## Local Lad Wins Award For Forest Fire Alert

A 13-year-old Klamath Falls youth has been cited for his initiative in reporting a forest fire and assisting in its suppression before the blaze could burn out of control and cause major damage to the Winema National Forest.

MIKE ASHER

The recipient of an Oregon Green Guard Service-Under-Fire award is Mike Asher, 1960 Fremont Street, who is the son of Bob Asher, fire control officer of the Klamath District of the Winema National Forest.

During the year, the Keep Oregon Green Association presents similar awards to those who contribute in some measure to the prevention of forest fires. George Wardell, supervisor of the Klamath Forest Protective Association, recommended Asher for the award.

The incident for which young Asher was cited occurred earlier this year as the youth was riding his bicycle on Ichabod road, near Lake of the Woods. The youth observed smoke coming from a thicket and he left his bicycle to trace the source of the fire. Asher's investigation revealed that a tree had been set afire and he raced back to his bike and pedaled more than a mile to report the incident to rangers at the Lake of the Woods Ranger Station.

The youth directed a forestry crew to the scene of the fire and helped them extinguish it. Subsequent investigation by forest rangers indicated that the fire had been set intentionally.

## School, Shop Entered By Burglars

Two burglaries — neither of which netted thieves any loot — were reported to Klamath Falls police simultaneously at 7:17 this morning.

Police said Dale's Body Shop, 833 Main Street, and the Conger School on California Avenue were entered and searched, but nothing could be found missing.

Thieves entered the auto shop by prying open a wooden door. The desk was ransacked. Conger School was entered by burglars who went through a basement boiler room door after slipping the lock.

The school's office was ransacked, but the thieves missed money on a shelf. Both burglaries occurred during the night.

## Rites Held For Jones Ill Itinerant Dies In KF

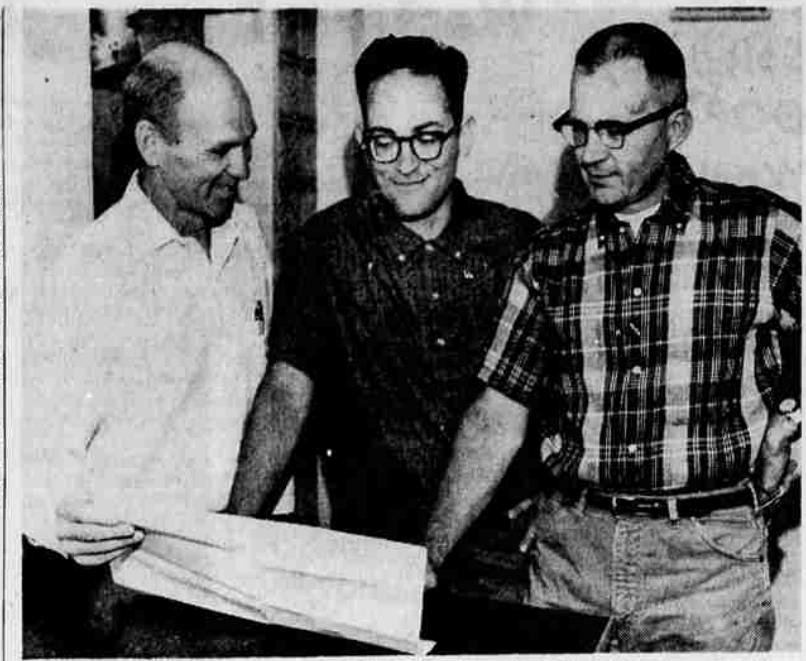

Masonic services for H. Edwin Jones, long-time Klamath County resident who died here Sept. 9, were conducted from O'Hair's Memorial Chapel on Sept. 11. Interment was in the Linkville Cemetery.

Born Dec. 23, 1880, in Blue Eye, Mo., Mr. Jones came to Klamath County from San Francisco in 1917. For 14 years he was employed by the Acme Motor Company and then operated the H. E. Jones Machine Shop from 1932 to 1946.

In 1946 he moved to Crescent City, Calif., where he was in the saw mill business, and returned to Klamath Falls following his retirement in 1953.

Active in local fraternal and lodge organizations, Mr. Jones was a member of the Klamath Lodge No. 77, A.F. & A.M.; Scottish Rite Bodies; York Rite Bodies; Order of the Amaranth; Manzanita Chapter, O.E.S.; Hillah Temple, R.P.O.E., No. 1247; and the Rotary Club.

