

Biggest "savings book" in the world

Keeping the Free World free is a mighty expensive proposition.

And our enemies are doing everything they can to make it so. They've said they expect to "bury us" economically.

They see us as soft, self-satisfied, lazy. They don't think we're prepared to make any sacrifices for freedom.

But there's a "special book" in the

U.S. Treasury Department that says they're as wrong about that as they are about a lot of other things.

It's a symbolic "freedom book" which shows that tens of millions of American families have invested 46 billions of dollars in their country in the form of U.S. Savings Bonds. Dollars the government uses to keep our economy strong. To help keep the Free World free.

This is one way you can meet the challenge to Americans. And there's no need to feel funny about collecting good interest on Savings Bonds. The financial strength of your family is part of the strength of the nation.

So help yourself as you help your country, by regular purchase of U.S. Savings Bonds... through the Payroll Savings Plan where you work, or from any bank.
