Klamath County League Swings Into Action Friday Night

Rebuilding Henley Hornets Open Against Chiloquin Friday Night

Coach Len Weber and his Henley Hornets swing into action Friday night at the Henley field at 8 p.m. when they take on inexperienced but spirited Chiloquin, a team which always gives them a hard time, in the opening game of the season for each team.

The Hornets, second place winners last year in the very rugged Rogue Valley League behind champion Phoenix, will not be as strong this season because of the heavy losses suffered from graduation. But the Hornets will be the pick Friday night over Chiloquin and won't figure to finish in the Rogue League cellar.

Henley has back some good players but lost many good ones. Gone are All-League players Earl Allbritton, Mike Beymer and Charley Thompson. Allbritton quarterbacked the team while Beymer was an end and Thompson a tackle. Also missing is rugged halfback Steve Reiling, Phil Hale, lineman Leo Huff, Don Breithaupt and Joe Kerns.

But there are some able replacements in some cases. The backfield will be built around LeVoy Young who was one of the finest all-around athletes in the conference last year as a junior and Kim Hale, a transfer from Chiloquin and one of the best running backs in that league at the end of last season. Steve Rand, a short but quick senior, will be at the man-under spot and Bill Fisher, a letterman and hard runner, at the other halfback.

The line is built around big John Riggs and Dick Johnson. Another shot in the arm was the transferring in of Roger Vargo, an all-city lineman last year in the Denver area. He will open at a guard spot with Don Berry. Riggs and Johnson are the tackles and Elton Schiro and Duane Larson the ends. Lyle Bergstrom will be at center.

Gary Barker will get a chance to handle some of the quarterbacking chores probably and Fred Rodriguez, 127 pounds of dynamite, will be on the defensive unit. Dave Lindland also will see some defensive duty. Bugs Lewis will handle all the kicking chores except the punting which Hale will do.

Coach Weber is rigging his troops for the battle like it was a league game which counted heavily. He realizes the battle the Panthers always put up against the Hornets for some reason.

"Phoenix will be the big gun in the league this year. They have 36 lettermen back," Weber said almost unbelievingly. "They had a tremendous club last season. I honestly think they could give Medford a run for it this year. And Eagle Point and St. Mary's always are strong, although St. Mary's lost all of its good backs," Weber related. Neither did he forget the fact that Lakeview is sitting quietly over the hill waiting for another try at Henley in a traditional rival game.

The Klamath County League football race begins Friday night and the league favorite is the same one picked last season—Merrill.

Chiloquin will be at Henley to open the session Friday while Tulelake will be hosted by favorite Merrill and Sacred Heart and Bonanza meet at Gem Stadium in the other affair. Saturday's slate finds Lakeview at Burns and Malin hosting the Henley Jayvees. The Lakeview game begins at 2 p.m. and the Henley-Malin tilt at 1:30. All are non-conference contests.

Merrill's Huskies, which finished atop the KCL last season and advanced on to the state finals before bowing to a mighty Monroe 11, is the heavy favorite again this season. The Huskies have virtually all their players back. They are missing a few by graduation and lose a little weight in the deal. But Coach Gene Christiansen said that the Huskies will be some faster.

The champion Huskies have 18 lettermen back to build around, nine of them senior starters. The attack is built around a fine backfield which is manned by probably the best balanced unit in the league in fine throwing quarterback Dale Kurtz, speedy and powerful halfback Ken Smith, strong fullback Bob Moore and hard-running junior Jim Merrilees.

The line consists of some beefy Huskies in Bill Geraghty, Dwight Winther, Earl Danosky, Doug Woods, Lynn Long, Larry Conner, and Ted Roller. Roller is the glue-fingered end who had such a good season last year off the aerials of Kurtz, a southpaw. He, however, will not play Friday night because of a fractured left hand. He should be ready for the game next week against Bonanza, Christiansen said.

Others who will see action are Gary Thompson, Gary Orem, Bob Merrilees, Chuck Cahan, Jim Moore and Ken Haskins. A couple of younger ones looking good are Mike North, a freshman, and sophomore Mike McKoen.

The Huskies opponent will be Tulelake which is pretty much an unknown quantity as yet. The Honkers lost most of their big guns off last year's team and have 11 lettermen back who saw action last season. They include quarterback Brad Slezak, David Krizo, Roy Krizenbeck, Kurt Thomas, Rick Krizenbeck, Rich Krizo, Joe Hoyle, Bruce Young, Rick Fuller, Robert Fensler, Gary Tatum and Robert Duran.

