

District Enters Conservation Contest

LANGELL VALLEY—The Langell Valley Soil Conservation District has entered the 17th annual Goodyear competition to select the nation's top 52 conservation districts, according to Lloyd Gift, district chairman.

Activities of the district will be weighed against the performance of other districts in the state to determine the one outstanding. The event is sponsored by the Goodyear Tire and Rubber Company of Akron, Ohio.

Key agricultural leaders will serve as judges and select the state winner. Soil conservation efforts from May 1, 1963, through Dec. 31, 1963, will be considered.

Grand award for the 52 districts selected nationally will be an expense paid work-study trip to Arizona in December, 1964, for one member of the district governing body and the outstanding farmer-cooperator in each winning district. The 104 men selected will be guests at Goodyear

Farms, a 14,000-acre general farm operation near Phoenix.

Langell Valley Soil Conservation District has taken part in the competition many times and was named the state's first place district in 1962.

District supervisors are Lloyd Gift, Louis Randall, Peter Hriczko, Harold Williams, Tony Quadros, Walter Smith Jr., and Frank Obenchain. Gift said the district's outstanding cooperator will be selected from the 180 farm operators enrolled in the district program. Nationally, about 1,800,000 farmers in the 2,900 districts will be eligible for the grand trip award.

The report of the district juvenile protection committee advocating such a school and other measures was adopted by district delegates and will be recommended to local PTA units for further action.

Educational Needs At Juvenile Home Discussed Before Group In Dunsmuir

DUNSMUIR — Educational needs at the Siskiyou County Juvenile Home were discussed informally by Paul Fischer, county superintendent of schools, at the meeting of the 25th district, California Congress of Parents and Teachers, in Montague last week.

Lack of schooling opportunities at the juvenile hall serves to substantiate the feeling of inmates that society does not care, Fischer said. He pointed out that state financial support is now available if the Siskiyou County Board of Supervisors initiates action and delegates jurisdiction for establishment of a school situation at the juvenile hall.

The report of the district juvenile protection committee advocating such a school and other measures was adopted by district delegates and will be recommended to local PTA units for further action.

Mrs. C. L. Gustafson, Weed, parent education chairman, reported on the recent parent education course in San Francisco where she attended sessions on film previews, the adolescent, home discipline, and parent en-

lightenment through group discussion.

A motion was passed commending specific cigarette company advertising aimed at encouraging young smokers. This motion will be presented for further action at the next state board meeting by Mrs. Lloyd Westby, Happy Camp district president.

Jerry Edwards, dean of students, College of the Siskiyou, made a plea for small scholarship assistance for students. Edwards said \$50 to \$75 scholarships awarded by PTA units could enable some students to continue college training.

There were 46 delegates present, 18 district officers and 10 unit presidents. Luncheon was served by the Montague PTA.

Racial Progress Pleases Judge

PORTLAND (UPI) — Supreme Court Justice William O. Douglas said Monday he was glad this nation was on the right track in combating racial discrimination.

Justice Douglas, accompanied by his young wife, spoke at the opening of reading week at Lewis and Clark College.

He said, "I'm sure that if this country had tried to segregate Jews and keep all of them in one school, everyone would have agreed years and years ago that it was unjust discrimination."

"But," Justice Douglas added, "with the Negro it was different. His background of slavery and servitude, and of being termed an unequal person, cast a long shadow which has been more difficult to remove. I'm glad this nation is on the right track."

Justice Douglas spoke at Whitman College in Walla Walla Monday night.
