Nat'l Hockey Loop Opens Play Tonight

BOSTON (UPI) — Boston's last place Bruins, dreaming of escape from the National Hockey League cellar they have occupied for three years, open the NHL season tonight by hosting the Montreal Canadiens.

The Bruins, who haven't gained the Stanley Cup playoffs for four years, will present an only slightly revamped lineup for the 1963-64 season, their 39th in the 47-year-old league.

The Canadiens, on the other hand, have undergone drastic surgery after finishing their last season — their first title failure in six years.

Chief change in the Montreal lineup will be Gump Worsley, long-time New York net-minder, who was traded for the veteran Jacques Plante.

All other clubs will be in action before the end of the week. The Chicago Black Hawks host the New York Rangers on Wednesday night and then move to Detroit the following night to help the Red Wings get started.

The defending champion Toronto Maple Leafs are the last team to break away, entertaining the Bruins on Saturday night. That same evening the Canadiens will be at home to New York.

DOWNES TO FIGHT — LONDON (UPI) — Former middleweight champion Terry Downes makes his first ring appearance in six months tonight when he meets Rudolph Nehring of West Germany. Nehring is the first German since World War II to fight a main event in Britain.

Both tallies were made on quarterback keeps, Gary Homer from the three in the second quarter and Joe Blevins from the eight in the third quarter. Ed Flowers made an extra point after the first TD in an off-tackle plunge and Blevins' kick after the second score was no good.

Charles Avery, Tiger halfback, returned a Trinity kick 85 yards across the goal line but this play was called back. Avery had stepped out of bounds.

The Trinity 11 was expected to win this contest from the visiting Tigers but their offense was primarily contained in mid-field.

The Dunsuir jayvees had things pretty much their own way too, taking the preliminary game 34-9.

Susanville Tops Braves

ALTURAS — The Lassen Grizzlies from Susanville gave the Modoc Braves their third defeat of the 1963 season Saturday afternoon at the Modoc field. The Grizzlies, spearheaded with two touchdowns by Ed Murin and one by Ed Smith, topped Modoc, 20-8. Murin scored in the first quarter and the third quarter of the game. Gary Honea passed over the left side of the line for the second quarter TD to Smith. Mike Vineyard kicked the two conversions and missed on the last try.

Modoc's first score was made near the end of the first half. The Braves were making a goal line try for a score when the ball was fumbled on a push over center. Lassen recovered in the end zone where the Modocs immediately smothered the ball carrier for a two-point safety.

In the second half Chris Danhauser plunged the ball over left tackle for a touchdown after a sustained drive from mid-field.

In the preliminary game the Modoc junior varsity was defeated 20-19 in a closely fought game by the Lassen junior team.

NEW YORK (UPI) — Oklahoma maintained its grip on first place and Texas vaulted past Alabama into second spot among the nation's major collegiate football powers today in the weekly ratings of the United Press International board of coaches.

The Sooners, idle last week after their upset of defending national champion Southern California two weeks ago, will be healthy and rested for college football's biggest game of the young season Saturday. They received 21 of the 35 first place votes and totaled 322 points.

Texas trounced Oklahoma State 34-7 to gain the nod over Alabama by the 33-man board of coaches, although the Crimson Tide received seven first place votes to only two for the Longhorns. Bama defeated outclassed Vanderbilt, 21-6, but was unimpressive.

Amazing Roger Staubach navigated Navy up a notch with a 26-13 win over Michigan and received one first place vote. Pitt garnered two first place ballots and Ohio State the other.

Texas was a distant second in the 10-9-8-7-6-5-4-3-2-1 point distribution for votes from first to 10th places, totalling 257. Alabama had 251 points, Pitt 163 and Wisconsin 151.

Ohio State, No. 7, meets 12th-ranked Illinois this weekend in the only other pairing of top 20 teams.

Record Chinook Egg Take Forecast For Willamette

The highest spring chinook egg take in 20 years is in prospect at the Oregon Fish Commission's Dexter Dam egg-taking facility on the Middle Willamette River, Ernest R. Jeffries, the agency's fish culture director, has announced.

Hatcherymen from the Willamette River station near Oakridge are expected to take over 10 million eggs this season from adults currently on hand, more than doubling last year's excellent take of 4½ million. Over 5,000 adult chinook will be handled this season, Jeffries said. This is the largest number of mature fish taken at Dexter since the fish holding facility was established in 1955. Survival of adults over the summer months was excellent this year due at least in part to cooler water temperatures.

During some seasons the mortality of ripening adults has been high as a result of disease outbreaks abetted by relatively warm water in the holding pond.

If all goes well, future hatchery produced runs on the Middle Willamette may be even higher. This year's excellent spring run — essentially 4 and 5-year-old fish — originated from annual releases of 1½ million yearlings for each of the 1958 and 1959 broods. Liberations of yearlings of the 1960 Middle Willamette brood totaled one million. Of the 1961 brood some 1.5 million were started downstream. Now on hand at the Willamette Salmon Hatchery at Oakridge are 34 million yearlings of the 1962 brood awaiting liberation during late winter.

Temperature conditions in the Middle Willamette main stem are such that during most years relatively little survival can be expected from eggs deposited naturally in the stream. Because of this fact, the mainstem Middle Willamette spring chinook run is considered to be maintained, for all practical purposes, by Fish Commission hatchery operations.

The 1963 total Willamette River spring chinook run was calculated at 48,100 fish of which approximately 13,500 or about 28 percent were taken by sport fishermen.