The Honkers have a pair of new mentors in Darrell LaRue and Gary Straus doing the rebuilding job on the Honkers. The Honkers turned out 31 for first drills. The probable starters are Slezak at quarter, Roy Krizenbeck at fullback, Ken Klassen at left half, Leslie Mauch at right half, Thomas at center, Ryck Prenger and Rick Fuller at guards, Fensler and Brian O'Neill at tackles and Gary Tatum and Young at ends.

Chiloquin is another of the teams which lost heavily, including the transfer of star halfback Kim Hale to Henley. The Panthers will be playing against their old teammate Friday night.

Coach Gordon Kuist lost heavily by graduation including Al DeBortoli and Tony Wilder, a pair of very fine backs. He says that the spirit is better than ever in the eight years he has been there but that the line is going to have to do a big job because the backfield is weak.

He has eight lettermen back and all probably will start. The only two returning backs with which to build are Don Taylor and Jim Bridge. Bridge played only sparingly last season. Taylor will quarterback Kuist's single wing operation.

The other two probable backs will be speedy Dan Penhall and either Allen Foreman or William Woods. The backs will have a competent line in front of them. The end position seems to be a strong one with tall and rangy Tony DiUlio and lanky Leonard Wilder there. Both have good hands and DiUlio has good speed. The tackles probably will be rugged Lynn Hescock and Oran Miller, both 180 - pounders. The guards will be David VanWormer and Roger Nicholson. Both weigh under 165 but are quick and hit hard. The center will be capable Dennis Potter at 160.

The Panthers will be underdogs to the Class A Henley 11, but the Panthers always seem to give the Hornets a rugged time. The Hornet 11 won last year, 20-0, with its fine team. They will be favored again.

Bonanza's Antlers will be the main opposition for Merrill in the KCL. The Antlers could have some surprises in store with a good looking backfield and some good linemen.

The Antler backfield is built around hard-running Rod Pfeiffer. He was one of the most feared runners in the league at the close of last season. He is a little bigger, stronger and faster this year with some track experience behind him. He will be joined by pin-point passer Ernie Nichols at the quarterback position and Nichols also likes to run with the ball. The big fullback is Neil Tofell. A new addition to the backfield is a California transfer Gary Keck. He shadows the scales at only 110 but is fast, thinks good and hits surprisingly hard.

At end, which seems to be a strong point in the league, the Antlers will have fast and rangy Ricky Steber, also a good trackman with good hands for catching the passes. His freshman brother Billy will probably go at the other terminal. He is tall, skinny and fast on his feet.

Bonanza linemen include Ed Fernlund, Don Schmoe, Gene Pennington, Dean Davis, Greg Williams, Bill Newlun, Ted Dearborn, Bob Hartley, Bob Hankins, Roger Jacob, Clyde Schmidt, Jim Seater, Chumee Eagle, Lynn Brotherton, and Zeke McWilliams. This includes both offensive and defensive players.

Malin will take on the Henley JV club Saturday afternoon. Coach Andy Travis still is rebuilding his team. The Mustangs won only one game last year but have all the players back with which to build. There are 12 players who lettered and they will be the nucleus and go most of the way.

The 12 lettermen are Sherm Kalina, a 205 tackle, Tom Brown, Bill Whitman, Charles Henderson, Reggie LeQuieu, Dale Parrish, Jack Worthington, Warren Cacka, Bob Bauer, Phil Petrasek, Ruben Aldinger and Jay Parrish.

Kalina and Brown are each three-year lettermen as is Henderson. Whitman has two letters and the others one. The Mustangs will be fast and have probably the fastest back in the league in Bauer. He is a track sprint champion. Dale Parrish, Bauer, Jay Parrish and Jack Worthington will make up the backfield. Brown is a good tackle for 165 pounds and Kalina one of the best in the league. Henderson is a small (125 pounds) end but a rugged one. LeQuieu is tall and has fair speed and good hands.

Pelicans Ready To Tackle Rugged Grants Pass Friday

The Klamath Union Pelicans still are prepping for their big opening battle Friday night against rugged Grants Pass and things still look good according to the "reserved optimism" of the KU coaches.

The Pelican Booster Club watched the films of the Red-White game at the booster meeting Wednesday night and also viewed the Grants Pass game of last year. It was fortunate that that game was played in the mud after the Columbus Day storm. The Pelicans won, 12-9. Grants Pass' speed was slowed by the soggy turf.

