Training Now Increased To 18 Months

WASHINGTON (UPI) — The House Armed Services Committee today unanimously approved a major revamping of the so-called six-month military training program and extended the maximum service to 18 months.

The legislation, a result of a lengthy inquiry into manpower problems during the call-up of reservists in the Berlin crisis, also would make the program permanent. The present law expires Aug. 1.

As it now stands, such trainees now serve from four to six months on active duty before returning home to their reserve units.

Under the proposed new program, they could be kept on active duty for up to 18 months to learn more difficult military skills.

Youth Injured As Car Rolls

A 16-year-old Klamath Falls youth received a leg and possible hip injury when he tried to jump into his rolling car after he and a friend started pushing the vehicle down a Darrow Street hill.

Rodger D. Shumate, 2510 Darrow, is in satisfactory condition at Klamath Valley Hospital, according to reports.

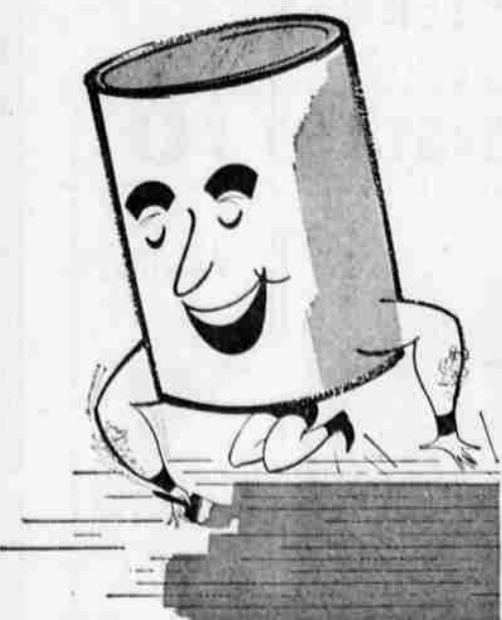

The youth was not able to get into his vehicle and it received moderate damage when it crashed into a fence at 2422 Darrow, causing only minor damage to the fence.

Shumate's leg got caught in the car door and he was jerked to the pavement by the car's momentum, according to the police report. He was given first aid by Felix Peace and taken to Klamath Valley by Peace Ambulance.

WORD'S ORIGIN

Original meaning of the word "plumber" was "lead worker." It is derived from the Latin "plumbum" for lead. Nearly all early sinks had lead pipes and thus the name "plumber" arose.

John Cabot discovered Canada in 1497.

JFK To Make Two West Germany Stops

WASHINGTON (UPI) — President Kennedy will make two stops at the Berlin wall during his visit to West Germany, the White House said today.

The White House also said Kennedy will hold a news conference in Bonn, West Germany, and will make no change in his plans to visit Italy, despite the deepening governmental crisis in Italy.

The President will leave here aboard his Air Force fan jet transport plane at 9:30 p.m. Saturday and arrive at 9:50 a.m.

German time, at the Wahn Airport which serves Bonn and Cologne.

This will be the first leg of a ten-day trip which will include visits to Germany, Italy, Ireland, and a one-day stopover in England for talks with Prime Minister Harold Macmillan.

Kennedy is scheduled to arrive back in Washington July 2.

Kennedy's inspection of the Berlin wall is expected to include a motor-tour, plus stops at Brandenburg gate and at Checkpoint Charlie, the transit point between West Berlin and Communist East Berlin.
