COAST FOOTBALL ROUNDUP

PULLMAN, Wash. (UPI)—Washington State University football coach Jim Sutherland says that the Cougars will concentrate on offense this week as they ready for Saturday's game with San Jose State.

The first and second units Monday went through a light workout, but did no contact work. After the practice session, the team watched movies of last week's game with Arizona.

MOSCOW, Idaho (UPI)—Coach Dee Andros of Idaho today commented that his team would have to score plenty to keep up with the rugged Oregon Ducks in their battle Saturday.

"We've got a lot of work to do on offense," he said, reflecting on Saturday's 24-0 loss to Missouri.

Andros sent his team through running drills Monday.

SEATTLE (UPI) — Washington, which has lost three straight close battles, today worked out for Saturday's tussle against unbeaten Oregon State.

The first two units Monday worked on the quarterback option play. It was this play that Iowa repeatedly diagnosed and stopped while turning in an upset 17-7 win last Saturday.

CORVALLIS, Ore. (UPI)—Oregon State coach Tommy Prothro warns his squad that winless Washington will be "high" for Saturday's Beaver-Husky battle at Seattle.

Oregon State has rolled up 10 straight wins since dropping a 14-13 decision to Washington last season. The Beavers edged Baylor 22-15 with a last-second touchdown in a Saturday thriller.

Prothro sent his Beavers through a closed-gate practice session Monday.

EUGENE, Ore. (UPI)—Guards Ancer Haggerty and Don Cadenasso were today considered doubtful participants for Oregon in Saturday's game against Idaho.

Haggerty suffered a bruised knee and Cadenasso a deep leg gash as the Ducks blitzed West Virginia 35-0 in their best game of the season Saturday.

Guards Dale Wilson and Mark Richards, also banged up in the West Virginia game, probably will be ready for the Idaho contest.

Coach Len Casanova sent his team through a short workout in full gear Monday.

STANFORD, Calif. (UPI)—Soph quarterback Mike Connelly worked out with the Stanford first team Monday in lieu of injured starter Clark Weaver.

Weaver, hurt during Saturday's game against UCLA, may be out for the season.

Converted quarterback Dick Ragsdale also ran through plays at his old position and is expected to see some duty there. In fact, coach John Ralston says that Ragsdale is probably his best runner and defensive back and will play as much as possible in future games.

LOS ANGELES (UPI) — Mike Giers begins working out today as the first-string left tackle for the University of Southern California Trojans after being moved up to that position by coach John McKay.

McKay moved Giers to the first string Monday after viewing the movies of the Michigan State game which the Trojans won 13-10 last Friday night.

McKay said Chuck Arrobio would move up behind Giers, and Mac Byrd would be dropped to third string for Saturday's game against Notre Dame.

The coach also said Ernie Pye would start at fullback Saturday.

LOS ANGELES (UPI) — The UCLA Bruins begin working today to build their defense in preparation for their game Friday night against Syracuse in the Coliseum.

Coach Bill Barnes said Monday the Bruins would have to play a defensive game if they hoped to stop the powerful Syracuse team.

"I think the first and second quarters are going to be crucial if we are going to contain them," he said.

Barnes said he planned no position changes for the game.

NCAA Rules On TV Game

DALLAS (UPI) — The National Collegiate Athletic Association (NCAA) was to rule today whether the traditional Oklahoma-Texas football game Saturday in the Cotton Bowl will be televised.

Howard Grubbs, Southwest Conference executive secretary, asked Asa Bushnell of New York, director of the NCAA Television Committee, to rule on the matter. His decision was expected today.

Plans, as usual, were to televise the clash of the highly-rated teams in the Dallas area only. An NCAA rules allows such television if all seats are sold and there is no other NCAA team playing within 150 miles.

New Plan For Ducats

SAN FRANCISCO (UPI) — The Big Six announced Monday it has adopted a new system to handle the sale of tickets to the Rose Bowl football game.

Those desiring tickets to the next Rose Bowl game should drop a post card, with their name and address on it, to "Rose Bowl, Bin 1800, Pasadena, Calif." Prior to the game, 1,750 post cards will be drawn from the bin, and winners will be informed that they can purchase two tickets.

Dandy Sandy Unanimous Choice For All-Star Team

NEW YORK (UPI) — Sandy Koufax, the Los Angeles Dodgers' 25-game winner and World Series pitching hero, was the only unanimous selection today on the United Press International's 1963 major league All-Star team.

