NEW PINE CREEK

SHORT SNIDER and family of Roseburg stopped when passing through here July 4 to visit a brother, Lloyd Snider, in Wyoming. Snider is postmaster of the Roseburg Post Office. He was unable to attend the reunion but visited briefly with his father, Robert J. Snider, and wife, Martha, and planned to visit longer on the return trip home.

BELINSKI MOTORS had the job of towing a Mitchell Trucking Firm truck back to Lakeview Friday after the trailer broke loose from the tractor on July 4 and dumped 20,000 feet of pine lumber at the Rugg Corner north of town. The driver was not hurt as the cab remained upright, and the lumber was stacked on the spot Sunday and covered to protect it.

MR. AND MRS. LESTER PADDOCK of Redding were guests at the State Line Motel while attending the New Pine Creek High School reunion. Paddock's parents lived in what is now the Homer McLain residence, which was used during the mining boom days as a hotel, the Golden Nugget.

MR. AND MRS. BRYCE MODER and son of Redding also attended the reunion events. He attended school here in the 1930s when his father and uncle logged for the Boutin Mill up Lassen Creek.

MR. AND MRS. ROBERT MILLER of Benicia, Calif., were guests of Mr. and Mrs. Bill Allen. Mrs. Miller is the former Sarah Larkin, who enrolled at NPC High in 1921 when it first opened its doors. She is Mrs. Allen's sister.

MR. AND MRS. GENE ALBERT of Medford and Mrs. Glen McGrew were guests of Mrs. Alpha Ferguson, Mrs. McGrew's grandmother. Both women are former NPC High students. Mrs. Albert is the former Claudine Bryan and Mrs. McGrew, the former Opal Vernon who lived with her parents on what is now the Art Beamer property.

Board Names President

WEED—Dr. H. A. Meredith of Dunsmuir was named president of the governing board of the Siskiyou Joint Junior College District at the 106th meeting on campus.

Board members chose Meredith, who served as president of the board in 1959-60 and is presently serving as clerk, to replace Robert Vacant of Mount Shasta as president for the coming fiscal year. Julian White Jr. of Weed was elected clerk.

Dr. Meredith is the only present board member who served on the original board named when the district was organized in 1957, and he has served continuously since that time. Other board members besides Meredith, White, and Vacant are Roy Mason of Fort Jones, and Aiden James of Yreka.

3 Southern Governors To Testify On Rights

WASHINGTON (UPI) — Three southern governors have accepted invitations to testify before the Senate Foreign Relations Committee to testify on the foreign aid program. The two were members of a group ordered by President Kennedy to examine the program to insure that funds and administration of the Agency for International Development were being used as effectively as possible.

It was learned today that Govs. Ross Barnett of Mississippi, George C. Wallace of Alabama and Donald S. Russell of South Carolina are tentatively scheduled to appear late this week or early next week.

Today, the Senate group called mayors of two cities which peacefully segregated their public facilities to testify on the measure. Ivan Allen of Atlanta, Ga., and Frank Morris of Salisbury, Md., were to be questioned about how desegregation has affected business and what other effects the move has had in their cities.

A committee aide said Atlanta represented a southern city in the medium-size class and Cambridge a small city in a border state. The mayor of a large unidentified northern city also was invited to attend but declined, the aide said. Other congressional news: Foreign aid: Gen. Lucius Clay
