The sweater retrieved from where it was tossed,  
 Along with a missing book of French,  
 Dad's voice now cries for his monkey wrench.  
 So the one-girl searching party goes  
 To point it out to him under his nose.

For they're all good losers who couldn't be blinder,  
 And Mom's the official family finder.  
 And hunting for things, she's willing to bet  
 The finder will need a keeper yet!

The test pilot was strapped inside the Air Force's newest rocket plane. From the radio tower came the check of all the intricate controls that would hurl the experimental aircraft through the edge of space.

Finally the check was completed and the control tower asked: "That's it. Anything bothering you?"

"Yes," the test pilot replied softly. "I just wish all this wasn't put together by the lowest bidder."

The second-grade teacher was amazed one morning when a small boy who was not among her better students raised his hand when she asked this question: "Can anybody tell me where Houston is?"

Nodding to the youngster, she said, "All right, you may answer the question."

"Houston," replied the boy proudly, "is playing in Los Angeles tonight, but tomorrow I don't know where they'll be."

*My baby looks like the Gerber baby—*

#### Bringing Up Baby®

Hints Collected  
 by Mrs. Dan Gerber,  
 Mother of 5

Of all the warm and wonderful words, written by warm and wonderful mothers, none please me more than these: "My baby looks like the Gerber Baby." Because I like to think the Gerber Baby has a special something that belongs to all babies who are loved. It lights up their eyes. It sings out in their shining faces. It speaks softly of inner security... proof positive of a happy heart.

Yes, love is the strong song, managing miracles nothing else can. When you love a baby you wrap him in a smile that will warm him a whole life through.

Mothers often write to ask if the Gerber Baby is a boy baby or a girl baby. Well, our little charmer was conceived not as

a he or she, but a representative baby... the beautiful kind all mothers have.

When the Gerber Baby first appeared in Gerber advertisements over 30 years ago, mothers by the score began writing for reprints of the little sketch. (Matter of fact, the very popularity of the picture prompted the decision to use the baby as the Gerber trademark.) If you would like a print suitable for framing, just send 10¢, to cover costs, to: Gerber Baby Foods, Dept. 806-3, Fremont, Michigan.

Today, the Gerber Baby is more than just a famous trademark. It has become the symbol of the specialists who devote all their energies to the most important people... your baby and all babies. Their efforts are never-ending in behalf of better infant nutrition. From research, all through processing and final packing, the people who prepare your baby's food look upon the Gerber Baby as their special representative for Gerber quality.

**Important:** Gerber prepares over 100 baby foods—cereals, strained and junior—to meet your baby's nutritional needs. We're proud to say: "BABIES ARE OUR BUSINESS... OUR ONLY BUSINESS!"®
