruth McKinney, county health nurse.

SPURN CASTRO OFFER

WASHINGTON (UPI)—An offer by Cuban Premier Fidel Castro to "normalize" relations with the United States on his own terms got a cold reception Wednesday at the State Department.

Castro said diplomatic relations could be resumed if the United States would end its demands that Cuba break its ties with communism.

"Communism in this hemisphere is not negotiable," said Lincoln White, State Department press officer, in commenting on the Castro broadcast.

Dunsmuir Men Appointed To City Plan Commission

DUNSMUIR—Dr. Russell Elgin, dentist, and Cam Sirianni, Southern Pacific clerk, were appointed to the Dunsmuir Planning Commission by the city council Monday night.

The appointments will fill vacancies caused by the resignations of Jay Smith and George Beckman.

A request by Bob Dewey, chairman of the commission, for a planning budget of \$2,250 for 1963-64 was deferred by the council. This figure exceeds estimated available funds for planning purposes by \$704, Elizabeth Cavin, city clerk, told the council.

Dewey mentioned the possibility of a two mill planning tax to cover commission needs when the tax rate is set later in the summer.

The council decided against further upgrading of the city street light system as too costly and also deferred approval of a blacktop surface for the ballpark parking lot. These were two recommendations made by the student government council. The blacktop project would cost an estimated \$1,200, and it may be undertaken if recreation district funds can help offset the cost, Councilman Claude Slade said.

City Attorney Howard Jones stated endorsement was sought from the council on Assembly Bill No. 1491 which would enable general law cities to levy motel occupancy taxes. The council members present, Claude Slade, Floyd Creason, and David McClintock, opposed the measure as an annoyance and nuisance.

PAPER PILE

NEW YORK (UPI)—Tonnage produced each year by 3,211 pulp, paper and allied products manufacturers is greater than the tonnage of automobiles turned out in the United States, according to American Forest Products Industries.

Providing awards for breeding animals are the Modoc County Cattlemen's Association, Modoc-Lassen Wool Growers, Modoc County Farm Bureau, Kitty Rice, Bob Barnett, California Hereford Association, Western States Angus Auxiliary, Alturas Rotary Club Follies, and the California Shorthorn Association.

The Bank of America, Alturas branch, will furnish the round robin showmanship trophy and will also arrange for the advancement of funds so the members can receive immediate payment for their sale stock.

Aaron Stockton of the Orland Auction Yards will auction the 30 steers, 30 lambs, and 20 hogs at the Friday evening sale.

Bank Officers At Opening Of New Branch

LAKEVIEW—A total of 3,300 persons visited the Lakeview branch of the U.S. National Bank on its opening day, May 31, for a very satisfactory turnout, according to C. J. Croghan, manager. Bank dignitaries here to assist in the opening were Roy L. Orem, senior vice president; M. J. Farrell, cashier from the head office in Portland, and John J. Oliverio, assistant vice president from Portland.

An indication of the local interest was noted in the amount of refreshments served. They included 40 gallons of coffee, 70 gallons of punch, 85 dozen doughnuts, and 200,000 cookies. Each youngster also received a balloon.

There were 44 winners among those who used their keys to the treasure chest opening.

In addition to Croghan and Lee R. Lennie, assistant manager, the bank's staff consists of Mrs. Helen Porter, note and collection teller; Janet Stephens, teller and bookkeeper; Sheila Croghan, stenographer; and Jerold Steward, junior trainee.

State Hospital Escapee Found

An escapee from the Oregon State Hospital in Salem walked into the Klamath Falls Police Station about 6 p.m. Tuesday and told the desk sergeant in charge he was voluntarily turning himself in to authorities.

The man, Jack R. Bryans, Albany, said he left the hospital the previous evening because he wanted to go home. He said, however, that after he called his brother he was convinced that it would be better to give himself up voluntarily before he was apprehended.

Bryans apparently will be returned to the hospital shortly.
