## Highway Group Slates Winnemucca Meeting

The prospect of obtaining a one-number federal designation for the Winnemucca-to-the-Sea Highway, which passes through three states along its 500-mile route from Winnemucca, Nev., to Crescent City, Calif., will be among the principal subjects to be discussed during the regular meeting of the Winnemucca-to-the-Sea Highway Association, next Saturday in Winnemucca.

The highway, nearing completion, links Nevada, Oregon and California and provides motorists east of Winnemucca with a shorter route to the Northwest.

Its route starts from Winnemucca and follows to Denio, Nev., and through the Oregon cities of Adel, Lakeview, Klamath Falls, Ashland, Medford, Grants Pass, and Cave Junction, terminating at Crescent City, Calif.

Representing Klamath County at the meeting will be County Commissioner Frank Ganong, accompanied by Winston Kurth, assistant county engineer.

The county officials will go to the Nevada city from Prineville, Ore., where they will attend a meeting of the association of Oregon Counties, District 2, on Friday.

The association will receive reports on highways from the various counties for inclusion in a larger report to be prepared for the state interim committee on highways, Ganong said.

## Horned Owl Given Zoo

A great horned owl has been added to the Klamath Falls Zoo. Parks and Recreation Director Gary Woodring said the owl was left at the zoo Monday by a donor who didn't leave his name.

The bird is on display in the eagle cage.
