

Yank's Magic Number Now 11; Cardinals Show Pennant Fever

Arrangements For Series Begins

By United Press International
The Yankees' magic number now is 11 and that adds up to a rather empty invitation Commissioner Ford Frick extended to the Twins and the White Sox.

Frick invited both Wednesday as well as the Yankees, to attend a meeting in Chicago next Monday for the purpose of discussing World Series arrangements.

Can't you just picture representatives of the Twins and White Sox standing around at that meeting twiddling their thumbs and trying to make themselves believe it'll all be different next year?

One thing is sure: They can forget about this year unless they plan a private squabble of their own for second place. But who ever remembers which team finished second by Christmas?

The Yankees fattened their lead to 12½ games by overcoming the Senators, 5-4, Wednesday while the Twins took over second place with a 4-2 triumph over the Angels.

Roger Maris' two-run homer in the ninth inning — his 20th of the season and first since July 6 — gave the Yankees their victory over the Senators.

The White Sox dropped to third when the Athletics beat them twice, 4-2 and 7-3; the Tigers ripped the Red Sox, 6-1, and the Orioles edged past the Indians, 6-5.

STARTING BONANZA BACKFIELD — This is the probable starting offensive backfield for the Bonanza Antlers when they open play a week from Friday with the Sacred Heart Academy at Gem Stadium. At quarterback will be Ernie Nichols (with ball). At right half (left) will be transfer Gery Keck, Neil Tofell (40) at fullback and Rod

Pfeiffer (9) at left half. All but Keck are lettermen. Keck, a small back at only 110 and a sophomore, adds speed to the power running of Tofell and Pfeiffer for balance while Nichols can keep the defense honest with his passing antics.

OTI's Season Tabs On Sale

Redbirds Five Games From Bums

By United Press International
General manager Bing Devine says he can see "definite signs" of a St. Louis Cardinals pennant victory despite a wavering voice from Los Angeles that keeps saying that's a lot of birdseed.

Devine claims that the Cardinals players, all fired up by a seven-game winning streak which has cut the Dodgers' lead to five games, honestly feel they can overtake Walt Alton's crew.

The Cards, who beat the Mets, 6-5, Wednesday night while the Cubs downed the Dodgers, 2-1, in 11 innings have two big things going for them — the schedule and a burning desire to win the pennant as a fitting farewell for retiring Stan Musial.

Fifteen of the Cardinals' remaining 23 games are scheduled at home and that includes three with the Dodgers. As for the 42-year-old Musial, he has no intention of sitting around and not contributing his share. Stan the Man socked the 473rd

homer of his career Wednesday night and his 10th of the season with one man on in the fifth inning after Bill White had hammered his 24th homer in the fourth.

Ken Boyer, however, broke a 5-all tie when he singled off loser Larry Bearnath in the seventh for his 100th run batted in of the year. Sam "Toothpick" Jones pitched to one batter in the seventh and that was enough to earn him his second victory.

Ken Hubbs snapped a four-game Dodger winning streak by singling home Andre Rodgers in the 11th inning with the winning run for the Cubs.

In other National League games, the Braves blanked the Pirates, 1-0, as Warren Spahn won his 19th, the Phillies nipped the Reds, 3-2, and the Giants defeated the Colts, 8-3.

More than 100 million animals were humanely slaughtered in 1962, first year of the U.S. federal Humane Slaughter Law.

Australians Eliminated From Meet

FOREST HILLS, N.Y. (UPI)—What, no Australians?

The incredible has happened in the men's singles division of the U.S. tennis championships where four Yanks, two Brazilians, one Mexican and one Briton make up the last eight survivors with nary an Aussie in sight in the quarterfinals for the first time in 13 years.

Lanky Frank Froehling III of Coral Gables, Fla., took out the big one Wednesday with a four-set victory over second-seeded Roy Emerson while Dennis Ralston of Bakersfield, Calif., accounted for another one in a four-set triumph over young John Newcombe. The other Aussies departed much earlier.

"I don't see how they can leave me off the Davis Cup team now," said the 21-year-old Froehling, the nation's second ranking player who has been having such a miserable campaign he was unseeded here and ignored by Davis Cup selectors.

Frank was due for his next shot today against sixth-seeded Bobby Wilson of England, one of those surprising British Davis Cuppers the U.S. will have to face at Bournemouth, England, later this month.

Ralston was paired against Ron Barnes of Brazil in the other men's feature while top-seeded Chuck McKinley of San Antonio, Tex., Marty Riessen of Evanston, Ill., Rafael Osuna of Mexico and Thomas Koch of Brazil had the day off.

Froehling came in a winner over Emerson, 6-4, 4-6, 9-7, 6-2, and Ralston bounced Newcombe, 6-3, 6-4, 3-6, 7-5.

Bonanza Football Team Grabs Dark Horse Role

By JERRY WAGGONER
Herald and News Sports Editor

While Merrill's state finalists football team is waiting patiently for the season to get underway with them as the favorite, Bonanza is beginning to rumble down deep with thoughts of upsets and a good season.

The Antlers lost quite a few of last year's club, but have some good boys and a new coach. He is Carlyle Stuart, late of Bly where he was head basketball mentor. He replaced John Lundberg who decided to give up coaching football, at least for the present, and just remain in the Bonanza system as a teacher and possibly wrestling boss.

The Antlers are a spirited group and one capable of pulling off a few upsets. They are not exceptionally big or exceptionally fast. But they have one of the most feared running backs in the league in junior Rod Pfeiffer and a good passing quarterback in Ernie Nichols. Neil Tofell has the full-back running chores well in hand, and a little transfer in 110-pound Gery Keck provides the speed and shiftness.

Coach Stuart has Bob Freirich assisting him. Both say that a few mistakes cost the Antlers dearly a few games last season and they hope to correct those mistakes before they happen this season.

Bonanza finished with a 3-2-1

record last year in conference action. The Antlers beat Malin both times, tied Chiloquin once and lost twice to Merrill. Merrill shut them out in the first game, 19-0, and won the second 27-14.

"The starting offensive backfield has been looking good," Stuart said. That includes Pfeiffer, Nichols, Tofell and Keck. Nichols has probably the best passing target in the league, also, in end Rick Steber, only a junior. Steber is rangy at about 6-3, has speed enough to be a good hurdler in track, and good hands. His freshman brother Bill is at the other terminal post. He is about 6-1 and fast.

The remainder of the starting offensive line, as Stuart sees it now although he said anyone could still gain a starting berth by opening game time, would have senior Roger Jacob and Greg Williams, a junior, at the tackle spots. The guards probably will be junior Don Schmoee and junior Robert Hankins, both with fair size. Gene Pennington, a junior, is set at center. He is a stocky-built lad and handles the chores well.

Rick Steber, Jacob, Schmoee, Hankins, Pennington, Tofell, Pfeiffer and Keck probably will go both ways and will be joined on defense by Ed Fernlund, a line-backer who is full of dynamite despite his small size. He will also call the defensive signals. Lynn Brotherton also will be on the defensive crew as a halfback. Dean Davis, a junior, will be at safety.

Some other boys who turned out recently and may get to see a lot of action are Bill Newlun, Ted Dearborn, Howard McGee, Zeke McWilliams, Jim Seater, Bob

Hartley, Chumee Eagle, Clyde Schmidt and John Yancey.

The Antlers will open against Sacred Heart Academy at Gem Stadium Sept. 13. Then the big one comes against Merrill. They take on Tulake Sept. 26 and have an open date following that. Chiloquin is an Oct. 11 foe, Malin on Oct. 18 and then the league
