

Civil Defense Council Will Share Offices

SALEM (UPI) — Oregon's new three-member civil defense coordinating council will share its new 20-by-90 foot offices with the mental health division of the Board of Control, it was announced today.

The dozen mental health division staffers will move in after work on the new \$36,000 headquarters offices is completed, Board of Control Secretary Nick Peet said.

Meanwhile, Civil Defense Director Robert Sandstrom and his two staffers today began unpacking and arranging their new office space.

The agency moved to its new offices Saturday.

The 1963 legislature slashed the state's 18-member civil defense agency to a 3-member coordinating staff attached to the governor's office. As a result of the cutback, federal matching funds were withdrawn from the state agency.

Sandstrom said today "we moved furniture for 18 people over here, now we're trying to get things straightened out."

"We'll use the south end of the room, and loan the extra furniture to the other occupants."

"DENNIS THE MENACE"

"Hi, Mom! Dad finally put ONE of us to sleep!"

Chamber Unit Meets

CHILOQUIN — The Chiloquin Chamber of Commerce convened in the Masonic Hall on June 24, with President Frank Ohlund presiding. A chicken dinner was served by the women of the

W.S.C.S., and the Rainbow Girls assisted with the serving.

The chamber has 53 paid-up memberships, nine honorary members, and an increase of 19 over last year, Ron Harrison reported. New guests were Howard Cook and Mr. and Mrs. Bill McNamer.

The 29th annual North and South Dakota picnic will be held at the Youville State Park, on the Rogue River near Medford, on Sunday, July 28, at 1 p.m. All former Dakota residents are invited to attend.

Families are requested to bring a picnic lunch. Punch, ice cream, and coffee will be furnished, with a small registration fee to pay for expenses.

Games have been planned for all age groups including a rolling pin throw for the women. Music will also be provided. Prizes will be awarded to the oldest man and woman, longest married couple, newest married couple, youngest baby, and the family with the most members present. The person attending from the most distant point will also be honored.

Firemen Plan Annual Picnic

MERRILL — The Merrill Fire Department held its monthly meeting on June 24 to make further plans for the firemen's picnic. Bill Gasser is chairman, with Bob Merrilees as co-chairman.

A discussion was held on painting the fire hall. It was not decided if volunteers will do the work or if the service will be contracted.

Before the meeting was adjourned, Lee Haskins and Clair Duncan gave a demonstration on the proper use of the inhaler.

For further information contact Mrs. Eric de Place, publicity chairman, at 1392 Poplar Drive, Medford, telephone 772-6898.

Lost Creek Road Contract Given

Award of a contract to complete the Lost Creek Road 3561 was announced recently by Supervisor Alex Smith of the Winema National Forest, Cal-Ore Construction Company, Inc. of Medford. The successful bidder. Total bid price for the job was \$14,182.

Plans call for complete construction of approximately four-tenths mile of road and the installation of a major culvert across Lost Creek to be completed this summer. This project will connect the Lost Creek timber sale road, which has been constructed through a timber harvesting program, with the existing Pelican Butte road.

FUNNY STUFF

HOLLYWOOD (UPI) — Audiences can expect to be pleasantly entertained when they hear Rex Allen use his inviting western drawl to narrate Walt Disney's technicolor featurette, "Yellowstone Cubs."

The offbeat adventures of the two little bear cubs, Tuffy and Tubby, described by Allen in the picture, are as funny as any nature story Disney has done.

Shasta Chamber Discusses Tourist Booth

MOUNT SHASTA—The financial problem involving the maintenance of Mount Shasta's tourist information booth was the main topic of discussion at the chamber of commerce meeting June 27.

Harry Anderson, president of the Hotel-Motel Association, reported that members of his group contribute \$75 a month toward the booth's support, spending \$3,769.91 advertising Siskiyou

County in the past year and a half with very little return for the expenditure. It was pointed out that the booth annually costs more than its income, but the H-M Association will continue to carry its share, with the chamber continuing a \$75 monthly contribution. Bills through June will be paid.

It was decided there are three alternatives concerning the booth, to employ an assessment plan for all chamber members; to try to get the Ski Bowl Association to continue its \$50 monthly support which it withdrew unexpectedly

last spring; or to close the booth. A committee was appointed to work out the situation, composed of Emory Chandon, Mrs. Marge Poe, Bob Weston, David

Otis, and Orr Apperson, chairman.

Helping build PERSONAL SECURITY FOR Klamath Falls

SECURITY FOR YOU

As specialists in savings and home financing, our great pleasure is to help people like you attain the two-sided blessings of security:

- Profitable and safe savings plans
- The opportunity to own a debt-free home

SECURITY FOR THE TOWN YOU LIVE IN

The money folks save here finances the purchase and construction of homes. In turn, these housing dollars pay realtors, contractors and building trades craftsmen, most of whom reside in our community. Such money continues to circulate—creates retail sales—pays grocery bills—generates business in our city.

SECURITY FOR AMERICA

This same chain of events is taking place across the nation in 6,400 savings associations like ours. These savings and loan associations provide 44% of the home financing funds in the U.S.A.—put more than 17 billion dollars to work purchasing homes this year. Over the years this association, and others like it, have helped make ownership possible for 62% of all home dwellers.