The Pelicans could use that soggy turf again this season because all four of the starting Cavemen backfield of last season are back to demoralize foes this season. Grants Pass has probably the fastest quartet in the state in quarterback Tom Sparlin, halfbacks Gary Van Koten and Terry Isabell and flanker back Rich Ireland.

Coach Bob Williams said that the Cavemen have seven players back and that most of them played last year regularly. Another good one is end Marty Bauer who will be bigger and stronger with his track program.

Another innovation instilled this year by the coaching staff to help get more fight to the ounce from the Pelicans is a special defensive unit. They are called the Green Sharks because of their viciousness. Coach Wade Patterson commented that Band Director LaMar Jensen had agreed to play "Mack the Knife" just before sending the Green Sharks into action.

Grants Pass will be out for blood Friday night at Modoc Field when they return to the site of their tragedy last season when the Southern Oregon Conference was hot. They will not have forgotten that loss.

This is a non-conference game. The second time they meet will be for the blue chips and that will be in Grants Pass on Oct. 11. The schedule had to be changed this season because of the realignment program and Marshfield was taken off the slate because they were put in a new league.

Jayvee coach Jack Peterson also reported. He said that he was more optimistic than last week but still hurting, especially at quarterback. He said he was hurting most there although he has some pretty good running backs in Greg Scott, Jim Scott, a transfer, Gene Badker, Jim Wilson, Doug Davis and Byron Hall.

"We look pretty good defensively, but we sure have to work a lot on the offense. These kids seem to think defense is the entire game," he said.

Coaches Jim Smith and Al Keck reported on the freshman crop and said that things are shaping up pretty well. They have 49 players on the roster. Keck issued and they named 26 of those who looked like good prospects. "We have more good players than last year and will have trouble selecting the proper players for the first game. We are heavier by about 12 pounds over last season, too," Keck stated.

PREDICTS KNOCKOUT

PITTSBURGH (UPI) — Carmen Tedeschi, manager of middleweight contender Hurricane Carter, predicts a knockout Saturday when Carter meets Argentine champion Farid Salim at the Civic Arena.

Tedeschi, reminded that Salim has never been knocked out, quickly remarked, "He was never in a hurricane either."

REPORT FOR PHYSICALS

BOSTON (UPI) — The Boston Bruins, the National Hockey League tailenders, will report for physical examinations today in preparation for the opening of their pre-season training camp.

Coach Milt Schmidt said twin workouts will begin Friday and will continue as long as he feels it necessary.

Spokane Evens Playoff Set With Oklahoma City, 3-2

By United Press International

Spokane and Oklahoma City are starting from scratch as both clubs now have one victory in the Pacific Coast League playoffs.

Tonight the final game in Spokane will be played with Ben Johnson, a 32-year-old right hander taking the mound for the 89ers while the host Indians will start 23-year-old Phil Ortega. Johnson, during the regular season had a record of 11 victories and 9 defeats and Ortega had 13-9. The clubs will use Friday to travel and resume the series Saturday night at Oklahoma City.

The Indians came through with a single run in the ninth inning Wednesday night to take a 3-2 decision and knot the best of seven series. John Werhas drove in relief hurler Dick Scott, who had doubled, with the decisive run.

Both men shared the honors. Scott took the mound in the seventh inning and didn't allow Oklahoma City a hit. Howie Reed had started on the mound and was relieved by Jack Smith and then Scott took over.

Manager Danny Ozark beckoned Scott when the bases were loaded and nobody out. Scott struck out the first two men to face him and then forced bothersome Dave Roberts to pop up. It was Roberts who drove in the first 89er run in the fourth inning with a long double to left field.

Werhas drove in Spokane's initial run with a sacrifice fly in the third inning. Werhas scored on Dick Beradino's single in the sixth for the second Spokane tally.

Englehorn Defending Fem Crown

EUGENE, Ore. (UPI)—Defending champion Shirley Englehorn, out of a hospital less than a week, began her bid for a repeat championship in the $10,000 Eugene Ladies Open golf tournament today.

The Caldwell, Idaho, girl was hospitalized in her hometown last Friday after becoming ill. Tests revealed nothing more serious than nervous exhaustion, but it caused her to miss out on the Spokane Women's Open.

She would like to make up for it with the $1,250 first prize here. Miss Englehorn punished the 6,522-yard par 38-36-74 Eugene Country Club course last year with a pair of 69s, the first time a woman had broken 70 on the course.