He is survived by his wife, Rose, Klamath Falls; one son, Ralph D., Big Fork, Mont.; one daughter, Edna Adams, Portland; one brother, A. A. Jones, Branson, Mo.; and several nieces.

JOIN LOCAL STAFF — Two new additions to the staff of the Soil Conservation Service are shown here with Dick Wylie, conservationist, far left. Center is Lee deMoulin and far right Joe Cahoon. The two new arrivals will assist the local SCS districts with a soil survey report for the Klamath Basin.

## Two Newcomers Join Soil Conservation Staff

Two newly arrived members of the local staff of the Soil Conservation Service will participate in a soil survey report for the Klamath Basin as one of their first tasks.

The two new arrivals are Joe Cahoon, transferred here from Lakeview, and Lee deMoulin who comes here from Salem.

Both men will assist the Klamath, Langell Valley and Poe Valley Soil and Water Conservation districts.

They will join with John Tribe in the compilation of data on the soil survey report. Every acre in the soil survey area will be mapped and boundaries of different soils recorded in aerial photos.

Soils essentially alike will be labeled under the same name, and will be suitable for the same production uses.

The survey party will record significant properties of the soil's texture, structure, reaction, consistency, depth to bedrock, and other characteristics.

Estimates will be made of waterholding capacity, permeability, runoff, erosion hazard, fertility, depth of root penetration, suitability for dams, roads, and different kinds of crops. Data on crop yields under specified sets of management practices — invaluable information in making conservation plans — also will be gathered.

This information will be published after the survey is completed. Those interested in additional information are invited to stop by the Soil Conservation Office, room 512, Medical-Dental building.

Cahoon is a graduate of Oklahoma State University and has worked for the Soil Conservation Service in New Mexico, Oklahoma, Washington and Oregon. He will reside at 5805 Delaware with his wife, Tallia Margaret, and two sons, Joe Robert, 8, and John Warren, 5.

Cahoon previously worked in this area on Klamath Indian Reservation activities. The other new arrival, deMoulin is a graduate of Oregon State and previously worked in the Salem area. He will reside at 1972 Portland with his wife, Deanna Lee and two children, LeRoy, 3, and Renee, 2.

## Judge Lists Retrial Date

Two new developments affecting the second murder trial of Bill Unsworth were made known in circuit court early today as the defendant appeared before Judge Donald A. W. Piper and heard the jurist set Monday, Nov. 18, as the time for the retrial.

An appeal that a second degree murder conviction of Unsworth be set aside was upheld by the Supreme Court earlier this summer. The court then advised the local circuit court to set a date for the new trial.

The first of the two developments occurred when Unsworth requested Judge Piper to dismiss his two attorneys and then appoint attorney Richard J. Smith to represent him. Judge Piper, who was named to try the case after Judge David R. Vandenberg disqualified himself yesterday, concurred with the request and appointed Smith as the defendant's attorney.

In the other matter, Unsworth indicated that he would withdraw his plea of not guilty by reason of mental defect and enter a plea of not guilty to the charge.

## Voters May Register With Clerk Saturday

Residents who must register to vote in the special tax election, Oct. 15, may do so at the Klamath County Clerk's Office, which will remain open from 8:30 a.m. through 8 p.m., Saturday, Sept. 14, for the accommodation of voters. County Clerk Charles DeLap said today.

## Improvement Funds Given Two Forests

The office of Congressman Al Ullman Thursday afternoon announced that \$150,000 has been appropriated under the Accelerated Public Works Act for improvements in Winema and Fremont national forests.

Alex Smith, supervisor of Winema National Forest, said the \$100,000 appropriated for his forest will be used for the interiors of buildings at the Chemult and Chiloquin ranger stations, plus finishing of driveways and curbs at those stations.

Also, "several miles" of range fence on the two districts will be built to enclose parts of rangeland now open. The road to the Wood River boat launching and picnic area will be surfaced and work will be done on the Meadow Creek timber access road. A well will be drilled at the head of Spring Creek as the first step in establishing a recreation area.

Supervisor Carl Simpson of the Fremont National Forest said his \$50,000 will be used for construction of 18 miles of boundary fence, the surfacing of a road to a fire lookout north of Beatty and the drilling of seven wells at prospective camp sites in the forest.