The 27-year-old left-hander, who beat the New York Yankees twice in the World Series after a season during which he struck out 306 batters, pitched 11 shutouts and compiled a 1.88 earned run average, was named by all 24 experts who participated in the UPI's post-season survey.

Also selected on the team were catcher Elston Howard, second baseman Bobby Richardson and pitcher Whitey Ford of the American League champion Yankees, first-baseman Bill White, shortstop Dick Groat and third-baseman Ken Boyer of the St. Louis Cardinals, and outfielders Hank Aaron of the Milwaukee Braves, Willie Mays of the San Francisco Giants and Al Kaline of the Detroit Tigers.

The endurance to maintain top-quality performance over the gruelling 162 - game, day - night, twi-night doubleheader schedule concocted by baseball moguls was a major factor in the selection of the team. Howard caught in 135 games — a very high total for a catcher — and every other player on the team played in at least 145 games.

Aaron, after a season-long bid for the triple batting crown, finished with 201 hits, 44 homers, 130 runs batted in and .319. Mays batted .314 with 38 homers and 103 rbi's and Kaline had 27 homers 101 rbi's and .312.

The position-by-position breakdown of the voting:

Catcher: Elston Howard, Yankees (18), Earl Battey, Twins (4), Ed Bailey, Giants (2).

1B: Bill White, Cardinals (18), Joe Pepitone, Yankees, Orlando Cepeda, Giants and Dick Stuart, Red Sox (2 each).

2B: Bobby Richardson, Yankees (15), Jim Gilliam, Dodgers (5), Bill Mazeroski, Pirates (3), Julian Javier, Cardinals (1).

SS: Dick Groat, Cardinals (23), Jim Fregosi, Angels (1).

3B: Ken Boyer, Cardinals (20), Ron Santo, Cubs, and Rich Rollins, Twins (2 each).

OF: Hank Aaron, Braves, and Willie Mays, Giants (22 each), Al Kaline, Tigers (18), Tommy Davis, Dodgers (8), Carl Yastrzemski, Red Sox (4), Harmon Killebrew, Twins, and Roberto Clemente, Pirates, (2 each).

Pitchers: Sandy Koufax, Dodgers (24), Whitey Ford, Yankees (16), Juan Marichal, Giants (8), Jim Bouton, Yankees, Gary Peters, White Sox, Warren Spahn, Braves, Jim Maloney, Reds and Camilo Pascual, Twins (2 each).

British Try Youth In Ryder Cup Play

ATLANTA (UPI) — John Fallon, non-playing captain of the British Ryder Cup team, indicated today he may gamble with youth in an effort to beat the Americans for the first time in this country.

In a surprise move Monday, Fallon teamed Welshman Brian Huggett and Scotsman George Will, a pair of 26-year-old golfers, making their first Ryder Cup appearances. Alternating with the same ball, they responded with an unofficial 67 on the par 70 East Lake Country Club Course.

It had been generally expected that Fallon would pair the young golfers with veterans. But although his move was just an experiment the fact that the Huggett-Will team was five strokes better than any other British twosome Monday indicated the experiment was a success.

Fallon is looking foor a combination to send against American captain Arnold Palmer and whoever his playing mate will be in at least four sets of foursomes Friday and Saturday — the first two days of the three-day, 32-match Ryder Cup tournament.

For the singles on Sunday, when Palmer expected to play in two of the 16 matches, Fallon may match him with husky Peter Alliss, 32-year-old son of former Ryder Cupper Percey Alliss.

Britain has beaten the United States in only three of 14 previous Ryder Cup mtaches and never in this country. One of the chief reasons has been the British inability to score well in the foursome. Last time they were outscored 6-2 in the foursome and only by one match in 16 singles.

When they last won, in 1957, it was by dominating the singles matches.

Changes Due 49er Lineup

SAN FRANCISCO (UPI) —Coach Jack Christiansen of the San Francisco Forty Niners said today that there will be "at least one change" in the offensive backfield Sunday when the winless Prospectors call on Baltimore.

One change could take place at tight halfback since Don Lisbon, a bright spot so far in the team's dismal season, pulled a hamstring muscle in the second quarter last Sunday at Detroit. It will not be known until Thursday if he'll be able to go against the Colts.

