4 County Jails Graded Low

The Klamath County Juvenile Home and the jails at the Klamath Falls Police Station and the Sheriff's Office are in excellent condition, the jails at Chiloquin and Malin have been rated "good," but four others elsewhere in the county have a rating from fair to poor, according to a report received by Circuit Court Judge Donald A. W. Piper from the Klamath County Grand Jury.

Here's how the grand jury rated the juvenile home and jails within the county:

Crescent, poor. The blankets, mattresses and toilets are dirty.

Chiloquin, good. Blankets and mattress covers on all beds were clean, as were toilets and wash basins.

Bly, fair. The jail has only been used twice since July, 1962 (no other comment).

Bonanza, poor. The blankets and interior of the building were "very dirty."

Malin, good. Mattresses had covers and the covers and blankets "looked clean."

Merrill, poor. This jail is "uninhabitable. It was very dirty inside and the oil stove leaks oil in the jail."

Klamath Falls and the Klamath County Jail and the Juvenile Home, all excellent and very clean.

All of the jails had been freshly painted prior to the inspection by the grand jury, the report stated.

Communists Denounced

VIENTIANE (UPI) — Neutralist Commander Gen. Kong Le today sharply denounced Communist North Viet Nam for supplying arms and men to pro-Communist Pathet Lao troops.

Kong Le charged in a statement that North Viet Nam violated Laotian sovereignty by making flights over Laos soil and supplying arms and men to the Pathet Lao without informing neutralist Premier Prince Souvanna Phouma.

He accused North Viet Nam of maneuvering to turn Laos into "a new type of colony."

Kong Le's statement contained a list of North Vietnamese assistance to the Pathet Lao units and said the "international Communist imperialists" are interfering in the internal affairs of his country.

House Extends Taxes 1 Year

WASHINGTON (UPI) — The House has agreed to extend for another year federal taxes on corporations and such consumer items as new cars, liquor, beer and cigarettes.

The legislation, requested by President Kennedy, now goes to the Senate which undoubtedly will enact it before the July deadline. It must be signed into law within 17 days to avoid loss of revenue when the present law expires.

The bill would extend for another year "temporary" tax increases levied in 1951 to help finance the Korean War. These taxes have been extended on a year-to-year basis ever since and presently earn $4.2 billion in federal revenues.

Warning Issued Against Drug

WASHINGTON (UPI) — Doctors, hospitals and drug wholesalers have been asked to stop issuing Renacidin, a drug used to treat urinary tract ailments.

The Federal Drug Administration (FDA) issued the warning Thursday because it said "the safety of the drug is questioned by a number of doctors who have used the product."

The FDA said the drug's manufacturer, Guardian Chemical Corp., Long Island City, N.Y., was recalling the product at the government's request.

4-4 Trumps Big Aid

By OSWALD JACOBY
Newspaper Enterprise Assn.

The greatest advantage of the four-four trump fit is that you can usually afford to ruff in either hand without hurting yourself. Then, if your trumps are solid you will wind up with five trump tricks instead of four. Similarly, if you ruff twice in one hand you have added two tricks to your potential.

South might have tried to get to seven after his partner jumped to four spades, but South reasoned that while he had first round control of every suit he only held 16 high card points and that North had been willing to settle for game. On the other hand, six looked like a good gamble and South wasted no time bidding the small slam. It all happened at the Southeastern championships in Miami.

South made his slam as easily as he had bid it. He won the diamond opening in dummy, drew trumps with three leads, led a low heart from dummy and ruffed it, led a club to dummy's king, discarded a diamond on dummy's last trump and led out the club suit. The defense made a diamond trick at the end.

The game was duplicate and South might just as well have made an overtrick. All he had to do was to remember that two ruffs in his own hand would give him six trump tricks. He should ruff a heart at trick two, lead a trump to dummy, ruff another heart and then run out dummy's trumps. This would allow him to discard two diamonds instead of one and give him all 13 tricks.

SKINS SIGN TWO

WASHINGTON (UPI) — The Washington Redskins can only hope to do as well on the playing field as they have done in the off-season.

The signings Wednesday of offensive end John Greiner of Purdue and defensive tackle Joe Baughan of Auburn gave the National Football League club a record of 12 successes among their top 15 draft selections. The Skins also signed their first five picks.