Battered Rams Eye Chicago

LOS ANGELES (UPI) — The Los Angeles Rams looked just about as battered as their record would indicate today as they continued drills for Sunday's game with the Chicago Bears.

Five players had X-rays: Jon Arnett and Dick Bax for sore backs; Lamar Lundy, a shoulder separation; Joe Scibelli for possible kidney injury; and David Jones, for a finger injury on his right hand. All X-rays proved negative, although the injuries were painful.

The Rams have lost all four of their National Football League games.

Portlanders Post Wins

SEA ISLAND, Ga. (UPI) — Bill Blakely and Ed Murphy, both of Waverley of Portland, posted opening round wins in the National Seniors Amateur Golf Tournament Monday.

Blakely, runner-up in the tourney last year, defeated Herman Wilke 4 and 3 and Murphy topped N. D. Harter 1 up.

Dr. Millard Rosenblatt of Tualatin, Rudy Taggesell of Portland's Columbia — Edgewater and Ted Miller of Royal Oaks of Vancouver, Wash., were beaten in the first round.

"The Yanks would be lucky to finish fourth in the National League against our kind of pitching."

"We played the series perfectly. Take that leaping one-handed catch by Frank Howard on Mickey Mantle's drive in the second game at Yankee Stadium. Why, a fellow who is only six feet, six inches tall would have missed it."

Howard is six feet, eight. That makes him the smallest man in the National League as of the moment.

PALMER LEADS WINNER

DUNEDIN, Fla. (UPI) — Arnold Palmer, the first "hundred grand" pro golfer, has won \$127,55 in official PGA earnings this year through last weekend's Whitemarsh Open. Palmer's \$26,000 gain in the Whitemarsh victory put him a considerable distance in front of Jack Nicklaus' \$85,990.

Tourney Draws Winners

ALMADEN, Calif. (UPI) — Winners of five of the past six PGA tournaments have entered the \$25,000 Almaden Open Golf Tournament, scheduled for Oct. 31-Nov. 1-2-3.

Chairman George Bruno said the men are George Knudson, who won at Portland; Bobby Nichols, Seattle; Tommy Jacobs, Salt Lake City; Johnny Potts, American Classic; and Bill Casper, Insurance City Open.

Other tournament winners entered in the Almaden include Tony Lema (Memphis) and Dan Sikes (Doral).

TITLE BOUT SET

DODGER WIN BASEBALL THREAT? ...

By OSCAR FRALEY LOS ANGELES (UPI) — The National League is so cocky today over the manner in which the Dodgers walloped the Yankees four straight in the World Series that things threaten never to be the same in their regard for the silenced Bombers or the American League.

The boasting has become so arrogant in "El Pueblo de Nuestra Senora la Reina de Los Angeles de Porciuncula" — the original full name of the City of the Angels — that it's even hard on the eardrums of a fellow who picked them to win in six games.

Those Dodgers are so high that they have a scheme afoot for selling season tickets to the World Series.

It was only last Friday that the National League came up with a plan allegedly designed to aid the lowly New York Mets and the Houston Colt .45's, who fire more than their share of blanks. Each of the other teams are to put up four players and the two have-nots will yaw over the merchandise in this baseball fire sale.

Sharp Cutting Edge — So imagine the cutting edge on the vocal scalpel used by Dodger Vice President Fresno Thompson when he said:

"The greatest idea I've heard to strengthen weak clubs (meaning the Yankees of course) is that the Colts and the Mets are going

to let the American League choose five players from each club."

One National Leaguer pointed out that the NL's doormat Mets, after all, had beaten the Yankees in New York's Mayor's Trophy game and held it possible that "over the full season they probably would have won the American League pennant." That's subtly ridiculous and would have to be taken with a ton or so of salt but illustrates how much higher is the National League than John Glenn ever thought of going.

Sandy Koufax won the car awarded annually to the series top star, Ralph Terry, who copped it last year when the Yankees somehow beat the Gi-

ants, watched as the names of past winners were flashed on the scoreboard. He was able to chuckle when it said "Mazeroski — Pittsburgh — 1960." Terry was the victim that year of a Mazeroski home run which won the final game.

Terry Got Even — "I put him into the driver's seat and he didn't even offer me a ride," said Terry. "I got even later. I was speaking in Pittsburgh and he was attending the dinner so I said he wasn't the only .250 hitter I had made famous. He came to me later and told me not to make him look so bad, that he was really a .260 hitter."

However, Terry and the other Yankees won't be doing much

Waterfowl Season Opening To Draw Annual Scatter-Gunners

Another opportunity opens for scatter-gunners this coming week when the state-wide waterfowl season gets under way. According to the game commission, the midweek opening is set for 1 p.m. today. Shooting time for Oct. 12 will be at 2 a.m. to correspond to the opening of the general upland game bird season, but the remainder of the shooting days through the season ending on Jan. 5, gunners can start banging away at one-half hour before sunrise to sunset.

On the shooting schedule will be ducks, geese and coots, and American and red-breasted merganser. Hunters are reminded that the snipe season does not start until Oct. 26, and the brant season is not scheduled until Nov. 18. Hunters are urged to check the waterfowl regulations available at all license vendors.

State-wide bag limit for ducks is four per day, eight in possession. This bag limit may be increased by two mallards and the possession by four mallards in Baker, Gilliam, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa and Wasco counties. In other words, waterfowl gunners have a bonus of two mallards in the daily bag, provided they are taken in the above named counties.

The Rams have lost all four of their National Football League games.