Other pre-meet favorites were Kathy Whitworth, winner of the Spokane Open, and Mickey Wright, who was after her 10th victory this year.

The field includes 38 professionals and 13 amateurs, including women's collegiate champion Claudia Lindors of Anacortes, Wash. June Robinson, Albany, Ore., the low amateur last year, was not entered because of work commitments.

The pros will be paired with three men in a pro-am tournament the first two days of the meet, but will have the course to themselves the last two days.

Scores in the $1,000 pro-am also count toward the medal totals.

Most of the women arrived here Tuesday for their practice rounds, but Miss Wright relaxed with a 7½-mile fishing trip down the nearby McKenzie River in a specially-built river boat.

Her day's score was four trout, six under the limit.

Social Affair Set After Game

All fans are invited to attend a social get-together Friday night following the Grants Pass-KU game. The affair is slated to begin after the game at Reames Country Club.

The social affair is one of the Pelican Booster affairs. It costs nothing and all fans are invited to attend.

Booster president Bob Moore also announced that the Booster Club outing, originally planned for Saturday, has been postponed to a later date which will be announced in advance.

OTI's Season Tabs On Sale

Season tickets for all the Oregon Tech 1963-64 athletic events are now on sale at the college.

This year one season ticket will cover football, basketball and wrestling events. The adult ticket is $10. This is a savings of $15.50. A special high school ticket will sell for $5. All grade school students will be admitted free with a special pass.

Reserved seats during football season will be between the 40 and 50-yard lines and a special section will be set aside during basketball season. The athletic promise of OTI is looking up for this season so now is the time to get the tickets and save. Anyone interested should call TU 2-3466, Ext. 46 or 68.

NEW FACES AT HENLEY — Henley got a pair of welcome transfers this season when Chiloquin's Kim Hale (left) transferred and gave the Hornets needed help in the backfield. Roger Vargo, an All-City lineman from Denver, will open at one of the guard positions when the Hornets meet Chiloquin Friday night at Henley. Assistant Bob Creed is showing the players something on his clip board.

Pheister Pleased At OTI

The 1963 Oregon Tech grid squad held its first practice Monday and optimism reigned supreme. Head coach Ron Pheister was pleased with the overall showing of his 53 charges.

The workouts were rough but the new Owl gridders responded in good spirit. A short scrimmage was held in the afternoon. The Owl coaches had praise for the All-American backs, Bob Battles and Sonny Luke. Battles riddled the Owls secondary as he carried for good yardage on each play. However, the Owl defensive wall, which averages 250 pounds, kept the offense from running away with the show.

The defensive linebackers also performed in a true and tried college fashion. The Owls concentrated mainly on their running attack.

Morale on the squad is high. The players are keenly aware that there are only six practice days until they tangle with the rugged semi-pro Seattle Ramblers. They meet the Ramblers on Modoc Field, Saturday night, Sept. 21, at 8 o'clock.

The first full scale scrimmage is slated at 2 p.m. this Saturday at Modoc Field.

The Owls turned out strong for the first workouts and now are up to a good par and the coaches are optimistic about the chances of the Owls in 1963. In addition to the two All-Americans, there are many other good players to join the Owls from junior colleges.

John Pattison is an end from Boise JC who looks good. A very fast San Francisco City College transfer is Claude Shipp who runs the 100 in 9.5. Jack Kotter, Gordon Ranta, Alan Brady are others to transfer.

One of the prize catches from area high schools was little Mike Glines of Crater. Klamath fans will remember him from football, baseball and basketball against the Pelicans. He is small, wiry, and a good football player. He handles the ball well, throws well and runs well for a small boy. He stands only about 5-8 and weighs about 150 or 160. But he has a big line in front of him.

Season tickets are still on sale at Herman's and at the chamber of commerce. The season ticket is $10 and that includes all football and basketball games which is a saving of $15.50. Season football tickets also may be bought separately at $5.

GUARD CORPS READY FOR ACTION — These are the guards for the Klamath Union Pelicans. Most of them will see action Friday night when the Pelicans take on the Grants Pass Cavemen at Modoc Field at 8 o'clock. They are (left to right, bottom row) Terry Chistiansen, Steve Campbell, Mike McKibbon, Larry Dow, Gary Crain, Tom Osa, Bob Bunyard and Lyle Haney. Campbell and McKibbon will open at offensive guards and Christiansen on defense in the probable lineups.
