

Detroit Bid For Olympic Games Set

DETROIT (UPI) — Mayor Jerome P. Cavanagh and his official party left for Baden-Baden, West Germany, Saturday to make Detroit's bid for the 1968 Olympic Games.

A vanguard of 22 Detroit Olympic Committee members and technicians along with 3½ tons of equipment already is in Baden-Baden for the 45-minute presentation to the International Olympic Committee (IOC) on Oct. 18.

Gov. George Romney will fly over this week to help make Detroit's presentation to the 64-member IOC. The Motor City is bidding against Mexico City, Buenos Aires and Lyons, France.

Detroit's presentation includes a film of President Kennedy supporting the Motor City and a congressional resolution pledging

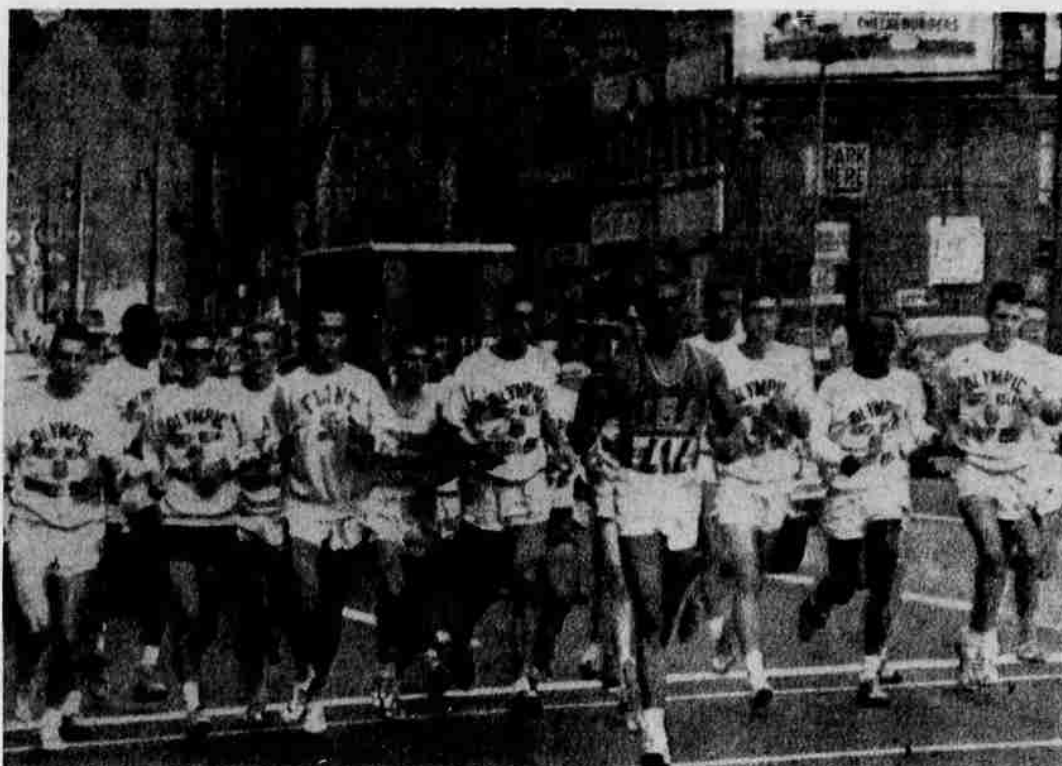

United States support of Detroit's bid.

To dramatize its bid, Detroit Friday completed a 2.571-mile relay in which an Olympic torch was carried from Los Angeles to Detroit by more than 400 long-distance runners.

The end of the run at the City-County Building was witnessed by hundreds of cheering persons and scores of demonstrators who interrupted the ceremony with shouts and boos.

Hayes Jones, a 1960 Olympic bronze medal winner, handed the torch over to Cavanagh amid jeering from the demonstrators.

They carried signs reading "Is Detroit Segregated Housing Ready For Olympics?" and sang the integration song, "We Shall Overcome."

Hockey Coach Looks At First Big Game

By GEORGE (Red) SULLIVAN Coach, New York Rangers

NEW YORK (UPI) — This was my first shot at taking over a big league hockey team from the start, and I feel good about it. The time to establish the necessary rapport, to build up a healthy attitude, is in training. And I'm sure we're a club, not a lot of splinter groups.

