

# Subcommittee To Study Department Of Education

SALEM (UPI) — A subcommittee to make a study of the operation of the State Department of Education was named Wednesday by Interim Education Committee chairman Sen. Al Flegel, D-Roseburg.

Rep. Robert E. Jones, R-Portland; Rep. Nancy Kirkpatrick, D-Lebanon, and Sen. Walter Leth, R - Salem, will spearhead the probe.

Flegel termed the study, assigned by the legislature when the interim committee was created, "a real tough nut to crack. I think it's the toughest job the committee has."

As part of the study, the Oregon School Boards Association and Oregon Education Association have been asked to submit separate reports on the impact of the state board on local districts.

State Public Instruction Supt. Leon P. Minear pointed out that much of the department's manpower is used to supervise federally supported programs.

He said it was the state department's job both to see that minimum standards were enforced, and to encourage improved quality in education programs offered by the state's 450 school districts.

Sens. Glen Stadler, D-Eugene; Tom Monaghan, D - Milwaukie; Leth, and Rep. Veola Wilmot, D-Eugene, were appointed to the Subcommittee on Community Colleges.

Reps. Edward Branchfield, R-Medford, and Robert Dickinson, R-Lake Oswego, were assigned to study the need for reclassifying the state's education laws.

## Crash Kills 18 In India

NEW DELHI (UPI) — An Indian Airlines plane crashed early Wednesday in remote ravine country about 175 miles south of here, killing all 18 persons aboard.

An airlines spokesman said the plane carried 13 passengers and a crew of five. All the dead were Indians except two Ceylonese and three Japanese passengers.

Aviation Minister Raj Bahadur said an airworthiness test had been carried out on the plane, a British-made Viscount prop-jet, little more than a month ago.

The crash area, about 35 miles south of Agra, is inaccessible by car but investigators flew to the scene in helicopters. There was no immediate report on the cause of the crash.

## Institute Denied School License

PORTLAND (UPI) — The Charles Simmons Institute was denied a license today to conduct its public relations school here on the grounds that its students have been "knowingly overreached, if not defrauded."

Circuit Judge Barnett Goldstein handed down the decision upholding State Superintendent of Public Instruction Dr. Leon P. Minear.

## Confab Set By Lawyers

Mate, or Paraguay tea, is a popular drink of the Argentine and is sipped through a tube.

PORTLAND (UPI) — Oregon State Bar members will hold their annual convention here starting Sept. 19.

Visiting lawyers will spend three days studying new procedures in state and federal jurisprudence, hearing three major speakers, attending three continuing legal education courses, and hearing reports from nine of the Bar's committees.

Eugene V. Rostow, dean of Yale's law school, and William M. McAllister, Oregon's chief justice, are among the speakers scheduled.

## Gambling Fines Handed To Pair

PORTLAND (UPI) — Two men convicted of gambling were fined \$300 and court costs of \$250 Tuesday in Multnomah County Circuit Court.

Payment was suspended pending disposition of a motion for a new trial for Albert Battaglini, 51, and Anthony Marconi, 49.

The two were among 14 persons arrested July 4 in a series of gambling raids. A jury convicted them Thursday.
