

Goldwater Camp Sets Up Office

WASHINGTON (UPI) — While supporters of other Republican presidential hopefuls are hiding their time Goldwater boosters are actively in business.

The National Draft Goldwater Committee has set up headquarters a few blocks from the White House and it already has more political bustle about it than the GOP and Democratic National Committee offices combined.

If Sen. Barry Goldwater, R-Ariz., should drop by—and he hasn't so far—he would see a glamorous life-size picture of himself dressed in his Air Force flying togs.

Beneath the photograph at the entrance of the headquarters is a desk with a sweet voiced receptionist who greets telephone callers with: "Good morning—Draft for Goldwater."

On her desk are draft petitions for the senator which ask for a one dollar contribution; brochures on "How Goldwater Will Win the Presidency" and pocket book copies of "Conscience of a Conservative" written by the Arizona senator.

Callers can also dip into large vases for a Goldwater button with the senator's picture and the slogan "Goldwater in '64." Above them, signs on the walls read: "America Can't Wait—68's Too Late," and "We Have Not Yet Begun to Fight."

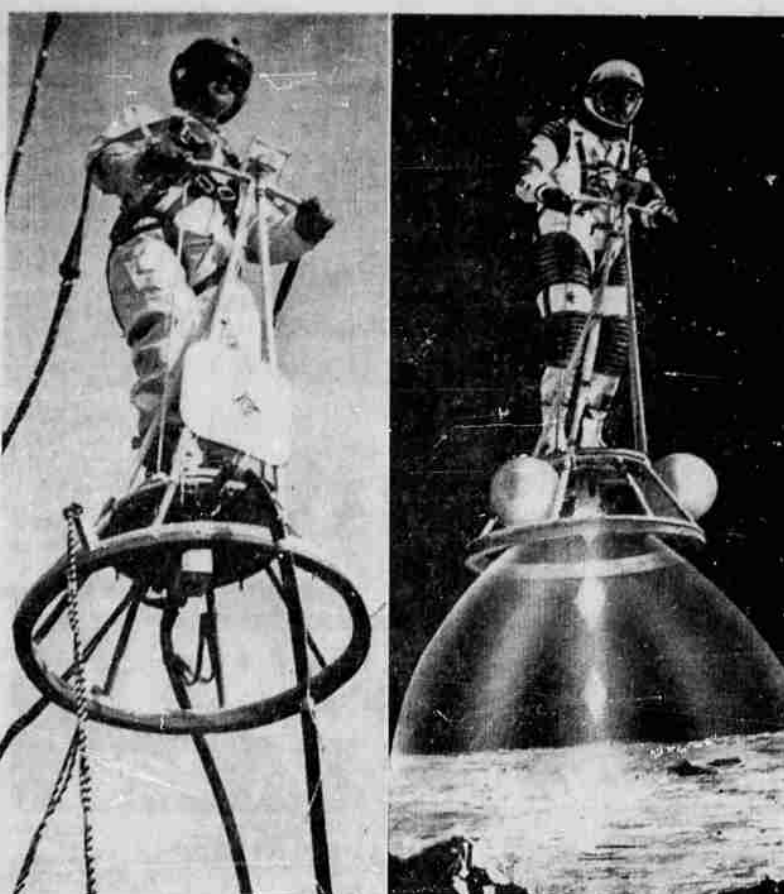

The headquarters was set up June 10 by Texas Republican state Chairman Peter O'Donnell Jr., and Indiana National Committeewoman Mrs. Jane Harrington to whip up grass roots support for their candidate.

The attention at headquarters is focused mainly on the mammoth draft Goldwater rally to be held at the National Guard Armory here on July 4.

Goldwater will not attend. Speaking in his behalf will be Republican Sen. John G. Tower of Texas, Rep. John Ashbrook of Ohio and Arizona Gov. Paul Fannin. Also featured will be Hollywood stars Walter Brennan, William Lundigan and Elfrin Zimbalist Jr.

Tickets are free to the rally which will be staged like an old fashioned political convention with brass bands, bunting, lemonade and no air conditioning.

The National Piano Manufacturers Association reports approximately 40 per cent of non-owner families have at least one member who plays or once learned to play the piano.

