Durable Egyptian Wins 60-Mile Marathon Swim

CHICAGO (UPI) — Abdel-Latif Abo-Heif, a durable Egyptian who has splashed across the English Channel three times, today called his winning effort in a 60-mile marathon swim "enjoyable swim."

Abo-Heif, 34, a major in the United Arab Republic army, stepped onto Silver Beach at St. Joseph, Mich., at 7:45 p.m., EDT, Wednesday, 33 hours and 45 minutes after he plunged into the water at Chicago for the start of what is billed as the world's longest and richest race.

Abo-Heif, one of only two survivors in an original field of 16, received the winning purse of \$15,000.

Ted Erikson, a 35-year-old chemical engineer of Chicago, finished approximately two hours after the winner, and pocketed a check for \$1,000.

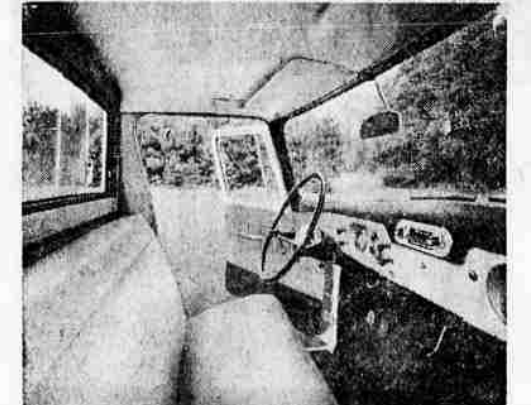

Abo-Heif appeared fatigued but otherwise fit at the end of the gruelling swim. He and Erikson were taken by ambulance to a Chicago hospital for a routine physical checkup and released.

"I feel fine. It was an enjoyable swim and a great victory for the United Arab Republic," Abo-Heif said.

Dodgers Hit Win Stride

LOS ANGELES (UPI) — The Dodgers, determined not to collapse like folding chairs as in 1962, are hitting a winning stride now and particularly against the St. Louis Cardinals.

It was the Cardinals who last season defeated Los Angeles in their last three regulation games and forced the Dodgers into a losing playoff with the San Francisco Giants.

But Walter Alston's team took their seventh straight win Wednesday, 2-1, in a 16-inning victory over the Cardinals on a run-scoring single by John Roseboro before 54,125 fans, top Dodger Stadium crowd for 1963.

Tonight the Dodgers, with Don Drysdale, 16-13, opposing Ernie Broglio, 13-8, will try to sweep the current three-game series with St. Louis. If the Dodgers win, they will have the biggest National League lead of the season of 8½ games, over the same Cardinals.

Lefties Sandy Koufax and Curt Simmons fought it out on the mound Wednesday, pitching stronger than ever after the score was knotted at 1-1 in the sixth inning. Koufax, still without his 20th season victory, left the game after 12 innings, and Simmons was pulled out after 13 innings.

Bobby Shantz held the Dodgers two more innings, then was lifted for pinchhitter Stan Musial in the top of the 16th with a man on first and two outs. Musial hit a soft pop fly to end the inning.

The Cards' Ron Taylor retired the first two men he faced in the last of the 16th, but Ken McMullen lined a ground rule double to center field. Then Roseboro, hitless in six previous trips to the plate, hit a low outside pitch on the ground down the left field line to score McMullen.

Drivers Join Speed Attack

BONNEVILLE SALT FLATS, Utah (UPI) — A pair of Oregon automobile drivers joined in the assault on records Wednesday at the Bonneville National Speed Trials.

Clarence Everett, Salem, pushed his Class E gas roadster to a speed of 92.317 miles per hour for one national record. Howard Jackson, Portland, broke his own mark in the Class F touring sports car class with a speed of 104.405 MPH.

Odell Lake Fishing Good

Reports from Odell Lake indicate that Kokanee fishing is good again.

George and Louis Bultez, operators of the Odell Lake Resort docks report that two fishermen caught 83 Kokanee from 12 to 17 inches long during a three-day stint on flashers and Spin-N-Glo.

Other fishermen also reported catches have been good with several fishermen reporting fish up to 18 pounds.

The Spokane Indians could virtually wrap up the Pacific Coast League championship this week. The Indians are en route to Hawaii where they meet the second-place Islanders in a four game series starting Friday.

Spokane, which has led the circuit during most of the second half of the season, currently is 12 games in front as they move to Hawaii.

Loop President Dewey Soriano announced that a flip of a coin will decide where the opening game of the playoff will be held. He said the coin-flipping would take place at Seattle Sunday.

Oklahoma City and Dallas-Ft. Worth currently are battling for top spot in the Southern Division with San Diego snapping at their heels.

