NATIONAL FOREST TIMBER
FOR SALE
Pothole Butte

Oral auction bids will be received by the Forest Supervisor or his authorized representative, on the second floor of the Klamath County Library Building, 126 South Third Street, Klamath Falls, Oregon, beginning at 2:00 p.m., Pacific Standard Time, December 10, 1963, for all merchantable timber marked or designated for cutting on an area embracing 1800 acres, more or less, within Sections 24 and 25, T. 30 S., R. 7½ E., and Sections 19, 20, 29, 30 and 31, T. 30 S., R. 7 E., W.M., unsurveyed, in the Winema National Forest, Klamath County, Oregon. The estimated volumes of live and recently dead (sound sapwood) timber are: 3700 M board feet of Ponderosa pine and Western white pine; 300 M board feet of Shasta Red fir, and 700 M board feet of White fir and Other Species. The minimum acceptable bid per M board feet is as follows: Ponderosa pine and Western white pine, $19.85; Shasta Red fir, $9.05; and White fir and Other Species, $5.05. This includes the following rates, per M board feet for stumpage, including deposit for sale area betterment: $3.00 base rate plus an additional $15.80 for Ponderosa pine and Western white pine; $2.00 base rate plus an additional $6.00 for Shasta Red fir; $1.00 base rate plus an additional $3.00 for White fir and Other Species; and $1.05 for slash disposal for all species. The stumpage rates payable for each species will be increased by the amortization rate in effect for that species when the unamortized estimated cost of the main haul roads has been amortized by timber scaled. The unamortized estimated cost is $7,483.00. Amortization rates are: Ponderosa pine and Western white pine, $2.37 per M board feet; Shasta Red fir, $0.90 per M board feet; and White fir and Other Species, $0.45 per M board feet. Amortization of estimated main haul road costs is computed on 80 percent of the estimated timber volume. In addition there is within the sale area an unestimated volume of Older Dead (Unsound Sapwood) timber, Ponderosa pine, which will be paid for at $1.00 per M board feet which includes required deposit for sale area betterment, plus $0.00 for slash disposal. In addition there is also within the sale area an unestimated volume of Sugar pine timber which may be removed at $6.50 per M board feet, only upon agreement in writing between the purchaser and the Forest Service. In the event the purchaser exercises the option to remove Sugar pine, then base rates and quarterly index adjustments will apply as in Ponderosa pine. Shasta Red fir and White fir and Other Species as follows: Base rate, $2.00; plus an additional $4.50, plus $0.00 for brush disposal per M board feet. The prices bid for stumpage for live and recently dead (sound sapwood) timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indices as calculated by the Forest Service at the end of each calendar quarter, and the following base indices: Ponderosa pine and Western white pine, $6.21; Shasta Red fir, 62.23; White fir and Other Species, 62.23; Sugar pine, 109.67. Such adjustments in the price for stumpage shall be applicable to timber scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rates for any species will not be increased above the base rate until the subsequent adjusted rates above base rates develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at Klamath County Library Building, Klamath Falls, Oregon, at 2:00 p.m., Pacific Standard Time on December 10, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $3900.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Chemult, Oregon or the Forest Supervisor, 411 Main Street, Klamath Falls, Oregon, before bids are submitted.
