

Thurmond Urges Nuclear Tests By U.S. Continue

WASHINGTON (UPI)—Sen. Strom Thurmond, D-S.C., attacking President Kennedy's plea for a Soviet policy of "mutual tolerance," moved today to put the Senate on record in favor of continued nuclear tests in the atmosphere.

The one-time Dixiecrat candidate for President offered a resolution calling for suspension of negotiations for an end of nuclear testing "until a new series of nuclear tests have been completed by the United States."

Thurmond's prepared Senate speech was a point-by-point assault on the President's American University commencement address of Monday. In it Kennedy proposed a "strategy of peace" to lead this country and Russia out of the "vicious and dangerous cycle" of the cold war.

Thurmond denounced both Kennedy's language and his announcement that a high-level U.S.-British-Soviet conference on nuclear testing would be held soon in Moscow. He said the address reflects the principles of what the senator termed an "infamous and illusive" foreign policy paper which he attributed to Walt W. Rostow, State Department policy planning chief.

Driver Has Close Call

BLY—John Kaiser narrowly escaped being crushed Saturday when his car rolled down an incline behind his Bly home, pushing him against the back door.

Kaiser, with his young son, Rusty, had just parked the car when the incident occurred. Noticing the rear view mirror loose, Kaiser said he set the brake and started into the house for a screwdriver, leaving his son in the car. He then heard his son scream and turned to see the car rolling down the stairs and across the yard toward him.

He said he thought his son was being dragged and tried to hold the car with his hands, but his momentum shoved him against the back door of the house. The door was slightly open, and Kaiser fell inside, breaking his left foot which was trapped between the car and the step.

Rusty escaped injury and Kaiser has returned to his job with the forest service.

HELP WANTED

NEW YORK (UPI)—The West German government has offered to help American college students find summer employment in the labor-short European country. The pay ranges from 45 cents to 70 cents an hour, mostly for unskilled farm and construction jobs.

Northern Liberal Defends President's Civil Rights Plan; Raps Southern Senator's Charge Of Step Toward Communism

WASHINGTON (UPI)—A northern liberal today hotly defended President Kennedy's civil rights program against a southern senator's charge that it was a "step in the direction" of communism.

"Surely most Americans agree that an American citizen in the uniform of his country can expect to be served a cup of coffee," said Sen. Philip A. Hart, D-Mich. "I just don't equate that with socialism."

Hart was defending Kennedy's television appeal to the nation for support of civil rights against Sen. Richard D. Russell, D-Ga., leader of the southern bloc.

Hart told a reporter that "like

most Americans... I was proud of his courage and moved by his plea." He said Kennedy's voice was "the voice of American aspiration wholly consistent with the democratic system."

Russell, with tacit approval of southern colleagues who met with him for 90 minutes, accused Kennedy of "using threats of mass violence" to pressure his civil rights program through Congress.

He said he was "shocked" at

the President's Tuesday night television address to the nation. He promised to oppose the administration program with "every means and resource at my command."

Russell's attack drew from Hart, sponsor of civil rights legislation of his own, a counterpromise of "wholehearted support" for the administration civil rights package, expected next week.

Russell charged that using federal authority to end segregation in private business establishments "creates a new and special right for Negroes in derogation of the property rights of all of our people."

"I do not believe that the American people will be easily frightened into discarding our system for adventures into socialism that have been discredited wherever tried," Russell said.

He said the major distinction between a free government and a "socialistic or communistic state" is the right to own and control property.

Asked if he was saying that the

Kennedy civil rights proposal on equal access to facilities was "communist," Russell replied: "It's a step in that direction."

206 Horse Club Members Take Training Program

LAKEVIEW—Les Marks, Wheeler County extension agent, spent three days in Lake County last week visiting 11 organized 4-H horse clubs. A total of 206 members, leaders, and parents were reached through the training program.

Training objectives this year, according to John Kiesow, extension agent, were to demonstrate and teach the 4-H horsemanship pattern and to give detailed help on basic horsemanship. He pointed out that the 1963 pre-fair horse activities will include showmanship for the first time. All members in both showmanship and horsemanship will be working for ribbon awards this year.

A county-wide 4-H horse play day will be held Sunday, Aug. 4, at the county fairgrounds. The pre-county fair judging tour will be held Aug. 13-15, with Bill Farrell, Grant County extension agent, serving as official judge. The final horse placings will be made on the evening of Aug. 30, and the top winner in each age group will receive trophies.

Robert L. Weir Jr. is serving as chairman of the 4-H horsemanship activities for the 1963 program.

Final Rites Saturday

Funeral services will be held at 9:30 a.m. Saturday, June 15, from St. Pius X Catholic Church for Mrs. Mabel Hargrave, 75, who died June 11 at Hillside Hospital following a year's illness. The rosary will be recited Friday night at 8 p.m. in the church. Final rites and interment will be in Eternal Hills Memorial Gardens. Ward's Klamath Funeral Home is in charge.

Mrs. Hargrave was a native of Erinville, Ontario, Canada, born Jan. 25, 1888. She came to Klamath Falls with her husband Harry in 1918, and Mr. Hargrave, who survives, was superintendent of Ewauna Box for 32 years.

Survivors are the widower, Harry, this city; one son, Lloyd Hargrave, two daughters, Lenora Hargrave and Mrs. Eileen Bennett, Klamath Falls; three sisters and two brothers, living elsewhere.

Police Chief Attends Meet

City Police Chief Charles Howard left for Spokane Tuesday to attend a National Academy Association's annual area convention June 13, 14 and 15.

Howard, who is a graduate of the FBI Academy School in Washington D.C., said that the FBI sponsors the area conventions of its graduates primarily to review new crime prevention methods.
