

Tax Election Holds Up Board Action

SALEM (UPI) — The threat of defeat of the \$60 million tax increase measure at the Oct. 15 election dominated activities of the Board of Control here Tuesday. The board authorized a \$3,000 inspection of the state-owned sewer line which serves institutions east of Salem, but delayed a decision on release of \$75,250 to repair the line until after the tax election.

Working drawings for two 25-boy cottages at MacLaren school for boys were approved, but further work on the project was postponed until after the tax election.

Also delayed until after the election was purchase of property on the Capitol Mall appraised at \$19,250.

The board said it would ask the attorney general to determine if the state could allow the new Moore Business Forms Building to hook onto a state sewer line.

The company asked permission for a temporary hookup because septic tanks cannot be used in the area. The firm hopes in about two years to hook up to the South Salem sewer district which is being organized.

Gov. Mark Hatfield, Secretary of State Howell Applegate Jr., and Treasurer Howard Belton cautioned that earlier attorney general rulings held the state could not approve such a lease. They said they would ask another opinion, based on the emergency nature of the request, and because it is planned as a temporary hookup.

Bid Helps Find Suit

By OSWALD JACOBY
Newspaper Enterprise Assn.
Take a look at the North hand only. Your partner opens one no-trump. If you play no conventions at all in response to a no-trump your best bet is to pass. You will only get into trouble if you bid.

Two hearts figures to be a better spot than one no-trump and ordinary Stayman players can get there by simply bidding two hearts. Two spades will be even better if your partner holds four spades and Jacoby - Stayman makes it possible for you to have your cake and eat it too.

You respond with two clubs. Your partner may only rebid to two in a suit. If his rebid is two diamonds you bid two hearts and he will pass. This gets you right where you would have been if you had responded two hearts directly. Actually he bids two spades and you have found the right spot.

You will make two spades even if you get the best defense, a spade opening and a spade return. You win the second spade in your hand, cash the ace and king of hearts and ruff a heart. Now you lead your last spade to dummy's queen and give West a heart trick. In order to hold you to two West must lead a diamond to his partner, who must return a club, whereupon they get two club tricks plus the spade, heart and diamond already in their possession.

What do you do now?
A—Bid six spades only. Your partner is still allowed to bid seven if he happens to hold the king of spades and queen of clubs in addition to his three aces.

TODAY'S QUESTION
Instead of bidding four spades your partner has bid three hearts over your three-club bid. What do you do in this case?
