

Revamped KUHS Bus Schedule Features 8 Routes

Buses Slated For Friday's Orientation

Klamath Union High School opens its 1963-64 school year Friday with an orientation program for freshmen and other new students.

Classes will begin next Wednesday at 7 a.m. when students will report to registration rooms at the school to receive their schedules.

A completely revamped bus schedule will greet students this year. Innis Roberts, director of transportation, has divided the bus load into eight routes, one of which has two sections.

Route 1 makes the first stop at 6:10 at South Sixth and Madison and arrives at the school at 6:30 a.m. Then, the bus returns to the area to begin Route 1-a at Washburn Way and Eberlein at 6:35.

Routes, starting points and starting times follow. A complete picture of the various routes is shown on this page.

Route 2, Altamont and Boardman, 6:23; Route 3, Washburn and Hilyard, 6:20; Route 4, Shasta and Moyina, 6:25; Route 5, Nevada and Kiln, 6:10; Route 6, Hagelstein Park, 6:00; Route 7, OTI, 6:25; and Route 8, Veatch residence, 5:45.

This schedule is for 10th, 11th and 12th grades only. Freshmen will report next Wednesday to classes starting at 12:15 p.m. and bus departure times from various stops will vary accordingly.

On Friday, orientation day, buses will run on the regular routes, beginning about 11:45. The orientation program will start at 1 p.m.

Besides changes in the bus schedule, school officials have made alterations in the fee system.

Students should plan to pay fees on the first day of school.

There will be a \$1 fee for physical education if the student is registered in that class. Seniors will pay a \$3.75 cap and gown fee and all students have the option of paying the \$3 student activity fee.

Books may be rented from the high school for \$9 per student or purchased elsewhere from a high school list.

The cafeteria will serve snacks, sandwiches, ice cream and milk shakes during the three rest periods and will be open to those students that have elected six classes and to ninth grade athletes during the noon hour. Because of limited facilities in the cafeteria, other 10th, 11th and 12th grade students are requested by school officials to eat lunch at home after the end of the school day at 11:55 a.m. and ninth graders whose schedules begin at 12:20 p.m. were asked to eat lunch before reporting to classes.

On the first day of school next Wednesday, there will be grade level meetings to explain school procedures that are new to the school because of the split shift.
