

Elks, Fluhrer's Pull Off Upsets In KF Babe Ruth

Merrill and Tulelake absorbed upsides Wednesday night in the Klamath Basin Babe Ruth League when Fluhrer's downed Merrill, 9-3, and the Elks tromped on Tulelake, 7-1.

It was only the second loss for Tulelake which was leading the American League of the Basin League. The loss was the third for Merrill. The Elks are now 5-3 and Fluhrer's 6-1.

Ted DeVore was the winning pitcher for the Elks and with a very fine one-hit performance, he allowed only a triple to leadoff batter Jim Meyers in the fourth inning. John Crawford was the loser on an eight-hitter. Tule also committed six errors.

Slugfests Top KFLS Slate

Gene's dropped Hal's Sport Shop, 10-9, Kiwanis outslugged Coca Cola, 27-21, and Jeld-Wen stopped Bend-Portland, 22-11, in Klamath City Little League games Wednesday night.

Barnes got the win for Kiwanis in that game as Kiwanis had 10 hits to seven for Coca Cola. Knowles was the loser. Hodges, Barnes and Thurber had triples for the winners. Diver had a double and Migliaccio three singles. Ramirez and Carlisle had triples and Carlisle also a double for the losers.

Jeld-Wen had 20 hits for the win over Bend-Portland while the losers had nine. Natale got the pitching win and Bailey the loss. McCann and Lipe each hit grand slam homers for the winners. Ferguson homered for the losers.

Gene's had eight hits off losers Dunster and Cobb. Bort and Hill combined for the pitching win. Buchanan had a home run for the losers while Groves had a home run and double for the winners and Dunster had a double and single.

BROTHER ACT SIGNS

WASHINGTON (UPI) — Ed and Bob Khayat, Washington's "brother act," signed Redskins contracts Wednesday for the 1963 National Football League season. Ed is a defensive tackle and Bob is a place-kicking specialist who booted 11 field goals last season and 38 consecutive conversions.

OUT AT HOME PLATE — Klamath Falcons' Jay Paxton, catcher, puts the tag on Bend's left fielder Ben Hamilton in the first inning to stop a run. The play came about when the bases were loaded with only one out and one run across. Klamath pitcher Gary Benson (not shown) got Don Watrous to ground out to John Gray at first. He relayed the ball to Paxton for the put out. The play was a little off and Paxton made the tag rather than touch the plate for the force out. The Falcons came up with an unearned run in the bottom of the ninth to win the game, 6-5, despite making eight errors to five for Bend in the error-filled game.

Interstate Keeps Hat In Tight SSBR Race

Interstate Pump remained in the thick of the fight for the South Suburban Babe Ruth League title with a 5-4 win over Metler Brothers Wednesday night. But Town and Country was upset by Liston Aircraft, 14-1, and Pacific Co-op edged A&W Drive-in, 6-3. Interstate dumped Metlers despite getting only five hits to the losers' six. Sam Hill was the winning hurler and Billy Ryan the loser. Hill whiffed 14 in a fine effort and walked only one. Ryan struck out five and walked six. Interstate also had six errors to five for the losers.

Jim Ross led the winners with a pair of singles. Paul Lattin had a triple and single for the losers and Ryan belted a double. Liston came up with 11 runs in the third inning to murder the Town and Country team. The 11 runs came off four hits, five walks, four errors and two passed balls.

Ron Murphy was the winning pitcher on a four-hit performance. He struck out eight and walked only one. Charley Saylor was the starter and loser for the Town and Country team. He was relieved in the third by Steven Clements.

This Week's Slate

FRIDAY
Gun Store vs. Elks
Crater Cats vs. Chiloquin
A&W vs. So. 6th Oxygen
Pacific Co-op vs. Interstate Pump
Liston Aircraft vs. K. C. Paint

Murphy was also the leading hitter. He had three singles while Jim Cook had a pair of singles and Tom Hall a double and single. Eldon Cook had a triple. Dorrin McBride had a pair of singles for the losers while Saylor doubled.

Pacific's two winning runs came in the bottom of the seventh. Greg Cromwell was hit by a pitch and he got second on a wild pitch. Steinbock walked and Don Thomas singled Steinbock home after Cromwell had scored on a wild pitch to tie the game.

Dan Burnes led the winners with a triple and single while Wayne Begg had a double. Allen and Kim Coon led the losers with two hits. Allen's included a triple and both of Coon's were doubles. Ron Blacksmith also had a triple.

"THIS HINGE WILL SAVE US \$400 A UNIT IN REPAIRS!"

"Last year we bought one Dodge truck. Now we own 25 Dodge pickups. Dodge cabs are much more ruggedly constructed. Flimsy door hardware on other makes has cost us \$400 a unit in fender and door damage, broken windows and windshields. And in one of the other makes, transmission and front spring maintenance in two years has been equaling the first cost of each vehicle. In the short time we've owned Dodge we've found them to be life-savers in controlling costs that were getting out of hand with other makes!" Goodie Bar Ice Cream Co., Oakmont, Pa.

The toughness found in Dodge truck door hinges extends clear through every model built. And Dodge trucks keep getting tougher all the time, because of our policy of making running improvements in them. But model for model, Job-Rated Dodge trucks are priced lower than most of the competition, right in line with the rest. Ask your dependable Dodge truck dealer for the full price story. And about his liberal new finance plan, too.

Danger! Fire Alert! The woods are tinder dry!

This summer warm weather and fast-drying fallen timber have created an extreme fire hazard throughout Pacific Northwest forest lands. Right now the danger is greater than ever before.

Columbus Day windstorms left some 11 billion board feet of blow-down stacked like kindling on the forest floor. That's almost enough wood to supply our nation with new homes for a whole year. By now this windfall has reached the tinder-dry condition foresters call "red slash" — with needles and branches powder dry and red in appearance, ready to explode into flame with the touch of a spark.

longer if necessary. Please respect them.

Whenever possible, access corridors will be kept open to lakes and other recreation areas, but only if they are reasonably clear of slash and blow-down.

Your Responsibility

Whenever you go into the woods, you are responsible for fire prevention in the areas you use. The fire that never starts is the fire that's easiest to control.

When building fires, stick to established camping areas. Build fires only in facilities provided for them or where there is no chance they can spread. Make doubly sure this year that your fires are never left unattended, that they are completely extinguished when you leave them, and bury the embers with several shovelfuls of earth. Watch matches and cigarettes carefully and make sure they are out — really out.

If you observe all the rules of fire prevention, you can help prevent a major fire disaster this year and continue to enjoy the benefits of our natural forest resources — wood, water, wildlife, recreation benefits and payrolls.

Fire prevention experts say that if a big fire gets started this summer in any part of last year's blow-down, it may be impossible to stop.

For this reason, many of the lands — both public and private — previously open to the general public have been closed. These seasonal closures usually run from early July through September and
