Transfer Can Help

By OSWALD JACOBY
 Newspaper Enterprise Assn.
 The Jacoby Transfer Bid (JTB) works mightily well with a poor hand. Your partner opens a no-trump, you transfer to your long suit, your partner responds and you pass. Naturally, he is disappointed when you pass, but when he sees the dummy he is content to play the part score contract. With a good hand you transfer, then go to game. This keeps the play in the no-trump hand and the advantage of having the lead come up to him will frequently be worth the game making trick.

North's two heart response was the Jacoby Transfer Bid for spades. After South went to two spades as ordered North jumped to game. West opened the queen of hearts and South proceeded to get rid of one of dummy's clubs before starting after the trumps. He had no trouble making his contract. He had to lose one trick in each suit except hearts, but four tricks are needed to set four spades.

Had North played four spades, as he surely would have without the JTB at his disposal, he also might have made the game. There is no telling what East would have opened.

Had East led a club, West would have picked up two tricks right off the bat and there would have been no way for North to avoid the loss of two more tricks later.

Q—The bidding has been:
 North East South West
 1 N.T. Pass 2 ♣ 3 ♣
 3 ♣ Pass ?
 You, South, hold:
 ♠ Q 7 4 3 ♥ 8 6 4 3 ♦ 8 5 4 2 ♣ 4 3
 What do you do?
 A—Pass. Your partner surely has good spades and better than a minimum no-trump, but your hand does not warrant a game contract.
