**Flower Show School**  
Plans are now completed for the flower show school, chair-manned by Mrs. Chester Main of Klamath Garden Club District 12 under the auspices of the Oregon State Federation Garden Club, which is a member of the National Council of Garden Clubs.  
The three-day course is scheduled for Sept. 16, 17 and 18 from 9 a.m. until 3 p.m., the first and second days, with a break at noon for a sack lunch. The school will be at the Klamath Auditorium through the courtesy of Gary Gooding of the recreation department.  
The course in its entirety or any part may be attended. Monday morning will be devoted to horticulture. The afternoon session will deal with flower arrangement and related subjects.  
Mrs. Allen B. Scott, Corvallis, and Mrs. Joe E. Wolff, Bellevue, Wash., will be the instructors.  
It is hoped many will plan to attend. All courses are open to anyone, local or out of town residents, garden club members as well as the general public. The fee is \$5 for two days and \$1 for the examination. For anyone planning to attend one day only, the fee is \$3.  
Books for Course 1 and 2, which are required reading for those interested in becoming flower show judges, will be for sale at the school.

**KITCHEN COLOR**  
Color plays an important role in our daily lives. Since women spend several hours each week in the kitchen, they need a cheery place in which to work. In selecting colors for the kitchen, either in appliances, wallpaper or paint, consider the exposure of the room. Cool colors such as the blues and greens may be best if the kitchen gets bright sunlight. On the shaded side of the house? Then use light, warm tones such as yellow or pink.