Work on the projects is expected to begin immediately, before winter sets in. The money, under the law, must be utilized within 120 days of appropriation.

## Death Takes Lillie Efir

LAKEVIEW — Lillie Efir, 69, died Sept. 10 at the Lakeview Hospital where she had been ill for several weeks. Her death occurred on the day of the funeral of her husband, Jacob Efir, who died Sept. 7. They were married in 1914 at Malvern, Ark.

Surviving are a son, Joel Efir of Lakeview; a daughter, Mrs. Rachel Stinson of Malvern; five grandchildren; and one sister, Mrs. Sally Cash of Memphis, Tenn.

Services were held Thursday afternoon at the Full Gospel Church in Lakeview, and interment was beside her husband in Sunset Park Cemetery. Rev. Obed Mark officiated and arrangements were by Ousley-Osterman Mortuary.

## Stinky Mountain Causes Uproar

NEWBERG (UPI) — It stinks on Parret Mountain, and area residents have demanded the Yamhill County Health Department do something about it.

Residents say a Portland chemical firm is dumping used chemicals on the land, five miles east of here. Last year residents complained because a Portland garbage company was dumping raw refuse on the property.

## Firemen Put Out Fire In Motor

Klamath Falls firemen were called Thursday evening to Mouldingcraft Inc., 320 Market Street, to extinguish a motor fire.

Firemen said there was no damage to the mill from the overheated electric motor.

## Woman Hurt In Accident

A 27-year-old Fort Bidwell, Calif., woman is in satisfactory condition at Klamath Valley Hospital with a dislocated hip and a possible leg fracture she received when the car in which she was a passenger struck a guard rail near Bly Mountain early this morning, Oregon State Police here reported.

Injured was Patricia Faithful, who was a passenger in an automobile operated by Virgil Johnny Dick, Adel, Ore. Police said that Dick, who was not injured, fell asleep while driving and the car ran into the guard rail. The vehicle did not leave the road.

Miss Faithful was believed to have been transferred to the local hospital by a passing motorist.

The theft was reported by Bob Tardiff, vice president of the company.

More than 800 firms are represented in this area and each employe of each firm will be contacted during October.

The goal for the two divisions is \$10,000 — part of the overall fund goal in the county of \$148,311.

About 90 men are expected for the meetings Monday and Tuesday — representing the volunteer workers of the two downtown divisions.

Leonard Jones and Keith Cobo, chairmen of the two downtown divisions, will conduct the sessions, which are designed to acquaint the volunteers with the techniques of soliciting and fund collection.

The two divisions will contact each downtown firm from Wocus to the Ashland-Weed Highway intersection south of Klamath Falls and to the Merrill-Lakeview intersection on South Sixth Street.

MOUNT SHASTA — Dr. D. D. Todorovic, well-known Siskiyou County physician who recently underwent brain surgery at the Travis Air Force Base hospital, is now convalescing at the Mount Shasta Community Hospital and may receive visitors. He practiced in Butte Valley before moving to Dunsmuir.

Wash. Russets 2.75-3.00; Bakers 3.50-3.75; Sids. 2.00 or spread 4.00-4.50, 6-14 or 3.25-3.50, U.S. No 2s 2.00, 2.25 U.S. No 2s Bakers 2.25-2.50.

Funeral services for Maria Campagna Fields will be held from the Chapel of Ward's Klamath Funeral Home Saturday, Sept. 14, at 12 a.m. Concluding services and vault interment in Eternal Hills.

GILMER  
Morris Allen Gilmer, 84, of Macleod, Calif., died Sept. 12, 1963. He is survived by the widow, Vera Gilmer, and a foster son, Hiroyoshi Tokigawa, both of Macleod. Funeral services will be held Monday, Sept. 16, at 2 p.m. at the Macleod Community Church, with interment at Lakeview Cemetery. Macleod, O'Hair's Memorial Chapel in charge.

Two Fires Fail To Do Damage Klamath Falls firemen Thursday afternoon extinguished two grass fires, neither of which caused any damage. The first call was at 12:14 to Applegate and Reclamation and the second was at 1:19 to 625 Lowell Street. Firemen said the latter fire was caused by sparks from a trash barrel.
