

DECEIVINGLY SIMPLE — Salmon Alaska was inspired by the famous ice-cream coated meringue dessert known as the Baked Alaska. No ice cream in this one — just dark red Salmon from Alaska.

Imagination Adds To Food

Few foods bring as many valuable contributions to the table in significant quantities as canned salmon. Few foods are as appealing in flavor or can be served in such a variety of ways as canned salmon. And very few everyday foods can be transformed into a glamorous dish at no greater cost to the cook than that extra ingredient—imagination—than canned salmon.

SALMON ALASKA
 3 eggs
 1 pound can salmon
 1/4 cup milk
 1/4 teaspoon hot pepper sauce
 1 teaspoon worcestershire sauce
 1/4 teaspoon salt
 2 teaspoons lemon juice
 2 tablespoons chopped parsley
 2 tablespoons grated onion

4 tablespoons melted butter
 1 1/2 cups soft bread crumbs
 In mixing bowl beat eggs, liquid from can of salmon, milk, hot pepper sauce, salt, and lemon juice until frothy. Flake and stir in salmon and remaining ingredients.
 Line a 4-cup oven-proof glass or metal bowl with two 2-inch strips of aluminum foil, letting them overhang edge of bowl about 1 inch. Oil bowl and foil well. Pour salmon mixture into prepared bowl and bake in a preheated 350 degree oven for 1 hour. Remove from oven and let stand for 5 minutes. Then loosen from sides of bowl and turn out onto oven-proof platter or pie plate with the aid of the aluminum foil strips. Carefully remove foil.
 While hot is baking, peel 4 to 5 medium potatoes, cut into small

pieces and cook in boiling salted water for about 20 minutes, or until soft. Put potatoes through a ricer into a mixing bowl and beat in 4 tablespoons butter or margarine heated to melting in 1/2 cup milk. Add salt to taste.
 Cover the salmon mold with the fluffy mashed potatoes, brush lightly with beaten egg, and return to the oven for 15 minutes to brown. Serve with Cheese sauce. Serves 4 to 6.

CHEESE SAUCE
 2 tablespoons butter or margarine
 2 tablespoons flour
 1/4 teaspoon salt
 1/2 teaspoon paprika
 1 1/2 cups hot milk
 1 cup grated Parmesan cheese or
 3/4 cup finely diced natural cheddar
 In saucepan melt butter or margarine. Stir in flour, salt, and paprika. Cook, stirring, until mixture bubbles. Remove from heat and add milk, stirring rapidly. Return to heat and cook, stirring, until sauce is slightly thickened. Add cheese and cook stirring, until cheese is melted.

PANS FOR PICKLES
 Do not use brass, copper, iron or galvanized utensils when making pickles. Those materials can cause undesirable color changes. The experts suggest that enameled ware, glass, aluminum, stainless steel or stoneware utensils be used instead.
