## June is Dairy Month

## June's Best Buys Begin Right Here - On Local Klamath Basin Dairies

During June . . . when lush green pastures are at their finest . . . Dairy Foods are at their finest too! Full of flavorful natural goodness, power-packed with energy . . . fresh and ready dairy foods mean a lot of good eating, brought to us, thanks to our dairy farmers. We thank them, too, for the outstanding part they play in community growth and development. And we welcome the opportunity to serve you the year round.

## Put Dairy Foods On Your Table - Tonight!

Nothing beats the flavor, the freshness, the downright goodness of nature-perfect dairy foods! They make the big difference in any menu. They're power-packed with the energy you need to carry you through long hours and busy schedules without a let-down. So keep the glow of good health with delicious dairy foods — refreshing milk, tangy cheeses, rich cream, and country fresh butter. Serve Dairy Foods Often — they're fresh and ready!
