SEEKS SUPPORT

LAGOS, Nigeria (UPI)—Kadir Oluo, a 41-year-old garbage cleaner, came weeping to the newspaper Morning Post Wednesday and begged for money to help support his newborn quadruplet children. "I'm old," Oluo said, "and there is no magic to charm my life so that I can live long enough to help these innocent children." He said he earns eight pounds (\$22.40) a month.