In games Wednesday night Larry Foster of Seattle pitched a one-hitter to beat Portland 1-0. Salt Lake City downed Dallas-Ft. Worth 4-1. Denver took Oklahoma City 4-3 in the first game but the Dodgers took the second tilt, 5-1. San Diego whipped Spokane 8-2, and Hawaii 3-2.5 fans watched the Islanders make it five straight over Tacoma 5-1 and 11 consecutive victories.

Jim Hughes doubled off Foster in the fifth inning for the lone Beaver hit at Portland. A crowd of only 193 persons was on hand for the pitcher's battle. Foster struck out 12 and walked two. Foster and Stan Johnson were the batting stars with two hits each.

Seattle's only run came in the fourth when Johnson singled, went to second on a wild pitch and scored.

Giants Gasping

By HAL WOOD
UPI Sports Writer

SAN FRANCISCO (UPI) — The defending National League champion San Francisco Giants, running scared and short on time, throw their ace hurler, Juan Marchal, into the breach today in an attempt to salvage the final game of the series with the Milwaukee Braves.

Three Giant hurlers were pounded savagely for 14 hits, good for 23 bases, in Wednesday's 6-2 Milwaukee victory.

"We are starting Marichal today because he's ready and Billy O'Dell could use another day's rest," said Giants' pitching coach Larry Jansen. O'Dell has been suffering from leg injuries.

Marichal will be going after his 19th win of the campaign—the only hurler on the San Francisco club this year with any kind of a chance to reach the magic kind of 20 wins.

Manager Alvin Dark of the Giants is reaching the bottom of the barrel in an attempt to stay in the pennant race.

Yesterday he started Gaylord Perry, just recalled from the Tacoma farm club. Perry worked five innings, was nicked for nine and four runs. And even the halls that became outs were hard-hit.

Reliever Jack Fisher wasn't any better and was nicked for two more runs in the two innings he worked.

Perry gave up a triple and a home run in the first inning, but San Francisco got one run back with a walk and Willie Mays' double in the bottom half. Milwaukee got a run in the third on Aaron's double; added another in the fifth on Ed Mathews' second homer, his 18th of the campaign and then closed the door with a pair of scores in the seventh on Bolling's lead-off single, two walks and Joe Torre's single.

The second Giant run came in the sixth on Orlando Cepeda's triple and Jose Pagan's single.

It was the fifth consecutive loss for the Giants and Milwaukee's fifth straight win.

Lefty Bob Hendley went the route for the winners, scattering eight hits for his eighth win of the year against the same number of losses.

The Giants committed three errors—one each by Mays Willie McCovey and Cepeda.

Paul Jaecel gave up a run in the first inning, but then pitched shutout ball the rest of the way as Wenatchee downed Salem 8-1. Jaecel picked up his 14th victory and received all the backing he needed from Moe Morhardt, who had four RBI's on a single and a homer.

Lewiston, trailing 4-1 going into the sixth, exploded for five runs in that inning and went on to down Yakima 6-4.

The Yakima-Salem losses left the two clubs tied for first and enabled Lewiston to move to one and a half games from the top.

In the other game played Wednesday night, Eugene defeated Tri-City 6-2.

NBA Plans 11 Games For Video

NEW YORK (UPI) — The National Basketball Association (NBA) will televise 11 regular season games and its annual All-Star game on a special coast-to-coast network next season.

The announcement of the planned "Game of the Week" television series was made today at the conclusion of the NBA's annual summer meeting.

The games will be telecast on 11 consecutive Thursday nights starting Jan. 2, 1964. They will be televised into all nine league cities, with the local site blacked out, and will be made available to television stations in other areas.

The annual NBA All-Star game at Boston on Tuesday, Jan. 14, will be shown on the same special network.

"Indications are good for a network approximating 60 cities," said Fred Podesta, assistant to president Ned Irish of Madison Square Garden, who will be managing director of the NBA network.

The appointment of a three-man committee to study the prospect of adding another NBA team for the 1964-65 season, featured Wednesday's meeting.

"There has been some sentiment in favor of adding another club to balance the league's two divisions at five teams each," said league president Maurice Podoloff, who retires Sept. 1 and will be succeeded by Walter Kennedy.

Named by Podoloff to the expansion study committee were owners Ben Kerner of the St. Louis Hawks and Bob Short of the Los Angeles Lakers and general manager Eddie Gottlieb of the San Francisco Warriors.

State Teams Undeclared

PORTLAND (UPI) — Cascade and defending champion Archer Blower of Portland remained unbeaten in the state American Amateur Baseball Congress tournament Wednesday night.

Cascade's Wayne Swango pitched his team to a one-hit, 1-0 win over the City Beavers of Portland, while Archer edged A. B. Smith of Portland 1-0 on Terry Burke's 10th inning single. The hit drove in Jim Satalich, who had doubled.

Loser's bracket games tonight match Gordon's Fireplace against Cottage Grove and Local Loan against Grimm's of Vancouver, Wash.