THE MODOC BRAVES — Standing back two rows (left to right) are Leland Ward, John Martin, Dick Clark, Scott Shefflin Chris Danhauser, Jim Ireland, Ernie Phillips, John Ford, Bob Thompson, Jim Kerr, Jim Van Loan, Jerry Geaney, Rich Cloud. Second row: Jim Nield, Jim King, Jerry Bailey, Bill Bishop, John Wall, David Starr, and Bob Hetherwick. Front row: Bobby Ray, Scott Fitzpatrick, Barry Hickerson, John McKernen, and Richard Hughes.

North Bend Team Tops Pel Swimmers

The Klamath Falls Pelican swimmers ran second to the North Bend Bulldogs in a four-way tank test held at Klamath Falls this past weekend.

The Pels collected 70 points in trailing the winning Bulldog team which compiled 91 points.

Taking third place was Reedsport with 56 markers and Marshfield trailed the field with 11 points.

In girls competition the North Bend team won with 97 points to 47 for Reedsport, Marshfield with 45, and the Pelicans with 29 points.

In boys action the Pelicans won just two events, the 100-yard breaststroke and the 200 - yard freestyle relay.

It was Mike Linville collecting first place for the Pels in the breaststroke in a time of 1:27.5, with the Pelicans' Doug McGinty third in a time of 1:34.6.

The relay team composed of Frank Palmer, Steve Kramer, Dave Kovich and Rob Sandmeyer won the 200-yard freestyle relay in a time of 2:06.9.

Other top places and valuable team points were gained by Chester Aubrey in the 100-yard butterfly as he was second with a time of 1:20.3 and Steve Kramer fourth in the same race in 1:26.9.

Second place was taken by Steve Palmer in the 100-yard backstroke in a time of 1:22.0 and third went to the Pels' Kramer in this race in 1:22.3.

The Pelican medley relay team of Sandmeyer, McGinty, Aubrey and Palmer was second in 2:21.5. And, two other second places went to Phil Verdui in the 200-yard freestyle in 2:38.0 and Dave Kovich in the 50-yard freestyle in a time of 31.1.

Sixth place went to the Pels' Tom Natale in the 200-yard freestyle in 2:55.1 and fourth place went to Kovich in the 100-yard freestyle in 1:11.4.

Rounding out the scoring for the Pelicans were fifth and sixth places captured in the 400-yard freestyle by Aubrey and Verdui respectively. Aubrey's time for fifth was 5:37.0 and Verdui posted a 5:52.3 time.

The Pelican swimmers are now off until Oct. 19, when they travel to Medford for a dual test.

Waterfowl Hunt Draws Sportsmen

(Continued from Page 9)

or early November. This will hold for Willamette Valley hunters, although some gunning will be available on locally produced birds.

As in the past, the popular Sauvie Island game management area near Portland will be a top choice for many hunters. The lower valley area should produce some top opportunities, especially along the backwaters of the Willamette. Gunning for western Canadas around Rickreall south to Fern Ridge should be tops this year, but migrations of these birds seldom appear much before early November.

East of the mountains, hot spots will undoubtedly include the Summer Lake waterfowl area, the Klamath Basin, Warner and Lakeview basins, the Columbia Basin, and the Ontario-Vale area along the Snake, Owynee and Malheur rivers. These shooting areas are favorite holdover waterways for ducks and geese and from year to year produce top opportunities.

The opening at Summer Lake should provide some fine shooting for local ducks, white-fronted geese, fair flocks of snow geese, and a few honkers thrown in for good measure. The big flights of snow geese that have made this area famous should be funneling in, reaching a peak around late October.

There should be some top goose hunting in Warner Valley for snows, cacklers, some whitefronts and honkers. The local hatch of ducks and Canada geese in this area is reported good. Snows should be funneling into the area in good numbers with the peak around late October.

The Lakeview area is noted for fine Canada shooting with good flights of ducks in the marsh areas of Goose Lake. Most hunters here work from pits or blinds in the grain fields throughout the basin. Decoys are a must to bring the big geese within range. Most hunting is on private property, so get permission before venturing into the fields and marshlands.

Along the Columbia, best bets appear to be from the John Day eastward. Mallard flights are usually heavy in this area, along with excellent flights of cacklers and Canada geese. Hunters are reminded of the Columbia Waterfowl Refuge, and the refuge areas along the lower Deschutes and John Day. For top results on both geese and ducks, the best areas will include the grain fields from Rufus eastward to McNary. The Cold Springs country around Hermiston is an excellent choice.