History Made In Steel Contract

PITTSBURGH (UPI) — The United Steelworkers union and the nation's "Big 11" steel producers climaxed one of the most successful collective bargaining ventures in labor history by signing 21-month contracts.

Achieved after 3½ months of informal bargaining within the union-management Human Relations Committee, the contract becomes effective Aug. 1, and is highlighted by a 13-week vacation every five years for top seniority employees.

"Let's hope for good prosperity and steady employment," said USW president David J. McDonald, the union's principal negotiator.

Addressing management representatives, McDonald said:

An Historic Occasion
"This is a really historic occasion. We have been happy to work with you. We hope that you can keep your order books filled and that we will enter a prosperous period with full production and full employment."

R. Conrad Cooper, U. S. Steel Corp. vice president and co-chairman of the Human Relations Committee with McDonald, told the union chief:

"I again want to say that this is a really historic occasion. We have been happy to work with you. We hope that you can keep your order books filled and that we will enter a prosperous period with full production and full employment."

Thompson, charged with first degree murder in the death of his wife, Carol, 34, left the jail cell which he had been occupying since June 21.

According to police, Thompson, 35, took out more than \$1 million in insurance on his wife. He is charged with hiring thugs to kill her. The nearly bulletproof slaying occurred in the Thompson's fashionable Highland Park home March 6.

Mrs. Thompson was beaten about the head with a pistol butt, slashed more than 50 times and left to stagger outside into subzero weather in search of help.

She reached a neighbor's door where she gasped, "A man... and collapsed. She died with a paring knife blade embedded in her throat four hours later in surgery at Ancker Hospital.

On April 29, police kicked in the door of the home of Norman Mastrian, 39, Spring Lake Park, and arrested him on a first degree murder charge in connection with the alleged "murder for hire" scheme.

Change In Air Service Asked By West Coast

SEATTLE (UPI)—A Civil Aeronautics Board examiner has recommended that West Coast Airlines be allowed to discontinue service to 11 cities, Nick Bez Jr., Seattle, president of the airline, said Saturday.

Bez added that the CAB would not make a final decision in the matter "for some time to come."

He said further hearings would be held and that representatives of cities involved in the proposed discontinuation of service would have a chance to testify.

The examiner recommended that service be discontinued to Whidbey Island, Bellingham, and Omak, Wash.; Salem, Burns and Lakeview, Ore.; Cutbank, Shelby, Mont.; Logan and Ogden, Utah; Newport-Toledo, Ore., and Pendleton, Ore.

Bez said the examiner also recommended that service to Baker, Ore., be renewed for one year. Service to Bend-Redmond, Ore.,

Train Wreck Injures 57

KENOSHA, Wis. (UPI) — A crowded passenger train smashed into the rear of a freight train south of Kenosha Saturday and at least 57 persons were injured.

Police said the freight train apparently suffered engine trouble and had stopped when the Milwaukee Road passenger train plowed into it. Average speed for passenger trains in the area is 75 to 90 m.p.h.

There were no fatalities and none of the injured was in critical or serious condition.

Almost all of the injured were passengers aboard the Chicago-to-Milwaukee train. They suffered head injuries, cuts from flying glass, and bruises. Some of the passengers had teeth knocked out.

The new pact expires May 1, 1965. It may be re-opened any time after Jan. 1, 1965, with 120 days' notice.

The present contract expires July 31. It had a 90-day notice provision for re-opening.

The union exercised this prerogative today, serving official notice on the companies just prior to their signing. The USW said the action was taken "merely to preserve the union's legal rights to contract discussions with other companies not covered in the pact signed today."

It termed the re-opening "the shortest on record."

The accident occurred near the Truesdell, Wis., depot south of Kenosha.

Ambulances, private station wagons and several buses in Kenosha for the state Veterans of Foreign Wars convention brought the injured to Kenosha hospitals.

Authorities said most of the injured suffered bloody noses, cuts and bruises. It was believed some of the injured suffered broken bones.

The accident occurred near the Truesdell, Wis., depot south of Kenosha.

FT. LAUDERDALE, Fla. (UPI) — Veteran tournament golf pro Ted Kroll was wounded four times during World War II while serving in the European Theatre of Operations. In his free time, he had an iron forged into a club head, made his own shaft and managed to get in some hours of practice.
