

## Back Injury Turns Man Into Successful Salesman

A broken vertebrae three years ago that snapped while employed at the Weyerhaeuser plant, has limited activity and many types of work for Francis Snyder. He is now employed at the Joe Fisher Used Car lot on South Seventh Street.

Strenuous activity and hard physical labor have been out of the question for Snyder since that day the injury sent him to a hospital for extensive repairs.

While his condition is improving, the mending process is a slow one. In recent months he has been proving his capacity as a salesman and is an outstanding example of the use of a handicapped person in business.

He is brought to the attention

of the public through Hire Handicapped Persons Week, Oct. 6-13. Snyder, 27, is married and the father of four young children, Francis Jr., 5, Debra Ann, 4, Larry William, 2½, and Teresa Lynn, 18 months.

Mrs. Snyder (Barbara) is employed at Klamath Valley Hospital. Snyder, a native of Klamath Falls, attended Sacred Heart High School. His parents, Mr. and Mrs. Frank W. Snyder, live at 3149 Cortez, this city.

The U.S. steel industry has a capacity of more than 147,660,000 tons a year.

## Gee Named Top Airman

A 408th Fighter Squadron policeman who has been transferred to Korea is Kingsley Field's latest Airman of the Month, the Information Office of the airfield has reported.

He is A.I.C. Dean R. Gee, 21, San Jose, Calif., who as the honor winner for September has received a \$25 check, wearing apparel from a local men's store, a Kiwanis Club luncheon, a three-day pass, and a letter of commendation from Col. Edwin J. Witzemberger, commanding officer of the airfield.

Airman Gee entered the Air Force in September, 1960.