Good hunting is expected around Pendleton, in local areas of the Wallowa Basin, and the Grande Ronde Valley around Union and La Grande. The Malheur country is a top choice around Ontario and Vale. Best hunting here is from midseason until the freeze-up.

Tribe Paces Big Six

SAN FRANCISCO (UPI) —Stanford, which has won only one game this season, leads the Big Six in total offense and rushing offense, according to statistics released today.

The Indians have averaged 287 yards per game on offense; and of these, they have picked up 192 rushing.

Washington State has the best rushing defense, allowing 128 yards; and Cal leads the passing offense with 128 yards per game.

PP&K Contest Registration Nears End As Competition Play Begins Soon

Klamath Falls area grade school boys from 8 through 11 can pit their football skills against thousands of other boys throughout the nation in the third annual Punt, Pass & Kick Competition which will culminate with a trip to Washington, D.C., for a White House tour, then to Dearborn, Mich., and an appearance at the National Football League championship game for the top eight winners.

Sponsored nationally by the Ford Divison of Fort Motor Company and the National Football League, the Punt, Pass & Kick Program — or PP&K — will be staged in Klamath Falls by Balsiger Motors.

Klamath Falls area youths will be tested for their ability to punt, pass and kick (using a kicking tee) footballs on the same day as thousands of other boys all over the country, with warm-up jackets, football helmets and autographed footballs to be given as first, second and third prizes for each age group, or four top Klamath Falls winners in all. Scores throughout the state then will be compared to determine the four top Oregon winners, and these scores compared to determine the most skillful 8, 9, 10 and 11-year-old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League teams.

Area winners and their fathers and mothers will receive all-expense-paid trips to a National Football League game in their area, and will compete during halftime to determine the four top Eastern Division and four top Western Division winners. These eight boys, accompanied by their parents, will visit Washington, D. C., where they will tour the White House. They will then travel to Dearborn, Mich., and tour Greenfield Village. The entire group then will go to the site of the NFL championship game, for half-time competition to determine the four national winners.

There is no body contact necessary in the competition, no charge for entering, and no special equipment needed. Registrations are open until Oct. 11.

In 1962, the second year of the PP&K Program, 431,921 boys entered the competition and President Kennedy said "Programs of this type will enable our youth to build the energy and strength that is their American heritage."

Entrants will be judged on the distance and accuracy of their punting, passing and kicking (using a kicking tee), with points awarded for each foot of distance the ball travels on the fly and subtracted for each foot the ball lands to right or left of a center line. The Klamath Falls competition will be held at Modoc Field on Saturday, Oct. 12.

Any ties in the competition will be played off on the day of competition, and ties for top spot in the state and area standings will be played off at special contests. State winners will receive trophies, and area winners will receive complete junior-type football uniforms of the NFL team in their region, and the uniforms worn when the winners compete during NFL half-time ceremonies to determine the division-al champions.

INTERESTED 'COACH' — Terry Baker, Los Angeles Rams quarterback, has been coaching California youngsters for the annual Punt, Pass and Kick Contest scheduled for Saturday across the nation. The local contest will be held Saturday at Modoc Field starting at 3:30 p.m.

Game Take Ranked High

Compilation of the big game take in the 49 states by the U.S. Fish and Wildlife Service indicates that Oregon ranks high in the nation in the hunter's take of deer and elk during the 1962 season.

Despite the 15 per cent decline in deer harvest from the preceding year, Oregon ranked third in the nation in 1962 with a yield of 139,712 animals. Colorado jumped into second spot with 142,798 deer and Texas held first place with an estimated take of 195,000 whitetail deer and 5,500 mule deer. Utah, which has pushed Oregon for first place honors for several years, registered fourth place with a take of 130,536 animals. Montana ranked fifth in the nation with just over 103,000 deer taken.

No other state reached the 100,000 mark in the take of deer, although Minnesota and Michigan came close with almost 99,000 for Minnesota and almost 96,000 for Michigan.

Oregon ranked fourth in the take of elk with its yield of 10,176 animals. Idaho jumped into first place with a reported take of 13,700 elk, followed by Montana with 12,200, and Colorado in third place with 10,353 animals. Other top elk producing states include Washington in fifth place with 7,900 animals reported taken and Wyoming with just over 6,500 animals taken.
