

# Broken Leg Can't Stop Cowboy In Team Roping

ALTURAS — Breaking a leg didn't stop Neal Grohs of Klamath Falls and his partner, Stan Johnson, from winning the silver buckle for team roping at the 18th annual Likely Rodeo Sunday, June 16.

Grohs' leg was crushed under his horse when the horse fell on him in the arena. The horse spun after Grohs had headed his steer and Johnson had caught the heels. In spinning to face the steer, the horse slipped and fell to the ground. In spite of the fall, the team placed fourth in the day money Sunday. On Saturday, Grohs and Johnson placed second in the team roping. They had a 19 second two-steer average.

All-around cowboy honors went to Bud Price of Ravendale, Sis Holloway, Lakeview, won the silver buckle for the barrel race, and her husband, Ken, won the silver buckle in the bronc riding event. Lloyd Harness of Anderson won the calf roping buckle and Melvin Hoy from eastern Oregon, the bull riding buckle. The bareback trophy was won by an Idaho cowboy, Jerome Young.

# Goldwater, Rockefeller Backers Competing

DENVER (UPI) — Goldwater and Rockefeller agents competed in a soft-sell search for support among Republican leaders today during a three-day meeting of the GOP National Committee and the party's state chairmen.

Supporters of both Gov. Nelson A. Rockefeller of New York and Sen. Barry Goldwater of Arizona

for the 1964 presidential nomination were conspicuously active at this early summer Republican gathering on the fringe of the Rocky Mountains.

The national committee was opening a two-day meeting today with a round of talks scheduled to end Saturday with formal selection of the site for the 1964

national convention. Although the committee named to recommend the city deferred a final vote until Saturday morning, San Francisco was reported to be virtually assured of getting the nod over Chicago.

The state chairmen, many of them members of the national committee, held an all day closed

workshop meeting Thursday to discuss ways of strengthening the party organization for 1964.

In private talks outside the conference rooms, Goldwater backers were obviously cheered by re-

cent evidence of an upsurge in support for their conservative hero. This spurt has been indicated by public opinion polls since Rockefeller's remarriage early last month.

## RETAIN IMPORT LIMIT

WASHINGTON (UPI) — The House has approved an administration bill to retain for two more years the \$100 duty-free limit on foreign goods brought into the United States by American tourists.

By a voice vote Thursday, the House passed legislation to prevent the duty-free allowance from rising to \$500 on July 1. The Senate is expected to complete action on the bill before the deadline.
