

NEW OFFICERS — These seven Malin High School youngsters will serve this year as the student body government. Shown are, left to right, top row, Eddie Cacka, sergeant-at-arms; Terry Brown, third vice president; Dan Duncan, first vice president; Tom Brown, president, and bottom row, Peggy Long, secretary-treasurer; Loudeen Lyon, head cheerleader, and Kristi Ottoman, second vice president.

Al Samples To Handle Malin High

MALIN—Al Samples will take over as principal of Malin High School this year, where an average enrollment of 155 students is expected.

Samples, who has been principal of Chiloquin High School for the past four years, replaces James Conroy, who becomes supervisor of secondary education for the county school system.

Meanwhile, teaching assignments at the school have been announced.

Larry Lund of Bonanza will teach science and Tom Roe will become basketball coach and seventh and eighth grade instructor. Roe, coming from Fairhaven School, replaces Dwayne Daley, who will teach sixth grade classes and serve as assistant coach.

Other teaching assignments: Andy Travis, math, football coach; Charles Dobry, social science; Don London, English; library: James Lacy, vocational agriculture; science: Mrs. Frank Payge, home living; Mrs. Philip Blom, commercial, physical education; Mrs. Emil Tofell, English, French; and Mrs. T. W. Lowry, music.

Emil Tofell is constructing a barbecue and patio near the high school, which will be used for cookouts by the home living classes.

Elementary Plans Noted

MALIN—Enrollment in Malin Elementary School will average 170-175 students this year, according to Principal Stanley McClellan.

Mrs. Homer Hill will teach first grade students at the school and a new teacher, Sharon Williamson, will handle second grade. Miss Williamson comes from South Dakota.

Third grade will be taught by Mrs. Rudolph Klinek and Mrs. Lloyd Mock will have the fourth grade. Fifth grade teacher will be Mrs. J. F. McHenry and Dwayne Daley will teach sixth graders. Mrs. T. W. Lowry will teach music.

Malin School Parent and Patron officers for the coming year were elected last spring. They are Mrs. Bob Victorin, president; Mrs. Merle Woodley, vice president; Mrs. Earl Irvine Jr., secretary, and Mrs. James Conroy, treasurer.

The Parents and Patrons this year are sponsoring a kindergarten, with an expected enrollment of 20 children. Children must be 5 years old by Nov. 15 to be eligible.

The kindergarten will be conducted Monday through Thursday, 9-11:30 a.m. There will be a \$5 registration fee per child and a charge of \$10 per month per student.

Mrs. Fred Gordon will be in charge of the school.

Parents wishing to enroll children in the kindergarten may contact Stanley McClellan, Mrs. Anton Suty Jr. or Mrs. Earl Irvine.

Sept. 4 Date For Paisley

PAISLEY—The Paisley School will open its doors to students for the fall term Sept. 4 with 120 expected to enroll in grades one to 12.

The highest enrollment is expected in the seventh and eighth grades.

The school's cafeteria has been relocated in the basement, providing space for another classroom to ease the burden on the high school.

Harold K. Crocker, Paisley school principal, will serve in that capacity as he has for the past five years, and will also teach high school classes. Other high school teachers are Lloyd Showers and Keith Showers.

Two new teachers will join the school's faculty this year.

Mrs. Esther Koch, who is working on her master's degree, will teach English, journalism and girls' physical education.

Carolina Schlattman, who has a number of years' experience in Oregon high schools, will teach commercial subjects and will be in charge of the school library.

School Thanks

MOUNT SHASTA—Carl P. Hoberg, superintendent of Siskiyou Union High School District, expressed deep appreciation to two automobile dealers of Klamath Falls, who supplied the Siskiyou School District with cars for use in driver training, with no cost to the taxpayers of the district. The dealers are Dugan and West Chevrolet, and Thomas Dodge Sales.

Hoberg thinks it unusual for a company outside the county to do this, but when they go outside the state, it is showing deep interest in promoting safety on the highways of the land.

Merrill Schools See Few Changes

MERRILL — On Wednesday, Sept. 4, at 9 a.m., school will begin again for another year. Everything will be much the same with few changes made.

Calvin Dasei will be the only new teacher at the high school. He will teach math and science. He is not married and comes to Merrill from the University of Denver. This will be his first year of teaching.

Clarence Hill has been transferred to Merrill from Klamath Falls and will teach in the elementary grades.

Melvin Brooks is transferring to Bly to be the principal there. The high school will have an enrollment of 140 youngsters from the ninth grade through the 12th. The elementary school will have an expected 240 children. The largest class will be the freshman class with 43 enrolled. There will be nine teachers in

the high school and 10 teachers at the elementary. The grade school teachers are as follows: First grade, Mrs. MacAmuly and Mrs. Christenson; second, Mrs. Kurtz and Mrs. West; third, Mrs. Kaffon; fourth, Mrs. Crawford; fifth, Mrs. Retterath; sixth, Mrs. Lee; seventh, Clarence Hill, and eighth, Mrs. Groeneveld.

This year's curriculum will be the same as last year's with no new subjects added.