That's one thing and I consider it important. The other thing is personnel. And when I remember the team as it was when I was brought in last Christmas, and then size it up now, I'm sure we are much superior.

Apparently, a lot of other people think so, too, because we've been picked generally to make the playoffs. I think we can do it, and maybe with something to spare, but it's got to be done on ice and there's a long road ahead.

I say this: We've got in Jacques Plante the best goalie in the league, not only in his skill

and technique, but in his leadership qualities.

And we've improved immensely down the middle. The mid-summer deal with Montreal which brought us Plante also brought us a couple of professionals in Don Marshall and Phil Goyette who should be at their peak. I'm counting a lot on them to help us not only as goal scorers but to help balance lines and give us soundness.

I have Goyette playing between an improved Rod Gilbert and 37-goal scorer Camille Henry.

SEVER TIES

MINNAPOLIS — ST. PAUL (UPI) — The Minnesota Twins will not renew their working agreement with Dallas-Fort Worth of the Pacific Coast League, farm director Sherry Robertson disclosed.

Robertson also said the Twins have signed a working agreement with Wisconsin Rapids in the Class A Midwest League.

I may have Marshall at center between Andy Bathgate and Vic Hadfield.

And if these three click together, I'll put Don McKenney, a 200-goal scorer over his career, at left wing with Earl Ingarfield and one from Ken Schinkel, Dick Meissner and Howie Glover.

It may take a little time to improve our cohesiveness, but there are too many pros on this club for me to be anything but optimistic.

Swimmer Wins Award

EUGENE (UPI) — Graham Colton, a swimmer from Portland, Friday was named winner of the 1963 Order of the O Scholarship at the University of Oregon.

The scholarship is awarded annually to the outstanding state of Oregon freshman athlete to enroll at the university.

Split Forecast In Olympic Games Bid

LANSING (UPI) — Douglas F. Roby, one of the United States' three members of the International Olympic Committee (IOC), predicted Saturday one American

will not support Detroit's bid to host the 1968 Olympics.

But the 2-1 split in the American delegation won't hurt Detroit's chances, Roby said.

Roby, who lives in Ypsilanti and is the former chairman of the board of the American Metal Products Corp. in Detroit, has been trying to bring the Olympics to the Motor City since 1939.

As he left for Baden-Baden, West Germany, Friday to attend the 60th Plenary Congress of the IOC, Roby said, "Personally this is the first time I've gone to one of these meetings with the feeling Detroit will come home with it."

Roby said there is no question on how he will ballot on the vote to choose the 1968 Olympic site and he added he felt IOC President Avery Brundage would also support Detroit.

"But John Garland of California — I doubt he will vote for us," Roby said.

"He was quite hurt that Detroit prevailed over Los Angeles in the competition before the American Olympic Committee for the right to bid for the games.

"But I don't think that will hurt us," Roby said. "On the contrary the propaganda by people out in California against us might help because it has been unspportsmanlike," Roby said.

Running against Detroit in earnest are Mexico City and Lyons, France, while Buenos Aires, Argentina, is making what is regarded as a token bid.

Wildcats, Viks High In Small Team Stats

KANSAS CITY, Mo. (UPI) — Linfield's defense and Portland State's passing have brought those two teams among the leaders in National Association of Intercollegiate Athletics football statistics released Friday.

Linfield ranks seventh in total defense after allowing an average of only 107.7 yards per game in its first three contests. The Wild-

cats are 15th in pass defense with an average of 29.3 yards and 11th in rushing defense with a 68.3 average.

Quarterback Mike Schrank of Portland State is 10th in the nation in passing with 22 completions in 44 attempts for 307 yards and an average of 153.5 yards per game. Schrank also ranks 13th in total offense with an average of 161 yards. The Vikings are 18th nationally in passing offense.

Southern Oregon ranks 14th in passing with 168 yards per game and 16th in total offense with 373.3 yards.

Dick Weise of Pacific is 17th among individual passers with 150.5 yards per game and half back Mickey Hergert of Lewis and Clark ranks in a tie for eighth place in scoring with 26 points.
