

AIRMEN COMPLETE COURSE — M.Sgt. James J. McDermott, on the job training adviser at Kingsley Field, delivers a lecture to seven Kingsley Field airmen during an administrator-supervisor course they completed re-

cently. The students are, left to right, M.Sgt. William T. Hall, A.I.C. Billy J. Fears, S.Sgt. Harley D. Montgomery and Jose Gomez, Leo J. Tice, Ray Keesling and William Murchison, all technical sergeants. — USAF Photo

Vice President Begins Visit In North Europe

STOCKHOLM, Sweden (UPI)—Vice President Lyndon B. Johnson arrived here today at his handshaking, campaigning best to begin a 15,000-mile tour of five north European nations.

But his three-day visit to Sweden nearly began with tragedy.

The U.S. Army helicopter carrying Johnson into the city from the airport dipped too low as it neared the heliport and a rear wheel crashed through a fence separating the landing stage from the crowds.

Children scampered out of the way as the helicopter hit the fence, but there were no injuries and the craft landed safely.

Minutes later, Johnson, his wife and their 19-year-old daughter Lynda Bird were waving to thousands of cheering Swedes from the open car that carried them into the heart of the city.

Johnson said he hoped his trip here would strengthen the "old, strong and unbreakable" ties that bind this nation and his.

Johnson, on an unprecedented visit by a high U.S. official to this nation, flew in from Washington after a brief stopover in Hyannis Port, Mass., to confer with President Kennedy at the summer White House.

Waiting for the vice president was a top Swedish delegation, led by Premier Tage Erlander and Foreign Minister Torsten Nilsson, parliamentary representatives, and a military band played on the platform.

After three days in Sweden, the vice president will visit Norway, Denmark, Iceland, Finland and Danish-owned Greenland, the world's largest island.

He is the highest American official ever to visit these areas.

PP&L Directors Slate Quarterly Meeting Here

Plan of the directors of Pacific Power and Light Company to hold their regular September quarterly board meeting in Klamath Falls on Wednesday, Sept. 11, was reported by Sam Ritchey, PP&L's manager here.

The group of directors and PP&L officials, headed by chairman of the board, Paul B. McKee, and President Don R. McClung, also will be visiting PP&L hydroelectric developments and area industries and scenic spots during the stay here from Monday night, Sept. 9, through Wednesday morning, Sept. 11.

"Selection of Klamath Falls for the board meeting recognizes the importance of the Klamath County service area in the company's system operations," Ritchey stated.

Missing Youth Found In City

PORTLAND (UPI)—Arthur Van Morris, 13, of Maupin was taken into custody here late Sunday while 35 volunteers tramped through the woods looking for him near Mt. Hood.

The boy was reported missing from his cabin in the Zig Zag area Sunday morning by his parents. His mother collapsed and was hospitalized when searchers failed to find any trace of him.

Portland police said he apparently became bored with the camp and decided to see the city. They turned him over to Clackamas County juvenile authorities.

Mishap At Fairgrounds Injures Three Persons

SALEM (UPI)—Three persons were injured Monday night when a man was thrown from the Fly-O-Plane ride at the State Fair here.

Robert O. Costa, 29, an Assembly of God evangelist from Oklahoma City, was thrown from a cab of the Fly-O-Plane as it swirled about 20 feet over the heads of spectators.

Police said Costa fell against Dale Hildebrand, 13, Dallas, and Mrs. Rubina Loewen, Salem. The boy was struck on the head, and Mrs. Loewen on the back.

She was given first aid treatment at the fairgrounds, and Costa and Hildebrand were taken by ambulance to Salem General Hospital.

Police said Costa suffered possible fractures of his pelvis and spine, and the boy a possible concussion.

The accident occurred when the door of the cab came open. The ride was checked after the accident, and when no defect was found it resumed operation.

52 Seek Miss America Title

ATLANTIC CITY, N.J. (UPI)—Fifty-two potential Miss Americas faced their full program of pre-contest activity today in preparation for the exciting moment next Saturday night when one of them will be named America's most beautiful girl.

The lovely young women, ranging in age from 18 to 23, formally registered for the contest Monday accompanied by pageant hostesses and chaperones from their home states.

For all of them it will mean a week of hustle and bustle, television and newspaper interviews and posing for publicity photographs.

For the lucky few who will be finalists it will mean scholarships and possible careers in the glamorous world of modeling and related professions.

For the ultimate winner it will mean a step through the looking glass into the wonderland of fame as America's most lovely girl, and the more solid reward of an estimated \$100,000 gross during the year of her reign as Miss America 1964.

Lebanon has practically no raw materials.

Lakeview Man, Ray Mast, Dies

LAKEVIEW — Ray Clinton Mast, 71, a resident of Lakeview for the past two months, died here Aug. 29 as the result of a cerebral hemorrhage. Funeral services were held Aug. 31 at Kelo, Wash.

Mast was born Dec. 12, 1892, in Columbus, Kan., and was married to Martha Nice in 1918 at La Junta, Col. He was retired from a position as shipping clerk in the lumber industry.

Surviving are the widow; a son, Virgil R. Mast of Lakeview; two daughters, Patricia A. Sullivan and Elizabeth Howard of Longview, Wash.; three brothers, Guy of Sacramento, and Arthur and Sam of La Junta, Col.; two sisters, Elizabeth Montestelli of Las Vegas and Bessy Shaffer of Eugene.

Boston News-Letter, published by John Campbell, Boston postmaster, on April 24, 1704, was first printed newspaper to appear in the American colonies.

ZIPPITY ZOO

Mr. Lion

Fall fashion shows real zip, straight from the zoo. These little facsimiles won't accept popcorn or peanuts, but for all the world they look like the real thing... cuddly, lightweight and warm.
