

PLAGROUND SANDPIT - This ring of concrete will enclose a sandpit at the new Richmond playground, which is under construction by the Klamath Falls Department of Parks and Recreation. In front of the pit is a water fountain. The playground at Second and McKinley streets is costing about \$4,000 to develop.

and McKinley streets, will enclose the first automatic irrigation system to be built into a city park. The half-acre playground was once a weed-choked lot, but city crews have been working on the site for the past several weeks.
