

Amazing Willie Mays Leads Nationals To Win

CLEVELAND, Ohio (UPI) — The 34th All-Star game proved little or nothing, except that Willie Mays, even at 37, well may be the greatest star of them all.

He batted in what proved to be the winning run, set two All-Star records and tied another as he led the National League to a 5-3 triumph over the American League before 44,190 fans in Cleveland's Municipal Stadium.

It was a gold-star performance in what was a lack-lustre game. Mays saved it from being routine.

And while he was the hero, it was manager Ralph Houk's own players from his mighty New York Yankees who turned out to be the goats. Bobby Richardson, his usually flawless fielding second baseman, messed up a play that eventually resulted in setting up a fifth inning run which turned out to be the difference.

And it was Joe Pepitone, another flashy fielder, who let that run score.

Series Near Even

It was a game which brought the National League to within one victory of even with its rival circuit in this competition which goes back 30 years—and which saw among other things:—The pitcher who gave up the most runs and most hits—Larry

Jackson of the Cubs—being the winner as the National League won its 16th game against 17 defeats in what is billed as one of baseball's top events.

—The pitcher who pitched the best—except for a base on balls and that error by Richardson—was the loser. That would be Jim Bunning, the right-hander of the Detroit Tigers, who suffered his first All-Star defeat.

—A superb two innings of clutch pitching—the eighth and ninth innings—by fast-ball side wheeler Don Drysdale of the Los Angeles Dodgers.

—The littlest guy on either team collecting the longest hit, a double by Albie Pearson, the fine center fielder of the Los Angeles Angels.

—A game in which National League All-Star manager Al Dark of the San Francisco Giants made good his pre-game claim "we'll win." It made his All-Star record as a manager, 1-0, completing a new All-Star cycle—first as a player, then as a coach and finally as a manager.

Big Inning

There was what turned out to be that big fifth—the inning that produced the "gift" unearned run.

Bunning was pitching and the score was 3-3 when Tommy Da-

vis of the Los Angeles Dodgers led off with a walk. After Hank Aaron of the Milwaukee Braves fled out, St. Louis Cardinal first baseman Bill White hit a ground ball to third baseman Frank Malzone of the Boston Red Sox.

Malzone, off balance, rifled a throw to second and Richardson, who had been playing deep with a left-handed hitter at the plate, appeared to be a little late covering the base. The ball bounced off Richardson's glove and rolled into center field, Davis racing to third.

"The ball was right or the bag, I should have had it," said Richardson. He accepted the stigma for the American League defeat because, in addition to that play, he grounded into double plays both times he was at bat.

Then young Pepitone came into the spotlight.

He scooped up a ground ball hit by Mays and it looked like he would have had Davis out by 10 feet had he thrown to the plate. He elected, after a moment's hesitation, to throw to first instead.

"I thought Pepitone made the right play," Houk said later in the dressing room. "If he had missed the runner at home, it might have opened the way for a big rally. It was only the fifth inning and we couldn't afford to gamble on that play. We had only been to bat four times at that point."

Fail To Score

As it turned out, the American League might just as well have given up their next five times at bat. For first Ray Culp of the Philadelphia Phillies, then Hal Woodeshick of the Houston Colts and Drysdale turned them back without a score.

Mays helped. He went against the wire fence in centerfield to take an extra-base hit away from the unfortunate Pepitone in the eighth inning.

Before that he had:—Stolen first in the second inning after getting on with a walk to break his All-Star stolen base record of three. Later he was to steal his second base of the game, and a new record fifth in the competition.

—Scored two runs to boost his All-Star record to 15. Willie tied his 14th run in the second inning and his 15th in the following frame.

—Got his 20th hit, a single in the third—tying him with Musial for the most hits by any player in All-Star competition—although he is hitting only .271 for the Giants.

"I don't pay no attention to records," said Mays. "I just play the game. I like to win these games. I hope I'll play in 100 more."

He's only 32.

Pumpers, Oxygen Continue Winning

Interstate Pump and South Sixth Street Oxygen kept up their winning ways in the South Suburban Babe Ruth League Tuesday night. The Pumpers dumped the Butte Valley Eagles, 15-9. Oxygen stopped Musgrove, 13-5, and Metler Brothers axed Liston Aircraft in the other game, 8-6.

South Sixth Oxygen, with Phil Reynolds hurling a seven-hitter, coasted past hapless Musgrove Plumbing with 11 hits. Reynolds was a bit wild in walking six and he struck out four. Dennis Coffman was the loser with 11 hits given up, seven walks and eight strikeouts.

Oxygen got two runs in the first, three in the fourth, four in the fifth and four more in the seventh. Tom Osa and Barry Hacker led the winners at bat with three hits. Osa had two doubles and a single while Hacker had one double. Perry Hacker had two singles as did Don D'Olive.

Coffman and Duane Fischer led the losers with two hits each, each also having a double.

Interstate dumped the Eagles in a hitting contest. The Pumpers had 11 hits to nine for the Eagles. Tom Coleman got the pitching win while Danny Clark was the second of three Eagle pitchers and he took the loss.

Sam Hill, Mike Rainwater and Jim Easley had two hits each for the winners, one of Easley's being a double. Mike Milligan also

hit a triple for the winners. Scott McKinnis led the losers with three hits including a double. Billy Green had a pair of doubles and Clark a triple.

Interstate wrapped the game up in the third inning with four runs to take a 12-9 lead. The Eagles could get no more runs after the first two frames and the Pumpers managed one in the fifth and two in the sixth.

Metler Brothers took advantage of 10 Liston errors for its 8-6 win. Each team collected six hits. Dan Lyons was the losing pitcher in going the route and Paul Lettin relieved winning hurler Scott Smelcer. Lyons walked only two and struck out 19 in losing, but had no backings.

Smelcer also led the winning team's hitting parade with a double and triple. He was the only one with two hits. Jim Cook led the losers with three hits, including a triple. Eldon Cook had a double.

SACRAMENTO, Calif. (UPI)—Dick Sikes, one of the world's top amateur golfers, tees off against Dave Hellman of Dekalb, Ill., in quest of his third consecutive National Public Links golf title.

With the NCAA championship already tucked away, the tall, thin youth from Wichita, Kan., is playing at the peak of his game and is rated the favorite to go all the way.

Joseph qualified with a 141 total for 36 holes of play to win the medal honors by one stroke from Leroy Beasley of Dallas, Tex. His foe today qualified with 132.

The team title went to a trio of shotmakers from Toledo, Ohio, who posted an aggregate of 443 Tuesday to win by three strokes from Long Beach, Calif., which came in with a 446.

Playing on the winning team were Hubert Farmer, Leonard Pietras and Andrew Holmes.

Joseph wasn't too happy about winning the medal honors. He has bigger things in mind.

"Winning the medal honors always seems to be a jinx," he said after accepting the trophy. "I didn't have this in mind at all."
