Local Youths Selected To Appear At Salt Lake City Dance Festival

Nine youths from the Klamath Falls Church of Jesus Christ of Latter-day Saints danced their way to a coveted position on the international LDS Dance Festival program, slated June 14-15 in Salt Lake City.

Every two years the LDS Church sponsors a church-wide Dance Festival during the month of June, which draws more than 7,000 dancers from all parts of the world. Adept in all forms of fancy footwork from the tango to the scottish, the dancers receive instructions throughout the year at their individual home churches.

To be eligible for the big festival, the young people first have to demonstrate their skills at a Stake Festival, a regional competition held prior to the Salt Lake City exhibition. Each Stake is allowed to select 26 of its most outstanding dancers for the honor.

Twenty-five youths from the First and Second Wards participated in the recent Klamath Stake Festival held in Medford. They competed with dancers from Medford, Ashland, Grants Pass, Lakeview, and several smaller towns in the Stake area.

The local teens who danced off with nine of the 26 first place spots in the preliminary contest were Dean Cathey, Bob Phair, Brent Lake, Larry Elderkin, Jerilyn Peacock, Susan Pippin, Karen Bleak, Janice Humphries, and Sharon Templeton.

In addition to the winners, the Klamath Falls group, included Ellen Veatch, Jim Brown, Carolyn Cathey, Karen Kiser, Dennis Starr, Cynthia Catmull, Steve Humphries, Ruth Spani, Mike Clark, Donna Baker, Carolyn Templeton, Vicki Brown, JoAnne Phair, Gabriele Fiedler, Vicki Lake, and Patti White.

Wednesday for Salt Lake City and will perform Friday and Saturday nights. They were accompanied by their chaperones and dance instructors, Mr. and Mrs. Carol M. Cathey and Ellen Veatch.

For the past several months, the youth group has been busy staging various fund-raising events to earn money for travel fare and lodging expenses. Baked food sales, candy sales, car washes, and a carnival at the church have boosted the trip treasury.

In addition to earning money, the teens have also spent many hours practicing and polishing their specialty dances. At the Dance Festival they will execute several intricate ballroom numbers including the waltz, fox trot, tango, and threesome. The threesome is performed by a team of a boy and two girls dancing the cha cha, scottish, and swing step.

The Dance Festival held by the Mormon Church is the only one of its kind in the world. Tra-

Catholic Teen Group Tours Religious Shrines

Twenty-five Confraternity of Christian Doctrine members from Klamath Union High School boarded a chartered bus this morning to tour the religious shrines of Oregon, returning the evening of June 17.

The four-day jaunt will include a visit to the Mt. Angel Abbey, the Grotto, and the New Sentinel Building and Chancery offices where they will have an audience with Archbishop Edward D. Howard, D.D.

Another highlight of the trip will be a tour of the state capital and a meeting with Gov. Mark Hatfield.

In Portland, the teen-age group

will have an opportunity to view the Rose Festival Parade and visit the Portland Zoo, Lloyd's Center and the International Airport. Another item on the agenda is a tour of Navy ships docked at Portland, and if possible, lunch on board one of the vessels.

The idea of the tour was originally only a passing thought of James J. O'Donnell, ninth and tenth grade instructor of the Klamath Falls CCD. He remarked that an overnight visit to the grotto might be a good incentive to the students, and the remark grew through enthusiasm, hard work, and determination on the part of the members, into the four-day grand tour.

The students worked to earn part of the finances for the trip, and with the assistance of Msgr. T. P. Casey of Sacred Heart, Rev. George Murphy of St. Pius X and other friends of the Catholic youth organization, concrete plans were made.

Serving as chaperones for the tour are O'Donnell, adviser, and Mrs. Mary Oldham, Mrs. Jan Derrah, John Novak, and Mrs. Jan Heimann.

While in the Portland area, the
