Grand Jury Brings In Murder Charge On Dean

John Wesley Dean, 37, was arraigned in circuit court early today for second degree murder involving the fatal stabbing of his brother, Hagan Lindbergh Dean, last July 8. Dean was named on one of nine indictments, including three true bills and six secret indictments, returned by the grand jury to Judge David R. Vandenberg in circuit court yesterday.

In court today, Judge Vandenberg set Wednesday, Sept. 4, as the date he would receive an entry of plea from Dean, as well as from Charles Francis Clubb, 39, who was among nine others, including the slayer, who appeared for arraignments before Judge Vandenberg today. Clubb was indicted for the attempted burglary of Larry's Market, 4214 Green Springs Drive, near Klamath Falls. Bail set at \$2,000 in District Court was continued by Judge Vandenberg.

PO Closes Saturday

Windows at the Klamath Falls Post Office will be closed Saturday, but window services are being offered at three substations in the city.

The new policy of Saturday closure was adopted by the local post office to conform with the practices of many local business firms.

All regular services with the exception of foreign parcel post are offered at the substations, Ganong's Variety, South Sixth Street and Shasta Way; Underwood's Camera, 3550 South Sixth; and Buy Low Food Center, 1338 Oregon Avenue.

Tax Petition Response Fair

Response in Klamath County to the tax referral petition was described as "fair" Friday by Mrs. Darlene Burrow, chairman of the Taxpayers' League.

There was no estimate on the number of Klamath residents who have signed the petition, which would place the legislature's tax program on the ballot for a special election.

The petition was initiated by Albany publisher J. Francis Howard. Mrs. Burrow said more petitions for circulation are being obtained from Howard.

The Taxpayers' League has set a goal of 4,000 signatures of registered Klamath voters.

Mrs. Burrow said petitions may be signed at the former Weisfeld Building, Seventh and Main streets, or the Low Cost grocery, South Sixth Street.

Persons desiring to circulate petitions may call TU 4-6391, she said.

UF—OUR WAY OF LIFE — Employees of the Klamath Plywood Corporation Thursday afternoon were told that helping the less fortunate citizens was part of the American way of life and this caring for our less fortunate citizens is one of the reasons this country is the leading power in the world today. Paul Meier, UF Pilot Division chairman, addressed 100 to 125 of the plywood firm's employees to make them aware of the real need for United Fund and the work it accomplishes locally as well as across the nation. The actual pilot campaign will kick off Aug. 20. The community campaign is slated to start Oct. 1.

Ground Work Being Laid For United Fund Drive

The ground work is being laid for the United Fund Pilot Division Campaign kick-off set for Aug. 20 and employees are already being contacted in the firms making up the pilot division. These first contacts are primarily to give information concerning the purposes of the campaign. Soliciting hasn't started, although employees have been told where to pick up pledge cards for the payroll deduction fund share plan of one hour a month for a year.

Between 100 and 125 employees of the Klamath Plywood Corporation Thursday afternoon were told just how the United Fund giving philosophy fits into the American way of life.

Paul Meier, pilot campaign chairman, said in some countries, for instance, children from unwell mothers are not cared for, some are even left to die.

In this country, Meier said, we take care of our brothers and sisters and it is agencies like the UF that do the job with the help of public donations.

"It costs far less to help delinquent children now than to pay for their five or 10-year tuition at the state penitentiary," Meier pointed out.

63 Juveniles Receive July Traffic Citations

Sixty three juveniles were cited for a variety of traffic offenses in July, statistics released Friday show.

Sixty three citations were issued to juveniles during the month, the Klamath County Juvenile Department reported.

The total brought to 375 the number of citations issued to teenagers during the year.

Of the monthly total, 34 citations were issued by Oregon State Police and 24 by Klamath Falls City Police. Five citations were issued by other agencies.

One juvenile citation was transferred to district court, two to municipal court and five to other courts.

3 Attend IBM Course

Three county employees will depart for Seattle on Saturday to attend a data processing course which begins Monday and ends Friday of the same week.

Enrolled in the course are Dorothy Rogers, deputy county clerk, Esther Newell, deputy tax collector, and Marian Nanneman, an employee of the tax office. The employees will attend the classes to be prepared for the extension of that system into other departments of the county.

IBM equipment is now in use at the assessor's office and may be extended to other county departments in the future. The employees will be back at their desks Monday, Aug. 26.

Melvin Millard Services Set

LAKEVIEW — Graveside services will be held at the Westside Cemetery at 2 p.m., Saturday, Aug. 17, for Melvin Millard, 82, who died at Clearwater Spring, 12 miles west of Diamond Lake, about Aug. 2. Arrangements are by Ouseley-Osterman Mortuary.

A former Westside rancher, Mr. Millard had retired about two years ago. He had left earlier in the month for a trip and his car had been seen parked off the road for about six days before police were notified that it apparently was abandoned. A search party which included his stepdaughter and son-in-law, Mr. and Mrs. John Dunbar of Lakeview, was organized and Dunbar found the body on Tuesday. Mr. Millard, who had been in ill health for some time, had apparently taken his own life.

Surviving in addition to Mrs. Dunbar are a son, James Millard of Lakeview; a stepdaughter, Mrs. Maxine Mulkey of Arlington, Ore.; and one sister, Mrs. Lydia Pinkerton of Los Angeles.

Forest Reports Heavy Use Of Camp Facilities

Campers have been making extensive use of camp facilities in the Winema National Forest because of continued warm weather, U.S. Forest Service officials reported Friday.

Homer Faulkner, Chiloquin district ranger, reported that Williamson campground has been used heavily. He said that the "back country" camps also are being used extensively and he reminded persons going to these areas that drinking water should be carried and insect repellent should be included in camp gear.

All campgrounds near Lake of the Woods are open with the exception of Aspen campground, which is expected to be open for limited use by the Labor Day weekend.

Forest officials said Spruce and Rainbow campgrounds and a White Pine picnic ground are being patronized heavily.

Digit Point campground at Miller Lake is closed because of construction. In that area, however, unimproved campgrounds at Gideon and Miller creeks are available.

All trails in the Klamath Ranger District are open and a one and one-half-mile section of the Sevensmile trail has been reconstructed. Trails to Maidu Lake and around Miller Lake are open and Howlock Mountain trail is open for one mile.

The forest service said that fishing is improving on all streams in the Chiloquin Ranger District and remains good at Lake of the Woods. Trout are being taken regularly in the Sky Lakes area.

All roads in the national forest are open, but many are dusty. Fire danger remains high and forestry officials reminded campers that there were 13 lightning fires and four man-caused fires in the forest last week.

presently available, it looks like the treaty should be ratified.

But—
Let's do a lot of careful looking before we finally leap.

As of now, it rather looks as if Premier Khrushchev, for whatever reason, is sincerely anxious to get the treaty signed and ratified and out of the way.

And—
There appears to be some evidence that Mr. Khrushchev is not as evil a character as in the past he has seemed to be.

But—
It will be well to remember that at Yalta Stalin pulled the wool over President Roosevelt's eyes.

And—
He also pulled the wool over President Truman's eyes—to such an extent that Truman called him "GOOD OLD JOE." Later on, Mr. Truman had reason to change that opinion very sharply indeed.

So—
Let's not be too critical if before ratifying the test ban treaty the Senate of the United States makes very certain indeed that there are no cards up anybody's sleeve.
