Piersall Gets Two Safeties

BOSTON (UPI) — Jimmy Piersall, who was traded to the Los Angeles Angels Saturday and promptly added to the roster, was the only player to get two safeties in a 10-1 victory over the Los Angeles Angels.

Piersall, inserted into the Angels starting lineup by manager Bill Rigney though he reported only 30 minutes before game time, had two singles in four trips to help the Angels to a 5-2 victory over Boston.

Ballplayers Are Funny Characters

NEW YORK (UPI) — Ballplayers are funny. They claim doubleheaders are murder on their legs yet gladly walk four hours to play 18 holes of golf.

They gripe about official scorers not knowing anything about baseball but readily admit they couldn't keep a boxscore themselves.

A ballplayer will loan a teammate money, his car or his favorite sport jacket but he'll fight him for one extra turn in the batting cage.

No matter how many managers they've ever played for, they'll usually insist the present one is by far the best.

And after he's fired, they'll tell you confidentially that he could never handle men.

They advise youngsters starting out to keep their minds strictly on baseball and then spend most of their time pouring over crossword puzzles in the clubhouse before the game.

They're extremely sensitive to the slightest bit of criticism but feel it's perfectly okay to blast an umpire for not doing his job right.

They won't walk across the street to see a ball game but they'll travel five miles to take advantage of a two-dollar bargain on sport shirts.

They try to tell you they don't keep up with their batting averages but nine out of 10 know exactly what they're hitting right down to the last fraction.

They claim that proper equipment is vital, then keep on using spikes that are worn down to the nub.

They're never quite satisfied with one position. Infielders practice throwing knucklers on the sidelines and outfielders like to try the infield during pre-game drills. No one, however, ever volunteers to switch places with the catcher.

Worst thing to do before a ball game, they say, is to guzzle soda pop. So — practically all of them do.

The Los Angeles signing, marking Piersall's return to the American League after only a brief 40 game tour in the National League, was his fifth major league assignment. He broke in with Boston in 1952 and played for the Red Sox for six seasons with time out for a nervous breakdown which eventually resulted in his book "Fear Strikes Out."

He was traded to Cleveland in 1961 and went to the Washington Senators in 1962. He batted .244 with the Nats last season and was hitting .230 this year when he was sent to the Mets as part of the deal that made Gil Hodges the Washington manager.
