

RECENT VISITORS — Mr. and Mrs. Wayne Angel recently visited at the home of his parents, Mr. and Mrs. Albert A. Angel. The young couple make their home in Washington, D.C., where he plays the violin with the National Symphony Orchestra.

### Wayne Angel Visits Home

Mr. and Mrs. Albert A. Angel and family have recently received a visit from their son and daughter-in-law, Mr. and Mrs. Wayne Angel, presently from Washington D.C. At this time the first reunion in five years was held by the two families.

Mrs. Angel is the former Christine Meister, daughter of Kurt and Luca Meister of Hamburg, Germany, where they were married. At the time of their wedding he was serving with the Army and she was studying for her doctorate degree in German literature.

A graduate of Portland State University in 1958, Wayne can claim appearances with most major symphonies in the Northwest. He was first placed in violin in the 1955 Federated Music Clubs national competition and has the distinction of having been the youngest artist ever to have been a member of the Portland Symphony in Portland.

After being drafted into the Army in 1959, he attained the rank of sergeant while playing with the Seventh Army Symphony in Europe. Also during this time he was concert master and soloist of the orchestra.

During his tours in Europe with the Seventh Army Symphony Orchestra, the young violinist soloed in many countries, including Ger-

many, France, Italy, Denmark and Spain. Included in this group was a solo played in Bonn, Germany for Chancellor Adenauer. In this time, he gained excellent reviews from the German critics.

Wayne is presently a member of the National Symphony Orchestra in Washington D.C., conducted by Howard Mitchell. This is rated as one of the top five orchestras in the country. Although he is one of the youngest members of the group, he holds the fourth stand in the first violin section of the orchestra.

In the coming years, he plans to continue his solo work by playing with the National Chamber Orchestra, directed by Guidi Mon-

suino.

Coarse hair more than any other kind needs the right shaping. The right style will discipline it so be sure that you only allow a professional to cut it. Coarse hair will probably profit by a permanent but this again should only be given by an expert to make sure you get a soft not tight wave.
